The days have swiftly passed away,  
The time is drawing nigh  
When books must close and we must part  
From this . . . our Covington High.

We'll ne'er forget those friendly halls,  
Those friends we've held so dear.  
Of all the years we love the best  
Is this . . . our final year.

AS WE, the Senior Class of Covington High School, leave our beloved Alma Mater, we look back with sadness to the many activities and friends that have added so much pleasure to our four years of high school.

In September of 1941, we began the twelve most exciting, most enjoyable years of our lives. During these twelve years we have developed many talents and skills so that our class now ranks high in musical ability, scholarship, athletics, and leadership.

On May 26, 1953, forty-eight seniors, and our service veteran fellow graduate, will receive their well-earned diplomas. Of these forty-eight seniors, thirty-three have gone through twelve years of school together.

Yes, it is with a tinge of regret and a feeling of anticipation in our hearts that we leave to become a part of a new and wider world of learning and understanding.
This year the officers of the Junior Class have been Joan Colbert, president; Bob Tobias, vice-president; Rose Ann Miller, secretary; and Judy Flowers, treasurer.

The class has been busy trying to make money, a tradition of all junior classes. They sponsored dances after football and basketball games and sold refreshments at the basketball games. Other items they sold were football pins and license plate emblems. They also sponsored bake sales and a scrap drive.

Their most important class project was the play "Hillbilly Weddin'". The entire class had a part in making it one of the most successful plays ever held at Covington.

In November they attended Careers' Day at Dayton. Everyone got something out of this annual meeting to aid juniors in choosing their life work.

'52 TRI-COUNTY LEAGUE CHAMPIONS

FOR the second consecutive season, under the skillful direction of Head Coach Paul Devine and helped this year by Assistant Coach Richard Wintringham, the Covington Buccaneer gridders have ridden to the Tri-County League championship. These two undefeated teams, with very few exceptions, were composed of the same members.

The highlight of the past season was the defeat of the Milton-Union Bulldogs. Being in top form that Friday night at Smith Field, the Buccs thoroughly trounced Milton 44—0.

The 1952 squad attained a very high rating for Class B schools in the state, being ranked second only to Chauncey Dover.

Now, after two successive championships, Covington is bowing out of the Tri-County League in search of stiffer competition; bowing out as champs!

THIS year the Student Council of Covington High School endeavored to live up to its motto, "Not for ourselves, but for others." All student activities were cleared through the Council. Among its many projects for the year the Student Council sponsored the Football Homecoming, drew up a constitution for the cheerleaders and sponsored their election, sponsored many dances after the football and basketball games, sponsored field day, made a radio broadcast, displayed mottoes, and promoted good will among the students and teachers of Covington High School. The magazine campaign the Council sponsored this year was the most successful one ever carried on in Covington. The officers for this year are Loanne Miller, president; Alice Flory, vice-president; Marilyn Smith, secretary; Robert Johnston, treasurer; advisers, Miss Frey, Mr. Wintringham and Mr. Apwisch.

THE Hi-Y Club has tried to help its members reach their purpose, which is to create, maintain, and extend throughout the home, school, and community high standards of Christian character, by discussing different problems at the semi-monthly meetings. Various speakers and films were used to guide the discussions. The club was a state honor-award club of high standing.

Bob Johnston was president of the Dayton Town and Country, a council representing thirty-three clubs in the Dayton Town and Country District. He also served on the state council. Maynard Cissner was elected state representative to the Y. M. C. A. Model Legislature in Columbus.

The club had many worthy projects, which included the following: religious assemblies at school; a movie of "Scrooge" at Christmas time; Olympic Champion pole vaulter Rev. Bob Richards for an assembly program; a $50 pledge for Christian aid in Pakistan; Calvin Bright, noted missionary in China, who spoke at the Hi-Y, Tri-Hi-Y Foodless Banquet. Funds for these projects were raised by the annual Faculty-Uptown All Star basketball game, which the faculty won for the second straight year, and work days.

These proceeds also helped defray the expenses for the club's officers at leadership and training camps, Nelson Dodd and Kern.
TRI-HI-Y of 1952-53 has been a club which has been quite busy but has had a lot of enjoyment also. To finance their projects they conducted two very successful all-day paper drives at which everyone worked very hard.

For World Service the Tri-Hi-Y and Hi-Y sponsored a Foodless Banquet at which Calvin Bright, a returned missionary to China, was the speaker.

The Community Projects were baby-sitting for P. T. A. and cleaning the J. R. Clarke Public Library each week. School projects included semi-monthly chapel services and a World Day of Prayer service for the entire student body.

Meetings were held on the first and third Tuesdays of each school month. Other interesting events of the year were a tea for the mothers, a joint banquet with Hi-Y for parents, a radio program over WPTW, a roller skating party, caroling on Christmas Eve, packing boxes for overseas, and a Spring Formal.

Officers for the year: Beverly Clark, president; Doris Fisher, vice-president; Josephine Folck, secretary; Judy Flowers, treasurer; Joanne Alexander, chaplain; and Miss Helen Holfinger, adviser.
ORGANIZATIONS of the Future Farmers of America are found in every state in the Union plus Hawaii and Puerto Rico.

Some of the activities of our F. F. A. are a judging contest in June, a swimming party in July, County Fair and trips to Canada in August. The fall sees the boys going to Chicago to the National Livestock Show. During the winter we have field trips to see boys' projects. In the spring a project tour of every member is taken to compare the projects.
THE F. H. A. is a girls' organization open to any high school girl who has taken at least one year of Home Economics. The theme this year is "Homemaking training today brings happier homes tomorrow."

There are fifty members enrolled in F. H. A. this year. Out of these fifty girls, nine tried for the Junior Degree, twelve tried for Chapter Degree, and two tried for the State Degree.

The club also took part in County F. H. A. events by attending county meetings, the County Rally, and the County Dance in March.

In May, three members of the club plan to attend the State Convention at Columbus, where they will participate in the election of the new State F. H. A. officers and the conferring of State Degrees.
THE purpose of the Girls’ Athletic Association is to teach the girls leadership and good sportsmanship. It also gives them the opportunity to meet and compete with girls of other schools.

The club is active in softball and volleyball.

THESE year, under the direction of Mr. Wesley Haines, the Covington High School Band worked very hard preparing for the events in which it took part. The band performed at the half of each football game, both at home and away. It also played for several of the basketball games.

In October the band brought home another trophy from the Bradford Pumpkin Show, where it won second place. Much time was also spent in preparation for two Sunday afternoon concerts.

Eleven members of the C. H. S. Band took part in the Junior High District Solo and Ensemble Contests at Troy on February 28. Twenty-five others entered the Senior High Solo and Ensemble Contests at Urbana on March 7. We can be very proud of the splendid performance they made. On March 28, the band went to Vandalia to take part in the District Band and Chorus Contest. In May the Western Ohio Band Festival at Sidney furnished another interesting experience.

This spring the members got new white gloves and white spats, which greatly improved the appearance of the band. In addition they received new music racks.

THE Seventh Annual Black and White Minstrel Show, under the direction of Mr. Wesley Haines, was presented on April 24 and 25 with a cast of approximately 130 students.

The chorus sang such numbers as "Dry Bones", "Skip to My Lou", and "Madam Jeanette". Providing the laughs for this year's show were endmen, Ronnie Finfrock, Eldon Baker, Bill Young, and Kenny Sholley. Wayne Flory served as interlocutor. These students were under the direction of Mr. McNeal.

Special numbers consisted of songs from the past as well as popular songs. Also on the program was an original monologue, a Dixieland band, a German band, and other special variety acts.
