Here it is—your '59 Buccaneer. Long hours have been spent to make it a book to be treasured. We have tried to depict the growth and progress of our community, Covington, Ohio, throughout these pages. We hope that we have succeeded in our efforts.

In this annual, we are recognizing our community for its support and interest in the school system throughout the years. We would like to express our appreciation to the people of Covington, who have, through their understanding, made our years in high school the happiest of our lives.

Rather than showing only the extracurricular activities of our school, as has been done in former years, we are including more of the curricular side of our high school life, through pictures of classroom activities.

We hope that you enjoy our yearbook as much as we have enjoyed publishing it.
One of the most picturesque villages in mid-western Ohio is Covington. In this quiet, restful town with beautiful tree-lined streets is a much-used park where children and grown-ups alike revel in the gaiety of late afternoon picnics and Sunday reunions.

Covington’s beauty is natural, for it is situated on the graceful Stillwater River. Several creeks drain into the river in the area.

This site was picked by the founders of the village, Daniel Wright and Jacob Ullery, who laid out 26 lots on the east side of the Stillwater in 1816. Two of the streets, which were laid out at that time, still carry the name after the founders.

Incorporated in 1835, the village population grew to 451 people by 1850, which is one-fifth of the 1950 population of 2,712. In 1869 West Covington, which is across the river southwest of the village, was laid out. This section has never been incorporated into the village of Covington.

Most of the early businesses in the Covington area consisted of quarries, mills, and tanneries. The area is underlaid with an excellent quality of limestone. Many buildings in the village today are stone. After cement and concrete blocks came into wider use, most of the quarries were abandoned.

Some of the chief industries are the Westerville Creamery, the largest, the Dayton Power and Light Company, which supplies the electricity for Covington's utilities, and the Miami County Dairy, which processes the milk from
the farmer into condensed milk, ice cream, and butter, as well as the different grades of milk. The dairy supplies the surrounding, as well as the local, communities.

Take thirty-three volunteer firemen, add four trucks, one emergency car, and a new fire house, and you come up with an efficient Covington Fire Department.

Facilities for a sanitary sewage system were installed in 1940 and enlarged in 1957. The present system has the capacity for five thousand users over and above the existing population.

City Council meetings take place in the Fire Department every two weeks. The council is the governing body of the village. Most affairs and problems of Covington are discussed and if needed, corrections are made for the betterment of the town.

Covington has many fine civic and service organizations, as well as one Catholic and five Protestant churches, to develop the social and religious outlook of the community.

And so, it is with genuine pleasure that we, the Senior Class of 1959, dedicate this book to the community of Covington, Ohio, whose cooperative, willing support is largely responsible for the smoothness with which our school operates.

Through the years, the people of our community have given freely of their time and efforts to aid the school.

When we leave our "school" world in the afternoon to go back into our own particular corners in the community, we agree that Covington is a fine place to live.
Alma Mater

Our strong band can ne'er be broken,
Formed in Covington High.

Far surpassing wealth unspoken,
Seal'd by friendship's tie.

Alma Mater, Alma Mater,
Deep graven on each heart.

Shall be found unwavering true,
When we from life shall part.

J. R. Clarke Public Library, where students find enjoyable and interesting reading material. The librarian is Miss Mary Babylon, who assists the students in their choice of books.

The cafeteria, located in the elementary building, serves approximately 600 high school and elementary students daily.
Covington Elementary School building was completed in 1956. It contains grades one through eight, and is competently supervised by Principal Richard McKinniss.
Several things were accomplished by the Board of Education this year. The area which had been covered by the old elementary building was blacktopped. Adult classes in typing, driver training, and industrial arts sponsored by the Board worked out well.

Working in conjunction with the Board and the Superintendent of Schools, the Citizens' Committee assists in the betterment of schools. Their first major project was to assist with the bond issue for the new elementary building and the addition to the high school building. At present, they are working on a curriculum study for the high school.

