Dedication

We, the Buccaneer Staff of 1956, dedicate this annual to our custodian, Mr. J. Lewis O'Roark, better known as "Boner," who is completing 25 years of service for the Covington Schools.

Board of Education

Left to right: Mrs. John Stocker, Dr. Conrad Clippinger, Mr. William Stubbs, Mr. Clarence Millhouse, Mr. Robert Buchanan, Mr. Kermit Stade, Mr. Paul Finrock.

Nothing is more uniquely American than local control of public education through boards of education composed of lay citizens.

School board members represent the people who own and support the schools. They form a grass roots organization which is closer to the people than any other form of government. They spend the local taxpayers' money and are responsible to their neighbors for the action. They are trustees of a great public responsibility.

The American school board has served to keep the public schools an immediate possession of the people. It has served as a prime protection against the domination of schools by an "ism" or any centralized pattern for remodeling society. Our schools began as local institutions; school boards keep them that way.

The biggest project confronting the school board this year was the building project. The progress was delayed due to not getting supplies to work with, and also due to the bad weather conditions.

Mr. Stubbs has been Superintendent since 1953. We appreciate the many things he has done for the school and community.

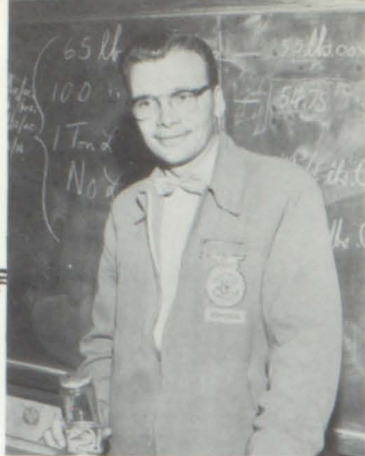

Mr. Apwisch, has been with us as principal for four years. Through his untiring efforts we have all benefitted in many ways.

Mrs. Etter, Secretary, has been with Covington High School since 1954; also, she has been acting as Secretary for Mr. Stubbs during Mrs. Stocker's illness.

WAYNE WISE

The Senior Class of '56 is very happy to have this service veteran as a fellow graduate.

The class of '56 has been a busy one, especially in our Junior and Senior years. In our Junior year, we sold refreshments at the basketball games, had car washes, and also sold air freshner and socks. In May we had the Reception for the Seniors. The gym was beautifully decorated, centered around a Hawaiian theme. Mr. Joseph Bath was the advisor for our Junior year.

Our final year in high school was spent mostly making money for our trip to Washington D.C. and New York. To do this, we had numerous projects such as scrap drive, sold pen and pencil sets, and bake sales. Our largest project was publishing the yearbook. The advisor for our final year was Mr. Louis Apwisch.

Student Council

Representing the student body as a whole, the Student Council strives to foster and promote school spirit, to initiate measures for the welfare of the student body, cooperate with the faculty, and promote student activities.

Sixteen representatives make up the Council including four seniors, two juniors, two sophomores, two freshmen, and a representative from each seventh and eighth grade homeroom.

This organization, working together, sponsored the magazine sales, the football homecoming festivities, Junior Red Cross campaign, TB Spangle Sale, and "Teens Against Polio" campaign. At Christmas time members of the Council decorated the balcony between first and second floors, and promoted the Christmas spirit throughout the Yuletide season.

These were just a few of the many projects the club has done this year; its major project being helping to pay for the new inter-communication system.

Officers of this active organization were Barbara O'Roark, President; Larry Via, Vice President; Deanne Gish, Secretary; Jim Looker, Treasurer; Terry Longendelpher, Reporter; and Miss Sargent, Mr. Allman, and Mr. Apwisch, Advisors.

Future Homemakers of America

This year, the Covington Chapter of F.H.A. celebrated its 10th anniversary. The chapter carried out many successful projects. Things of local interest were; celebrating national F.H.A. week, packing an overseas box, making favors for the rest home and singing Christmas carols for them, and eight members worked for the Junior degree.

On the county level, we took part in the Tri-County Officers Training meeting, Formal Dance, and the County Rally. Six of our members worked for the chapter degree. This year, the county president, Virginia Flick, was from Covington. The Covington F.H.A. also sent delegates to the state convention held at Columbus on April 27-28. Two members worked for the state degree.

During the summer, the chapter plans to take part in Poultry Day, State Camp, and the State Fair.

Guiding the many activities this year were Barbara O'Roark, President; Linda Miller, Vice President and Reporter; Deanne Gish, Secretary; Esther Finrock, Treasurer; Edith Palser, Chaplain; Gerry Flowers, Photographer; Bonnie Root, who kept the club scrapbook and was Sergeant-at-Arms, and Miss Holfinger, Advisor of the club since it began.

