ALMA MATER

Our strong band can ne'er be broken,
Form'd in Covington High.

Far surpassing wealth unspoken,
Seal'd by friendship's tie.

Alma Mater, Alma Mater,
Deep graven on each heart.

Shall be found unwavering true,
When we from life shall part.

UNDER the guidance of Head Coach, Bob Wion, and Assistant Coach, Blair Irvin, the 1953 Buccaneer squad had a fine season. This year Covington ran up against stiffer opposition due to the fact they played independent football. However, their change from a straight T to the split T formation made for a speedier offense and brought them to a record of six wins to three defeats.

THE G. A. A. is a girls' athletic association open to any girl in the upper four grades.

The purpose of this group is to teach the girls leadership and good sportsmanship. It also gives them an opportunity to meet and compete with girls of other schools. The club is active in softball, volleyball, and basketball.

By earning 150 points or more, members are entitled to awards. Freshmen receive numerals; Sophomores, an emblem; Juniors, a letter; and Seniors, a choice of a pin or a letter. Points can be earned by good attendance, bicycle riding, hiking, bowling, roller or ice skating, horse back riding, and assisting in gym classes.

This year's club has a membership of twenty-seven.

THE Student Council, an organization made up of four seniors and two representatives from each of the remaining five grades, has for its purpose the improvement of our school in every possible way. Proposed student activities are brought up in the Friday morning meetings and cleared through the Council.

Among its many projects this year the Council sponsored the Football Homecoming, drew up a constitution for the Junior High Cheerleaders and sponsored both the Senior and Junior High Cheerleaders' elections, sponsored dances after the football and basketball games, sponsored a magazine sale and presented the Junior Class with an outstanding Salesmanship Award, decorated the Christmas tree during the holiday season, sponsored the "Spangle Sale" for T. B., presented a radio program over W.P.T.W., established the Cheer Club, kept the bulletin boards neatly arranged, sent two delegates to attend a Student Council convention in Toledo, and purchased new song books for our chapel programs.

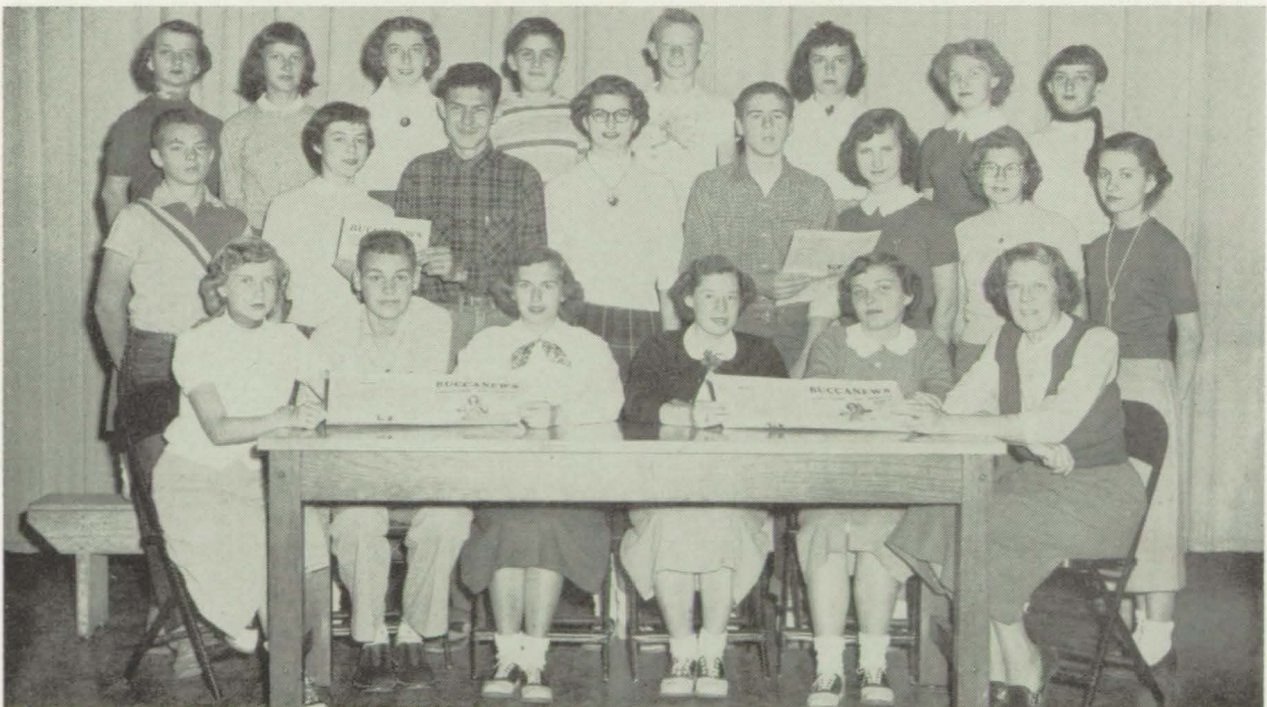

The club this year was capably managed by Roger Henry, president; Sharon Smith, vice-president; Barbara O'Roark, secretary; and Jim Carder, treasurer. The advisers are Miss Frey, Mr. Minty and Mr. Apwisch.