Any Board of Education has a great responsibility. They are elected by the people and must serve the community in a way that is best for the majority. Our school board has done an excellent job in representing the people of Covington.
Upper right: William Stubbs, Superintendent of Schools, is well steeped in Covington tradition. Possessing a deep understanding of high school students, he has a keen interest in their hopes, their problems, and their futures.

His secretary, Mrs. Hayes, smoothly and efficiently handles the functions of the office.

Above, Louis A. Apwisch, Principal of Covington High School, welcomes students to his office, where they find ready and willing help in study techniques, course planning, career planning, and personal problems.

Office secretary Mrs. Swigart possesses an air of friendliness and informality.

At left, Dianne Ingle and Sue Hayes talk over school problems with Principal Apwisch.

Autumn

Wild is the music of autuminal winds amongst the faded woods.

—Wordsworth
Freshman students in science are closely studying the functions of the heart with the aid of the bioscope.

Special attention is given to the development of plant and animal life by the biology students. An example of this is the aquarium.

Since the end of the second World War in 1954, the main problem facing American schools has been that of providing enough class rooms and teachers for schools. At present there seems to be a leveled peak in the numbers of pupils entering school each year.

Above, distillation of water is performed by the students of chemistry, while studying the changes of composition which materials undergo.

At right, height of mercury in a partial vacuum is being measured by metric system.

Above, in algebra, an advanced mathematical course, the students learn to solve problems by graphs and equations, using symbols in place of numbers.

Above, students of plane geometry memorize axioms and theorems and learn to apply them to problems relating to flat surfaces.
By careful planning, the Covington Board of Education has been able to meet the challenge. New buildings have been ready for the younger children as they entered school. A realistic salary schedule and personnel policy have kept the schools staffed with qualified teachers.

At the opening of school in 1958, 273 students were enrolled in grades nine through twelve. Considering only the present population, and not anticipating any annexations or influx to the district, at least 355 students will be in Covington High Schools in 1968 an increase of over 77 per cent.

Covington's comprehensive high school offers three types of course: college preparatory, general, and commercial. In addition, a range of vocational-technical courses are offered.

Below, Speech is the art of developing the communication of ideas, poise, and bodily response.

Below, thirty to forty per cent of our English words come from Latin, and so a study of Latin can greatly increase the student's vocabulary.

At right, English Literature gives an understanding of our basic English origin, language, ideals, and literature.

The students are acting out the assassination of Banquo, a scene from Macbeth.
Graduation requirements are so designed that any student must complete at least basic courses in science, mathematics, English, American history and civics. To fulfill the requirement that two subject areas must be pursued for two years, most graduates will have done some advanced work in science and mathematics. Many elective courses in industrial arts, home economics, foreign languages, business practices, are offered.

Every effort possible is made to guide students in their selection of subjects. Guidance is based on the abilities, interests, and future plans of each individual student.
STUDENT COUNCIL

Every week Student Council met in order to discuss the problems and affairs of Covington High School. The Council was made up of students from the freshman, sophomore, junior, and senior classes. These students serve as representatives from their classes and they acted as spokesmen on the council.

Programs were sponsored by the council, such as the annual Homecoming Dance, "Youth Forum," and "The Great Southwest." A Red Cross Drive was also conducted by the council.

Two first-run movies were made available to the students as a way for the council to raise money. Noon-time activities, to keep the students active, were held in the gym. Another payment on the school's intercom system was made by the council.

The work of Student Council was successfully carried out under the supervision of the advisors, Miss Fern Frey, and Mr. Ralph Allman. Council officers were: president, Carolyn Johnston; vice president, Jim Davis; secretary, Gail Deeter; treasurer, Mary Beatty.

Representatives Jim Davis and Mary Beatty perform their duty of cleaning the trophy case.

