Covington Board of Education Completes and Dedicates New Facilities

Preliminary survey and study of the schools and the community upon which the Covington Board of Education based its decision to build additional facilities was started in the fall of 1953.

To the ag department was added additional facilities for experiments and projects, leaving the former ag room available for Mechanical Drawing. The Industrial Arts Department increased its woodworking and metal power equipment. The shop itself was cleaned and painted by the industrial arts boys. The music room was given ample space for storage of band uniforms and records. Also the new risers enabled the band and chorus to practice with greater ease. The new gym, one of the county's best, was equipped with a bigger stage, improved dressing rooms, new curtains, and roll-away bleachers, besides many other added attractions. Because the additional space and improved facilities provided by the gym, the Exempted Village, Parochial High School Basketball Tournament was held here.

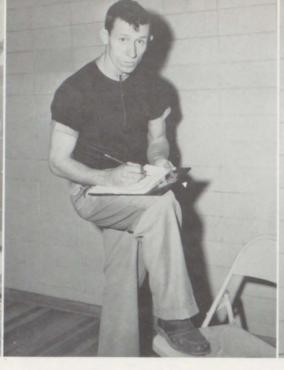

The new elementary building was built with many advantages such as its well-lighted classrooms, and efficiently equipped cafeteria, and a multi-purpose room and stage used for many activities.

Student Council Acts as Governing Body

Representatives from the upper four grades make up the Student Council. This non-profit organization serves as a legislature through which the students' problems and business is handled.

The annual projects undertaken this year were the magazine campaign, Homecoming, decorating the goal posts at home football games, the Red Cross and T. B. Spangle Drives, decorating the balcony for Christmas, and sponsoring dances in the gym during Thursdays' noon periods.

A new activity this year was polling the classes for their favorite songs and purchasing some of these records for the dances on Thursdays. Also a committee was formed to permanently distribute various money-making projects to the upper four classes.

The officers this year are: President, Terry Longendelpher; Vice President, Tony Chrowl; Secretary, Linda Miller; Treasurer, Sandy Yeamans; and Reporter, Bill Bentz.

First row: Dick Downing, Melvin Logendelpher, Bob Jacquemin, Ronnie Bashore, Bill Tucker, Don Emery, Jim Davis, Mr. Apwisch, Advisor. Second row: Terry Logendelpher, Keith Fletcher, Bill Bentz, Fritz Bader, Ivan Shawver, John Beener, David Ray, Rex Thompson, Julius Moreland.

Hi-Y Club Gains New Stature

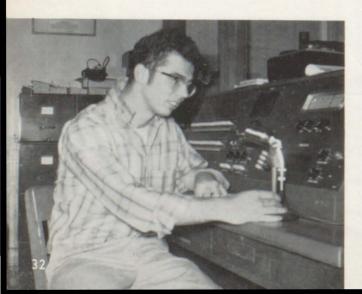

The Hi-Y Club got off to a good start this year in spite of a few problems. The main one was getting the large debts paid off that the Hi-Y Clubs of the last few years left.

In the last few years the Hi-Y Club almost died out. But this year things went better, and the future looks brighter. On September 12, the Hi-Y had their first meeting. On September 17 and 18, Terry Logendelpher, Fritz Bader, and Bill Bentz attended an officer's training course at Camp Kern. The purpose of the Camp was to help the Hi-Y and Tri-Hi-Y officers of this area learn what their duties as officers are.

An induction for new members held at the Church of the Bretheren, was on October 14.

The movie, MAKE WAY FOR YOUTH, was shown. Because the film was so well received, it was shown before the entire student body.

Leading the year's activities were Terry Logendelpher, President; Bill Bentz, Vice President; Keith Fletcher, Secretary; John Beener, Treasurer; and Fritz Bader, Chaplain.

Tri-Hi-Y Celebrates Tenth Anniversary

Some of the interesting programs presented this year were Mr. Irvin's talk on Voting, the program on Beauty Care of the Face, and a demonstration on Cake Decorating. Outstanding activities sponsored by the Tri-Hi-Y were the Parents' Banquet, a "Holiday Hop," the preparation of a Christmas basket for a needy family, and the Mothers' Tea in April.

The club also participated in the Youth and Government Program, with Sandra Yeamans and Irene Henry attending the Model Legislature in Columbus, and contributed to the World Service Project.

Through these many activities and programs, the Tri-Hi-Y was led by Linda Miller, President; Kay Thompson, Vice President; Sandra Yeamans, Secretary; Judy Bancroft, Treasurer; Virginia Nickel, Chaplain; Janet Idle, who kept the club scrapbook and was the photographer; and Miss Holfinger, Advisor of the club since it began.