Some of the outstanding programs presented this year were Miss Holfinger's talk and slides from her trip to Europe, the program with postmaster Jesse O'Roark as speaker, an informal panel of Senior girls telling about their chosen vocations, and an impressive Thanksgiving program.

Some interesting activities undertaken this year were the Parents' Banquet, giving devotions over the intercom every morning, fixing a basket for a needy family at Christmas, and the Mothers' Tea.

Youth and government representatives who attended the model legislature in Columbus were Jeanne Hunt and Linda Miller.

With the purpose "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character" to guide it, the club had a very successful year.

First row: Tom Robinson, Dick Harrison, Arlen Idle, Louie Deeter, Larry Via, Jim Looker, Riki Roberts, David Alexander. Hi-Y Club

Affiliated with the Dayton Town and Country YMCA, the Hi-Y's platform is "Clean speech, clean living, clean sportsmanship, and clean scholarship." Its purpose is the same as that of Tri-Hi-Club.

The Hi-Y officers for this year are: President, Larry Via; Vice President, Dick Rhoades; Treasurer, Louie Deeter; Secretary, Jim Looker; Sergeant-at-Arms, Riki Roberts; Chaplain, Arlen Idle; Reporter, Dick Harrison. Our new advisor this year is Mr. Hanna.

Five officers, Larry Via, Dick Rhoades, Louie Deeter, Jim Looker, and Arlen Idle attended Camp Nelson Dodd this past summer. At this camp training was given to them in their prospective duties as club officers, training in correct leadership, etc.

The club's projects this year were concerned mainly with World Service and community projects. The club laid out a basketball court on the blacktop at school. Alternating weeks with the Tri-Hi-Y, devotions were given over the Inter-Com System each morning.

Buccanews Staff

The Newspaper Staff decided this year to publish six mimeographed copies of the school paper rather than writing for the Stillwater Valley News. Publications were published for six special occasions; namely, beginning of school, Thanksgiving, Christmas, Valentine Day, Easter, and graduation. These publications consisted of features, club news, jokes, romance, poems, class news, and themes. Everyone enjoyed every issue of the Buccanews from the "bang-up" beginning in September to the "grand finish" in May. The co-editors were Beth Lavy and Judy Laughman. The advisor was Miss Joy Babylon, who contributed much to the success of the Buccanews. The reporters were representatives from the seventh, eighth, tenth, eleventh, and twelfth grades.

Future Teachers of America

The Future Teachers of America, held their meetings the first and third Monday of each month this year. There was an enrollment of twenty-eight students in the club. The F.T.A. officers for this year were: President, Bonnie Root; Vice President, Tom Robinson; Treasurer, Louie Deeter; Secretary, Sandra Miller; Historian, Patty Williams; and the advisor was Mr. Apwisch.

The F.T.A. club tried something different this year. Each member chose a teacher that he wanted to assist during the year. The teacher could have been either a high school or elementary teacher. Whenever a teacher needed extra help or was absent from school, his assistant took charge. Also the F.T.A. took charge of the high school building for one day. Each member took a high school teachers place for that day and taught all his classes. The teachers were at school to supervise the F.T.A. members. It is felt that this day was very beneficial and worth while for all of the members.

Second row: Dick Harrison, Riki Roberts, Jerry Young, Lewis Deeter, Bob Thompson, Jimmie Finrock, David Ray, Bill Bentz, Tom Robinson.

Scholarship Club

The Scholarship Club is a newly organized club this year. The purpose of this club is to create and maintain, throughout the school and among the students, a high scholastic record.

Membership of the club is determined upon grades. You must have a 3.0 average or better to be eligible for the club. The club is only open to Seniors, Juniors, and Sophomores.

The officers for the club are chosen on a different basis than other organizations. The President is the Senior with the highest average made during his Junior year; the Vice President is the Junior with the highest average made during his Sophomore year.

Although the club didn't have many activities this year because of the building construction, it is hoped that the ideals of the club will continue until better facilities are available for the carrying out of activities which might inspire good scholarship throughout the school.

The officers were: President, Virginia Flick; Vice President, Linda Miller; Secretary and Treasurer, Eileen Fisher; Reporter, Louie Deeter.

Girls' Athletic Association

The Girls' Athletic Association was composed of forty-three girls who were divided into two groups.