FRONT ROW: Bill Schultz, Doug Hamish, Tom Carder, Doug Murray, Jim Davis. SECOND ROW: Gail Deeter, Dianne Ingle, Carolyn Johnston, Carolyn Peters, Mary Beatty. Advisors: Miss Frey, Mr. Apwisch, Mr. Allmann.
Meetings After School...

TRI-HI-Y

A busy and successful year would describe the calendar of the Tri-Hi-Y Club of Covington High School in their eleventh year of activity. Such activities as giving dollars to World Service; making up a legislative bill and sending a representative to Columbus to participate in the Youth and Government Program; putting on Thanksgiving and Christmas programs; and taking part in the religious services for the student body, helped the club to uphold its standards.

New members were inducted into Tri-Hi-Y at the Congregational Christian Church in October, increasing the total membership of the club to fifty—the largest in the club's history.

Officers for Tri-Hi-Y were: president, Sue Hayes; vice president, Linda Feese; secretary, Dianne Ingle; treasurer, Carolyn Johnston; and chaplain, Mary Beatty; advisor, Miss Helen Holfinger.
Eighteen boys from the tenth, eleventh, and twelfth grades made up Covington's Hi-Y Club of 1958-1959.

Hi-Y officers attended a training camp at Camp Kern, where they prepared for the coming year by planning their future meetings. These officers were president, Jim Davis; vice president, Charles Nickel; secretary, Bruce Beener; treasurer, Jerry Eshelman; and Chaplain, Dick Downing. To keep the 18 members on the alert and interested in their club, a program consisting of speakers, discussions, panels, parties, and joint meetings with Tri-Hi-Y was scheduled.

In addition to their usual activities of taking part in the Model Legislature, which is a sub-division in the Youth and Government Program; helping with special Student Chapel services, such as the Easter and Christmas Services; and giving daily devotions over the intercom each morning, alternating weeks with Tri-Hi-Y, they had their annual World Service Benefit Basketball Game in December, with the proceedings going to World Service and club expenses.

Under the advisorship of Mr. Apwish, the Hi-Y Club projects were carried out competently and satisfactorily.
"Toward New Horizons" was the motto of the Covington Chapter of the Future Homemakers of America this year. Their theme, "Youth Grows Through F.H.A.," was the basis around which all programs were centered. Of special interest was the annual County Rally which was held in Covington in November. F.H.A., along with the F.F.A., held a Parents' Banquet in February, where ten girls received their Junior Degrees, which is the first degree to be earned in F.H.A. Also, the second degree to be acquired, the Chapter Degree, was worked for by six other girls.

A State Fair booth and demonstrations, selling pencils with the school fight song written on them, a skating party, and selling candy totaled the number of money-making projects for this year.

Miss Margaret Rothermel was the F.H.A. advisor and Karen Byers, the president.
F.F.A.

Covington Future Farmers of America elected new officers in March, 1958 for the school year 1958-59. They are as follows: Nelson Apple, president; Jim Rike, vice president; Bill Wirrig, secretary; George Finrock, treasurer; Larry Clouse, sentinel; John Spraunce, reporter; and Mr. Dwane Runyan, advisor.

The boys purchased a plow to use on the F.F.A. fields that they rented. Money received from the crops that they raised was used for various club activities.

F.F.A. officers competed in a district parliamentary procedure contest in Germantown, Ohio, where they won second place. Other contests included the District Land Judging, where they placed fourth, and State and District Livestock Judging.

A visit to Kansas City and the National F.H.A. convention started the year's activities. Boys taking part in the trip were: Roger Clark, Jim Rike, George Finrock, Dale Hunt, J. D.Mohler, Dale Ullery, Bruce Yarian, and Bill Zimmerman. Mr. and Mrs. Eugene Clark and Mr. Runyan were chaperons on the trip.

George Finrock is pictured above with his trophy, earned at Miami County Fair for the best swine shown.
KEY CLUB

Key Club, a service organization in Covington High School, is the junior branch of the Covington Kiwanis Club. Lending a hand in the Polio Drive and assisting in the Heart Fund Campaign were good deeds performed by the boys to help the community.