F. H. A. Provides Variety in Homemaking Programs

The F.H.A. has eight purposes and each program is planned around one of them. Their first meeting was in September. It consisted of a wiener roast and a style show. The new members were inducted and were given ribbons with the F.H.A. symbol on them.

At the Christmas exchange, which was held in the school, Mrs. Beatty spoke on the importance of religion in the home.

The year's officers were President, Dixie Wise; Vice President, Shirley Via; Secretary, Fern Wise; Treasurer, Janet Hunt; County Officer, Eileen Fisher; Parliamentarian, Shirley Ely; Reporter, Pat Swob; Historian, Betty Barnhart; Recreation Leader, Linda Graham; Advisor, Miss Rothermel.

The Club sponsored a C.R.O.P. (Christian Rural Overseas Program) drive, and one trip was taken this year to Kansas City. The boys who took this trip were Roger Clark, Nelson Apple, and George Finfrock

G. A. A. Promotes Athletics for High School Girls

The G.A.A. this year had fifty-two members. The Freshman made up the greatest number of members of one class with twenty-three.

The girls participated in soccer and basketball, working to improve themselves. They took hikes and worked together in other outside sports to make their points. The club filled a Christmas basket with food and toys, and contributed it to a needy family. On February 16, the club held a Sweetheart Dance which was open to the student body.

In the past year, the girls have co-operated and worked together to make the club a successful and prosperous one.

Varsity "C" Lettermen Encourage Good Sportsmanship

The Varsity "C" Club is composed of the boys who have obtained a varsity letter in any major or minor sport at C.H.S., and who have pledged for a period of six weeks.

The purpose of this club is to create and maintain, throughout the school and community, a high standard of physical and educational morals among athletes.

The new members were officially inducted after football season, after basketball season, and again at the beginning of the next semester.

The club officers were: President, Rodney Sampson; Vice President, Bill Weldy; Secretary, Tony Chrowl; Treasurer, Doug Gragg.

The Varsity "C" wiener roast, held at Covington Park, was lively and full of fun. Entertainment was furnished by Mr. Wion, who played his guitar and sang with his wife. The refreshments were hot dogs and cider. This was just one of the various activities the club has participated in.

Covington Seniors Compete With Other County Seniors in State Test

On January 18, ninety seniors from Miami County met at Covington to take the State Senior Scholarship test. This test covers all fields of education, from Science to English Literature. The students were busy studying old copies of the tests from other years for several weeks prior to the test, which gave them some idea of what the test would be like.

As of this writing, none of the results of the tests were known.

Covington Students Again Compete in District-State Scholarship Tests

Students were selected to represent Covington in many subjects at the District-State Scholarship Tests. First, a preliminary test was given at the local school. Then, after more intensive study, the group traveled by bus to Miami University at Oxford, Ohio, to take the tests. Covington High was well represented by these students, with many of them receiving high honors.

This group is composed of charter members of the Scholarship Club, the purpose of which is to create and maintain, throughout the school and among the students, a high scholastic record. All students must have at least a 3.0 average to be eligible for membership.

Future Teachers of America Endeavor to Carry Out Six-Point Program

The purposes for the high school F.T.A. Club are: "To have a recruitment program for students interested in teaching, to present a program of orientation to teaching, to develop the beginning of professional attitudes, to set up a program of individual conferences for F.T.A. Club members for guid-

ance in pre-professional service and development, to give members an opportunity to work with children in situations where they may realize potential satisfaction in teaching, to act as a service club for the staff and students of the high school."

This year's officers were the first officers of the Covington F.T.A. Club to attend the Ohio State Conference for F.T.A. members. Those attending were: Janet Idle, President; Sandra Yeamans, Vice President; Pat Hitchcock, Secretary; Sue Downing, Treasurer; Pat Williams, Historian; and Kay Thompson, Reporter.

Chorus Reaches New Peak

All four grades were combined this year to make the first completely A Cappella Choir CH.S. has had in years. The first public appearance of the chorus was a performance given at the October 22 P.T.A. meeting. A concert was also given to the elementary

grades in December and this appearance was followed by a Mid-Winter concert on January 27. These were all received with enthusiasm. Spring brought contests and long practice sessions for the 19th Annual Minstrel.