THIS year brought the girls a lot of enjoyment as they strove to achieve their purpose to create, maintain, and extend throughout the home, school, and community, high standards of Christian Character. Meetings were held on the first and third Tuesdays of each school month during which dramatic skits and interesting speakers furnished the programs.

Outstanding events of the school year were the Tri-Hi-Y parents' banquet, the joint induction, a joint weiner roast at the Community Park, the New Year's Sock Hop, the annual Mothers' Tea, a one act play given to the Women's Guild of the Congregational Christian Church, and a radio program over W.P.T.W.

School projects included the establishment of a Lost and Found Department, preparing monthly chapel programs for the school, and sponsoring special services for Christmas, World Day of Prayer, and Easter. For community projects the girls did babysitting at P. T. A., and prepared Christmas gifts for seven little children living in Miami County foster homes.

Their \$25 contribution to the World Service Project of the YMCA was made possible by donations of money received for doing miscellaneous chores at home.

Joanne Alexander and Sharon Smith represented the Club at the Youth and Government Training Session at Wilmington College, and Joanne was elected a representative to Columbus. Five girls attended the Officers' Training Camps at Nelson Dodd and Kern.

THE Covington Chapter of the Future Farmers of America had a very active year under the leadership of President, Jerry Millhouse; Vice President, Roy Sink; Secretary, Ralph Mutzner; Treasurer, Bill Boyer; Reporter, Duane Cissner; and Sentinel, Tony Spillers.

The purpose of the organization is to promote better rural citizenship through better farm practices and participation in rural activities. The F. F. A. had many projects throughout the year; among them were two roller skating parties, a parliamentary procedure team which gave a demonstration for the Kiwanis Club, a radio program over W.P.T.W., an assembly program in which they presented Mr. Jesse O'Roark with the first Honorary membership in the Covington Chapter, and the sixteenth annual F. F. A.—F. H. A. banquet.

THE Covington High School Band, under the direction of Wesley Haines, has had a very busy year. The band performed at half time for all of the football games, while a pep band and the majorettes performed at most of the home basketball games. The members played at pep rallies, led parades, and played for a hockey game at Troy, on November 29. The band had two formal concerts this year and one concert for the student body. They also gave an exchange concert with the Newton Band.

In October, the band went to the Bradford Pumpkin Show and came home with a beautiful trophy for winning first place in the parade.

Thirty-two members took part in the District Solo and Ensemble Contest, and sixteen members took part in the State Contest. The band participated in the District Band Contest and received a I rating from each of their four judges. This entitled them to go to the State Contest on April 24, where they won a I rating.

They also took part in the annual Band Festival, May 14, at Urbana.

The Band Parents' Association gave a banquet for the members of the band in March, and also bought three bass horns, one French horn, three bass chairs, three bass horn cases, and a Scotch bass drum.

ALTHOUGH the Junior Band is fairly new as an active organization, this year it has reached its well deserved place in the Music Department. Not only does it serve as a proving ground for the younger musicians, but several Senior Band members have taken advantage of this opportunity to play with them and score points for practice time.

The band worked hard for the Junior High Contest at Troy. Their time and effort paid off, for they received three straight I's. They were rewarded further by the judges' comment that this was one of the finest Junior Bands in the area. Only one other band at the contest received three superior ratings.

The band will also make an appearance at the home concert.

YOU MAY ASK:—

WHAT DO YOU DO WITH THE DOLLARS I LEAVE IN MY SAVINGS ACCOUNT? TO THAT FAIR QUESTION

THE COVINGTON BUILDING & LOAN ASSN.

ANSWERS:—

The Association spreads them among fine conservative first mortgages on homes and farms right here in the vicinity where you can see them.

The “scattering” within a radius of fifty miles makes your money much safer than if you yourself loaned it to somebody on a first mortgage.

These mortgages are all reduced by regular monthly payments; so they get smaller and therefore better each year.

This association also keeps some of your dollars in reserve---cash or government bonds---as another safety factor.

Then, to add still greater safety, every savings account is insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation, an agency of the U. S. Government.