Jan Christian as president, Jim Cassel as vice president, Jerry Eshleman as secretary, and Gary Carder as treasurer, served as Key Club leaders.

The purchase of a station wagon for school use is a project of the future Kiwanians. As this is a plan to be carried on for a few years, definite projects cannot be stated.

With outside speakers often attending, meetings were held in the school cafeteria every Thursday. Pizza parties (the boys' favorite kind) sometimes took the place of regular meetings.

Key Club hopes to continue to be a service organization and to do its share of work in the community.
F.T.A.

As members of the Future Teachers of America, eleven students of Covington High School gained experience in the teaching field by acting as substitute teachers for the elementary grades.

Of the eleven, four of them served as officers—Mary Beatty, president; Sharon Thompson, vice president; Darlene Nishwitz, secretary-treasurer; and Bob Hartley, historian and reporter.

Meetings were planned to learn more about teaching and to help each of the students decide whether teaching would be a profession for them. Observations of the classes that they were interested in were necessary in noticing the procedures of the classrooms. By attending a Teaching Career Day at Wittenburg College in Springfield the "future teachers" learned more about what is expected from a school teacher.

Since 1948, when F.T.A. was organized, the club's advisor has been Mr. Apwisch. Covington's F.T.A. is affiliated with the State and the National Future Teachers of America Club.

Pictured above are this year's F.T.A. officers.
"Hey, where's my other shoe?" "Somebody shut that window!" "Gee, I hope we win our volleyball game." ... Those were some of the many statements that echoed forth from the girls' dressing room every Wednesday night after school. The girls making those statements were members of Covington's Girls' Athletic Association, usually shortened to "G.A.A."

In all, there were 45 girls in the club, but the large number made for a better understanding among the girls.

Good sportsmanship, sports know-how, and the ability to take part in sports were stressed by Miss Fern Frey, G.A.A. advisor.

A total of 150 points for each girl entitled her to an award. First awards are numerals; second, are emblems; third, are letters; and fourth, are a choice between a pin or a letter. Points were acquired by the members in hiking, biking, horseback riding, swimming, bowling, and attending 5/6 of the meetings.

At Christmastime, G.A.A. gave a Christmas Basket full of food to a needy family; and in the spring, it sponsored a "Sadie Hawkins" type dance. As a farewell tribute to the seniors leaving the club, a party was given for them by the rest of the girls.

Officers elected were: president, Cecelia Alexander; vice president, Gladys Orndorff; secretary, Carol Thompson; and treasurer, Sue Ferguson.
Who Made Them a Success...

FIRST ROW, left to right: Bill Bitner, Gary Carder, Fred Davis, Bob Jacquemin, Mr. Irvin, advisor; Melvin Longendelpher, Bob Hartley, Mike Cotrell, Jerry Shields. SECOND ROW: Doug Murray, Wayne Yarian, Tom Carder, Doug McRoy, Jack Manning, Steve Wells, George Yingst. THIRD ROW: Don Emery, Jan Christian, Jim Sampson, Phil Iddings, and Danny Cotrell.

VARSITY "C"

Since 1954, Varsity "C" has held its own in Covington High School; and proves to be a popular club in which boys are proud to belong. A letter earned in any sport and a six weeks' "initiation" period are the two qualifications needed to join.

Bob Jacquemin, president; Melvin Longendelpher, vice president; Fred Davis, secretary; and Bob Hartley, treasurer, make up the officers' staff of the club. Mr. Irvin serves as their advisor.

As a way of raising money for the athletic fund this year, the boys volunteered to help the Bucc Backers in any projects that they would undertake. On Mom's Night, Varsity "C" honored all football players' mothers by presenting white mums to them.

Good sportsmanship, a valuable asset to the lettermen, is the one factor that is stressed more than any other. As long as this goal is reached, the club proves its worthiness and will continue as a major organization in our school.