C. H. S. Band Shows Competitive and Group Spirit . . .

Hey! Take a look at the new Music Room—and the Risers the Band Parents bought. Nice—eh? Let's hope we sound as good as the room looks. Got to keep the ball rolling—can't let up. Let's see—we've already made several appearances since last year at this time, with concerts and contests ahead. Remember when the trombone player fell off the risers? At least she could have hit the floor in rhythm. New instruments showing up right after Christmas—making the old ones look older, director breaking new baton the first time he used it. Something new and nice—an elegant-looking Drum Major with boots,

and an all-new trophy case, too. Watda' know, no one fainted on parade this year. Must be a hardy group. No more Western Ohio Band Festival, but we'll get together with Urbana's Band in May. Sounds like fun.

What a peculiar shade of purple on the solo cornetist's face when he goes for that high "B" flat. Shades of Tonto! Is that "William Tell" I hear issuing forth? The Lone Ranger never had it like this before.

Louder—softer—better—it takes teamwork and spirit, and we're in there trying! See you eighth period at Band!

First row: I. Henry, R. Martin. Second row: J. Fourman, C. Cissner, G. Fair, D. Nishwizt, J. Ely. Third row: S. Van Hise, C. Robinson, J. Wackler, P. Tower, G. Clark, D. Yarian, M. Tucker, C. Ingle, V. Nickel, B. Rhoades. Fourth row: G. Wilson, K. Thompson, J. Idle, L. Graham, L. Clouse, T. Carder, C. Palsgrove, M. Perrine, C. Alexander, G. Finfrock, A. Laudenslayer, C. Beckner.

Left: Bill Rhoades, Student Director. Center: Kay Thompson, Librarian, Right: Wesley Haines, Director.

Mr. Haines has been director of the C.H.S. band for the past five years. He has been with the orchestra one year and has had the chorus four out of five years. The band's splendid showing in its public performances is proof of the fine work Mr. Haines is doing.

A music librarian is in charge of issuing and supervising all band and choral music.

The student director is a person who is usually planning to continue on with music as a profession It gives the student director an opportunity to direct the band in public and relieves the director from minor details.

Trombone quartet at practice—Cecelia Alexander, Curt Beckner, Allen Laudenslayer, and George Finfrock.

Musical strains are produced by these C.H.S. Band members.

The new trophy case shows the music trophies to their best advantage.

Ruby Martin, Irene Henry, and Kay Nickel endeavor to improve their flute trio.

Complete concentration is reflected in the faces of these hard-working musicians.

Cornet Section puts in extra practice hours to improve their playing skill.

Marching Band Takes on New Look

This year saw a new addition to the Covington Marching Band—Curt Beckner, a high-stepping drum major. He was very ably supported by head majorette, Judy Ely, and the rest of the corps, Carole Robinson, Janet Idle, and Kathy Zimmerman. The whole group worked hard on various routines, and added greatly to the smart and colorful appearance of the band.

New Dance Corps Formed

The Highlanders, a dance corps, composed of twenty girls under the direction of Mrs. Virginia Miller, was formed in September 1956.

This group practiced each week and made their debut at the first home football game. The dance was a straight routine done to "The Sunny Side of the Street."

At the Homecoming game, the Highlanders performed with red and white flags, to the tune of "Sweet Sue."

"Way Down Yonder in New Orleans" led the dance corps through a high stepping kick routine at their third performance.

The waving of red and white Pompons was featured in the Highlander's last performance of the football season.

1956 Prom Flowers From "Younger Than Springtime Theme"

As we entered the ballroom, we walked under a trellis covered with pink rosebuds. The bandstand, beautifully decorated with balloons and artificial carnations, was the perfect background for the orchestra.

The banquet began with a welcoming speech by Terry Longendelpher, Junior Class President, and the acceptance speech by Jim Looker, Senior Class President. Then the Juniors presented a gift to Mr. Irvin which he acknowledged with a speech of appreciation.

After the banquet, we enjoyed dancing around the wishing well filled with colorful balloons and the rose entwined swings.

A Jam Session featuring Mr. Haines, John Rench, Riki Roberts, Gordon Wilson, and Bill Rhoades, was thoroughly enjoyed at intermission.

As we stood under the trellis taking one last glance at the ballroom, our mood was truly "Younger Than Springtime."

Mr. Irvin gives a speech of appreciation for his gift from the Juniors.

The guests relax between dances.

What memories come to the minds of Bob Fenner, Jim Looker, Louis Deeter, Tom Robinson, and Jim Finfrock as they gaze at "Farewell Seniors"?

The Wishing Well provides a gay setting for these lovely girls.