Our cabinet was made up of: President, Norma Vannoy; Vice President, Pat Hitchcock; Secretary and Treasurer, Virginia Lehmkuhl; Reporter, Deanne Gish; and Advisor, Miss Fern Frey.

The purpose of the G.A.A. Club is to help the girls become better sports and learn to work together as teams.

The G.A.A. has been handicapped this year because of the rebuilding of the gym, and have not been able to have quite so large a variety of sports as usual.

A few of the sports that were indulged in as a group were: hiking, swimming, and baseball. The girls also tallied up points for themselves by skating, bowling, or horseback riding.

The purpose of the club was carried out, even though they were handicapped.

Varsity "C" Club

This is the second year for the club in Covington High School and we have improved quite a bit since our first few meetings. We are better organized and plan things more fully.

The main purpose of the club is to eliminate class rivalry, to promote better fellowship and understanding among the boys of the upper four grades, etc. Favorable results of these aims and objectives have been proven on the field of action.

A varsity letter is required in any sport to get into the club. A candidate for membership pledges for six weeks, after which time the regular members vote for the acceptance of the candidate.

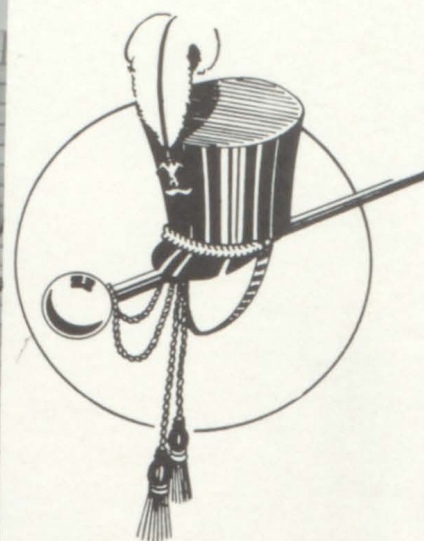

This year's officers are: President, Larry Via; Vice President, Louie Deeter; Secretary, Jim Finrock; Treasurer, Rodney Sampson; Sergeant-at-Arms, David Alexander. Our advisor is Mr. Wion.

Highlights of our activities consisted of a hayride in the fall, showing the films of the football games played the previous week, selling carry-all bags again this year, and a work-day in which everyone participated.

Senior Band

Hey, Mr. Director, what kind of a show are we doing next Friday at the football game . . . when can I challenge John for his chair in concert band . . . when are the contests . . . think we'll get another I at State Contest . . . where can we put on a home concert with the gym torn up . . .

Through the myriad details, this apparently frustrating mixture of confusion and chaos comes . . . music. Eighty high school musicians combine in a joint effort to achieve something worthwhile musically. In from the football wars, the first attempt at smooth music making them all wince a little . . . gotta keep working, it can be better, we know. Softer, Sousaphones . . . louder, cornets . . . you're out of tune, Mary . . . Faster, clarinets . . . is there an extra music stand . . . Metropolis is next on the rehearsal list . . . say, wasn't that a swell banquet the Band Parents gave the Band . . . wonder if we'll have a good audience at the next concert . . . And out of this comes . . . Music.

A startling parade of events . . . hustle, hurry, we can't let the football team down . . . have to do our share to put them in a winning mood . . . Bradford Pumpkin Show coming up . . . can we make first place for the third time straight . . . yes, that trophy looks as good as always . . . District Contest . . . if we make this one, on we go to the State Contest . . . County Fair . . . can't keep our eyes on the music and the acts at the same time . . . What? September already? Hey, Mr. Director, what kind of a show are we doing next Friday for the football game . . .

Junior and Senior Mixed Chorus

The Junior and Senior Mixed Chorus was composed of members of the tenth, eleventh, and twelfth grade classes. They met twice a week under the direction of Mrs. Faythe Limp and accompanist, Virginia Flick. Librarian and chairman of the point system for the chorus was Marilyn Nead. The point system is a means of earning a chorus award. Points were handed in at the end of each six-weeks grading period. Choir rehearsals, special performances, practice at home, solos or ensembles and ratings at District and State Contests made up the ways of acquiring points toward the awards. For 4,000 points, a G-clef was awarded and for 8,000 points a gold "note" pin.

On October twenty-fourth, the club performed for the P.T.A. meeting and on March twenty-fourth, they sang at the District chorus, band and orchestra contest.

In the latter part of the year, a girls' glee club was formed, consisting of members of this chorus.