Varsity "C" officers are pictured below during a noon cabinet meeting.
Shown at left is C.H.S.'s coaching staff. Left to right they are line coach Frank Dunn, new head coach Blair Irvin, and assistant coach Ralph Banes.
At the right is pictured "Plug" Deeter, Covington High's Athletic Director.
Managers, left to right, are Carl Hahn, Dwaine Shawver, and Bruce Yarian.

Jerry Sutton attempts to block Centerville ball-carrier.

Team's in a huddle; coach lowered his head; they all got together and—well, we don't know exactly what they said, but we do know that The Lord's Prayer was repeated by everyone of those boys before they went out on the field; and we are pretty sure that words of encouragement were murmured to the players. Every game started out in this way, with the Buccaneers bringing in unexpected victories at six of them. The Buccs were defeated three times, but they gave only 70 points to their opponents during the whole season, while 226 points were added to their own record.

Because they lost 11 lettermen last year, the team was not expected to do so well; also, as the 1958 football season was Coach Irvin's first year as head coach, a program of rebuilding the team was expected.

Covington's Buccs surprised us all! They did a fine job under the supervision of Co-Captains Gary Carder and Bob Jacquemin. Assistant coaches, Mr. Dunn and Mr. Banes, added to the capable coaching staff.

FIRST ROW, left to right: Bob Jacquemin, Wayne Yarian, Gary Carder, Jerry Sutton, Jim Sampson. SECOND ROW: Doug Murray, Tom Idlings, Doug Creager, Bob Livingston. THIRD ROW: Ronnie Ruhl, Doug Idle, Dave Powell, John Blankenship, Mike Hart.
Four sets of brothers, one of them twins, played on the team. Gary and Tom Carder, Mike and Danny Cotrell, Phil and Tom Iddings, and the twins, Doug and Dave Murray, used the "family approach"; and who knows but what that didn't have something to do with their success?

Placing second in the Little Buckeye League, the team won't get a chance to try for first place in the coming years, as this year was their last in the league. Four of our boys who made the All-League Team were Gary Carder, left halfback; Bob Jacquemin, left end; Jim Sampson, left tackle; and Bob Hartley, linebacker. Two boys, Jerry Sutton and Larry Via, also received Honorable Mention.

This year's team was built around the freshmen and sophomores, who turned in a very impressive record for the Buccs. This factor will add a great deal to next year's results.
Miss Carolyn Johnston, nominated by the Varsity "C," reigned as Queen at the Homecoming Dance on October 17, 1958. She was escorted by Jerry Eshelman. Queen Carolyn's court was made up of five senior girls: Dianne Ingle, nominated by the Tri-Hi-Y, and escorted by Larry Robbins; Marty Windle, nominated by the Hi-Y, escorted by Dennis Clark; Linda Weldy, nominated by G.A.A., escorted by Jerry Drummond; Sue Hayes, nominated by F.F.A., escorted by Jim Davis; and Karen Byers, nominated by F.H.A., escorted by Dale Stump.

The candidates, riding atop three beautiful convertibles, followed the Covington High School band around town in a half-hour parade preceding the game.

At half time in the game, the “Highlanders” and the band formed a crown, through which the girls and their escorts walked, one by one, to the strains of "Allegheny Moon."
As the last girl came through the tunnel, Mary Beatty, representative of the Student Council, announced that Carolyn Johnston was the Homecoming Queen for 1958. Carolyn's escort then placed the crown on her head and a kiss on her lips. She was then presented a dozen red roses in behalf of the student body and the Athletic Association.

At the end of the game, the queen and her court led the way back to the high school, where the gym was decorated in red, white, and blue for the Homecoming Dance. The queen and her court danced the first dance with their escorts.