A dreamy tune, that one and only date, and the 1956 Prom add up to a perfect evening.

Pat Swob Crowned Homecoming Queen

Lovely Pat Swob, F.F.A. Candidate, was crowned 1956 Homecoming Queen October 19 at Smith Field, under a full Harvest Moon.

The Covington Buccaneers thundered to a sweeping victory over the Centerville team by a score of 32-0; thus setting the mood of joyous excitement that prevailed throughout the evening.

The queen and her court then reigned over the Homecoming Dance held in their honor in the multi-purpose room of the new elementary building.

Linda Miller and Sandy Yeamans, two Senior Candidates from the Homecoming Court, were escorted by Bill Rhoades and Bill Tucker.

Virginia Nickel and Dixie Wise, two more Senior Candidates from the Homecoming Court, were escorted by Ronnie Bashore and Maurice Henninger.

Student Council representative, Nancy Eidenmiller, crowns the Queen.

The Queen's court led the evening's dancing.

Homecoming Queen Pat Swob, escorted by Larry Slade, entering Smithfield.

Patty Williams and Janet Idle, two other Senior Candidates from the Homecoming Court, were escorted by Gordon Wilson and Bob Thompson.

Peggy Agee, Carolyn Johnston, and Judy Hill, Freshman, Sophomore, and Junior attendants. Escorted by John Buckingham, Dick Downing, Mickey Hill.

1956 Football Squad Performs on Gridiron

With graduation taking its toll, the season opened with the defending champions struggling to rebuild their squad. The season, a poor one from the won-lost column, can be considered a successful one from the rebuilding standpoint. The Buccs lost only one regular from this year's team, and should come back next year to return some of the bumps they absorbed this season, and once more be Little Buckeye League Champs. As it was this year, the Buccs won two and lost two in League play, beating the league champion, Germantown. It was the only league set-back for the Cardinals. The Buccs finished the season with two wins, six losses and one tie record. The schedule was:

Under Leadership of Coaches Robert Wion and Blair Irvin

Covington High is lucky to have the two football coaches: Bob Wion and Blair Irvin. They both work pretty hard trying to win football games. They sacrifice a lot of their spare time trying to figure out ways to improve the team. The coaches take a loss pretty hard because it reflects back to them. Also the coaches have done a lot for the team by having them go to the different churches each week as a group and by saying the Lord's Prayer together before each game.

Cheerleaders Boost the Buccs

Since the cheerleaders lost only one member last year, the team has improved the quality of their cheering. The enduring spirit of the cheerleaders has encouraged the football and basketball boys to do their best.

The girls pose in their football outfits.

Basketball Team Strives for Higher Standing

The Covington High School basketball team, composed entirely of underclassmen, went through a rebuilding year.

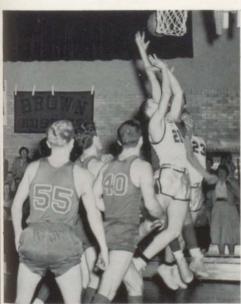

It was a long hard winter for Coach Irvin and the boys. The team at one stretch lost twelve straight games, but each week they came back fighting and seemed to be up for each game. With all the members of the '56-'57 squad returning, and some promising boys coming up from the reserves, and the junior high, the team can look to the years ahead for more favorable results.

Track Team Retains Major Championships

Covington High School's track squad again dominated the local scene in Class "B" circles. The squad distinguished itself by winning the Stillwater Valley League, the Little Buckeye League and the Covington Invitational track meets. In the S.V.L. the teams 880 yard, Larry Via and Jerry Young, and the Mile Relay teams, Bruce Tobias, Jerry Young, Terry Longendelpher, and Jim Looker, set new records. A new school record was set in the 880-yard relay in the state meet at Columbus where they finished third. The relay team composed of Rodney Sampson, Lewis Deeter, Jerry Young, and Arlen Idle were clocked in one minute and 36 seconds. They also participated in the Miami U., District, and State meets.

1956 Baseball Team Puts Forth Valiant Effort

Cold and wet weather were the biggest oppositions the Buccs had.

The team played a total of four out of the six games scheduled. They were: Miami Central at Covington in a game which saw Miami Central overtake the Buccs and win 9 to 8; Brown at Covington—Brown the winner 12 to 2; Versailles at Versailles—Covington went down to defeat 8 to 4; and Bradford at Covington—Bradford won in the last inning 9 to 8.

The graduation toll was heavy and, although the 1957 season looks like a lean one, it will be a profitable one from experience standpoint, as there will be only one Senior on the squad.