First row: P. Tower, C. Johnston, F. Wise, J. Walker. Second row: C. Vogt, M. Stade, S. Rudy, N. Eidemiller, V. Lehmkuhl, M. Powell. Third row: R. Martin, C. Palsgrove, C. Alexander, P. Epperson, J. Eichelberger, V. Herron, I. Vannoy, J. Draving, C. Oldham, Mr. Haines.

The Freshman and Sophomore Chorus

The Freshman and Sophomore Chorus is a new organization this year, and is under the direction of Mr. Haines. The chorus is made up of freshman, sophomore, and a few senior girls. The chorus sang mostly A. Capella, which was a new experience to most of the girls. The chorus went to the District Contest in March.

A trio is the only ensemble in the chorus. The three girls in this trio are: Marilyn Stade, first soprano; Christine Vogt, second soprano and Ruby Martin, alto. These girls sang in the Minstrel last year, and have been singing at special school assemblies this year. They also entered the Solo and Ensemble Contest in the spring.

*League Games

Won—7 Lost—2

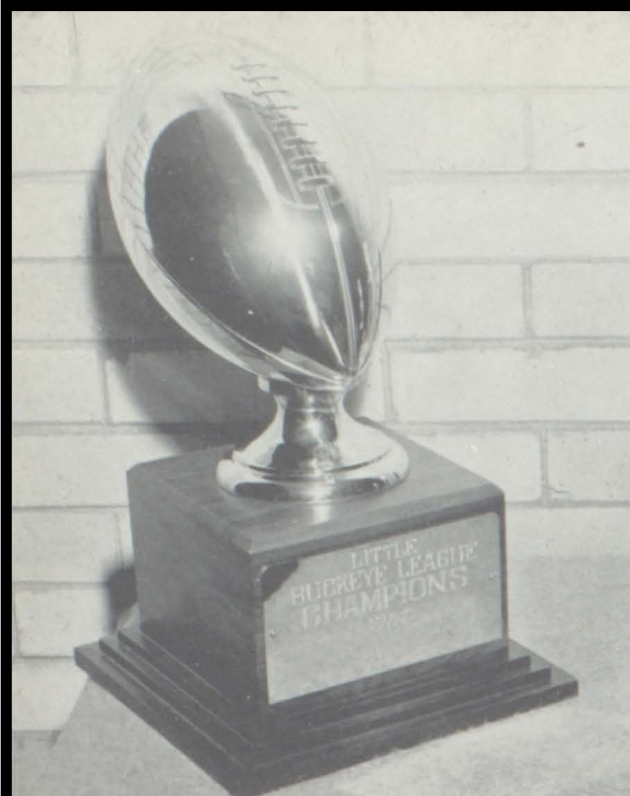

Last August 20th, forty-four boys reported to Coach Bob Wion and Assistant Coach Blair Irvin. Given only a 50-50 chance to win two games, these boys brought to practice with them, determination, team spirit, and coach-a-bility or the willingness to want to improve. Those three words are the working tools of a champion.

Using these tools, the mighty Buccs won the Little Buckeye League Championship, their first year in the league, scoring 80 points to their opponents 6 and placing 8 on the 22 man all league team. Those eight boys headed by co-captains Larry Via and Jim Finrock along with John Laughman, Lewis Deeter, Arlen Idle, Tom Robinson, Rodney Sampson, and Terry Longendelpher brought added fame to Covington by being honored on Lefty McFadden's TV Sports Show.

Among other accomplishments, the Buccs won the Traveling Trophy presented by the American Legion to the winner of the Bradford-Covington game; were honored at Hobart Arena on Champion of Champion's Day; gave to Covington its best won-lost record and first championship since 1952; and climaxed their great team efforts by having Coach Wion honored on Tom Blackburn's TV Show, as Coach of the Week.

Top row: B. Thompson, L. Slade, G. Carder, J. Sutton, K. Thompson, C. Spiller, G. Bader, H. Alexander, J. Chrisian, D. Sotzing, Coach Wion. Bottom row: F. Davis, B. Jacquemin, B. Yarian, M. Longendelpher, G. Bitner, T. Hand, A. Laudenslayer, B. Bitner, J. Shipley.

Buccaneer Basketball Team

The Buccs really showed their fighting will to win in completing an exceptionally victorious season. Tony Spillers set a new 880 yard record. He also won every mile race that he was entered in, until he was defeated in the state meet at Columbus. Covington had seven who qualified for the state meet.

The Buccs, despite bad weather spoiling practice and games, had a pretty fair season. Although they lost their first game in the District Baseball Tournament to Piqua, the boys proved their willingness and determination to win during the season. Since only three Seniors were lost this year, Coach Wion is looking forward to a brighter season next spring, than the two wins and four losses of this year.