**Feminine Grace and Wisdom.**
Jaunty Twirlers Add to Band’s Appearance

Five high-stepping majorettes and one strutting drum major led the high school marching band down the fields at football games and down the streets for different parades. Don Emery, the drum major, Judy Ely, head majorette, and Charlotte Ingle, Kathy Zimmerman, Gail Fair, and Connie Cissner, the majorettes, composed the twirling, marching corps of Covington High School.

To prepare for football game half-time shows and their various marching routines, the majorettes and drum major attended Band Camp at Sabina for a week. As further preparation, our drum major traveled to Indiana for a week of training at Smith-Wabridge Camp.

Majorettes were elected by the band members while the drum major was appointed by the band director, Mr. Hillman.

Each year the girls design and make their own costumes, using black and white as the basic colors.
FIRST ROW: Linda Weldy, Captain. SECOND ROW, left to right: Pam Shields, Judy Kuhnle, Shiela Welbaum, Terry Peacock, Lavona Cissner, Sandra Leeper, Marilyn Smith, Keytha Carroll, Linda Frost. THIRD ROW, left to right: Karen Byers, Bonnie Catterlin, Cheryl Byers, Janet Barga, Janet Forsythe, Beverly Koeller, Della Mae Chappie, Peggy Powell, and Alice Schmidt.

"Highlanders" Swing Through Another Season

Covington High School's Dance Corps, the "Highlanders," led by Captain Linda Weldy, presented a brilliant array of color and talent at the football games during the 1958 season.

Adorned in Scottish kilts and boots, the troop of twenty-one girls performed a series of dances amidst the Covington High School Marching Band. Their Beautiful display of perfectly-timed dancing and marching was enjoyed by all who attended Covington's games.
Winter

Winter giveth the fields, and the trees so old, their beards of icicles and snow.

From 7:45 a.m. to 8:15 a.m., Wednesday morning, approximately 47 per cent of the students who live in the country step down from their buses in front of the building and enter the "doorway to education" along with the remaining 53 per cent of the students who, as they live in town, walk or provide their own transportation.

Eight twenty-five in the morning and everyone in their homerooms ... (Because of the large number of students in each class, the grades are divided into two homerooms per class). After roll-call, Mr. Sydor and Mr. Banes, the two freshman advisors; Mr. Deeter and Mrs. Sargent, sophomore advisors; and Mr. Beisner and Miss Holfinger, junior advisors; send their absence reports to the office along with the cafeteria count, which usually comprises about 32 per cent of the student body daily.

Eight thirty-five and time for first-period class ... Another day is off to a good start. As today is Wednesday, there will be a Student Council meeting. Representatives from each grade must report to the meeting during whichever period it is held. Two freshmen, two sophomores, and three juniors make up the underclass representatives.

At 11:25 a.m. lunch hour rolls around and the students leave the building for their meals.

Around 12:00 noon, students begin returning to the building; and until 12:25 p.m. when classes resume, they go to the gym where records are played for dancing or just listening.

Since forty-five minutes were allowed for each class this year, there were four periods before noon and four periods after noon. All goes well during the afternoon classes with a few students reporting to the Commercial room for detention after school at 3:15 p.m.

"The Whole Truth," a three-act comedy, presented by the Senior Class and directed by Mr. Stephan Sydor, was enacted on November 14, 1958, by the following people: Mr. Joseph Martin, David McMakin; Mrs. Joseph Martin, Carolyn Palsgrove; Johnny Martin, Melvin Longendelpher; Elizabeth Martin, Marty Windle; Helen Martin, Cecelia Alexander; Aunt Matilda Worth, Marilyn Ullery; Reverend Jacob Teasle, Dennie Clark; G. Whitford Mundorf, Dale Stump; Lucille Armitage, Sue Hayes; Tom de North, Gary Carder; Harriet, Linda Weldy; and Johnson, Jan Christian.

As the title suggests, "The Whole Truth" was based on Mrs. Martin's attempts to convert the household into an honest and truthful one. As the play progressed, Mr. Martin's pride took a beating when he had to ask for a loan from rich Aunt Mat, because he was going bankrupt; and, as it was the real servants' day off, the teen-age son and daughter had to act as servants in order to impress Mr. Mundorf, an important business associate who was to arrive. The sweethearts of Johnny and Elizabeth, the teen-age servants, happened to arrive upon the scene; an incident which caused quite a commotion and made the two quite angry. As the truth evolved, the sweethearts patched things up; Mr. Mundorf became very interested in Aunt Mat, who decided to loan Mr. Martin some of her money; and the Martins were once again able to live comfortably. Mrs. Martin decided that a "little white lie" or two wouldn't hurt anyone; and so peace was finally established.

JERRI MONTGOMERY
Covington High School's band, under the direction of Mr. Larry Hillman, participated in many outstanding events. During the summer of 1958, the band attended the Firemen's Convention at Franklin, Ohio, and won first-place honors. Another event of the summer provided the training needed to create a well-organized marching band.

Thanks to the Band Parents' Association, who sponsored a spaghetti supper to raise funds, the band was able to accept an invitation to travel to Kentucky in April. While on tour, they gave three concerts: two in Kentucky and one in Indiana. Marching in the four-mile-long Pegasus Parade in Louisville, Kentucky, added a special highlight to their trip.

Also, the band members were given half a day to tour Churchill Downs and watch the trial races for the famous Kentucky Derby.

Band Day at Miami University, Oxford, Ohio, enabled the band to participate in the half-time show of the Miami U. vs. Western Michigan U. game, along with many other high school bands.
An arrangement of colorful shows was presented by the band at all Covington football games. Two special shows during the season were of outstanding importance. One of these was the Homecoming Game, in which the formation of a crown was made for the Queen and her attendants to walk through; the other was a "Farewell to Seniors" show, which honored all senior band members. Mr. Hillman solemnly shook hands with them and then each senior girl was presented with a beautiful mum.

Spirit was added to home basketball games by the twelve-member Pep Band. Catchy tunes were harmonized by these musicians between halves of the games.

Positions in concert band were awarded to members as to how well they performed in their try-outs. Mr. Hillman and Mr. Ritter were the judges.

Each year a few members have the privilege of practicing band directorship. This year the student directors were Don Emery, David McMaken, and Allan Laudenslayer.
FIRST ROW, left to right: Wayne Yarian, manager; Dwaine Shawver, manager. SECOND ROW: Larry Via, Fred Davis, Gary Carder, Bob Hartley, Don Emery, Jan Christian, Mr. Frank Dunn, head coach; Denny Meyer, Mike Cotrell, Steve Wells, Bob Livingston, Bob Jacquemin, Tom Carder.

FIRST ROW, left to right: Larry Warner, Floyd Westfall, Gordon McMaken. SECOND ROW: Doug Idle, David Murray, Steve Emberton, John Holsinger, Danny Cotrell, Sam Bashore, Calvin Durham, Jerry Fessler, Tom Iddings, George Yingst, Doug Murray.
Thirty-five boys made up the Reserve and Varsity teams, with Mr. Blair Irvin as reserve coach and Mr. Frank Dunn as varsity coach. These boys exhibited a new and interesting pre-game routine in which they went through their maneuvers like practiced veterans. Appointing a different boy as captain each week was another new practice.

Maybe it sounds superstitious, but most games were won on Saturday nights, instead of the usual Friday nights. It might be wise to schedule all future games on Saturdays. Who knows?

Emerging as victors of the Holiday Tournament at Bradford, the boys carried home the trophy of which they are very proud.
Harmony! Ah, sweet music fills the air when the Covington High chorus students blend their voices into the various types of musical arrangements.

Performances were given at several different occasions; the chorus provided the entertainment for the P.T.A. meeting in November, and gave a Christmas Concert for the community at the United Presbyterian Church in December.

In the spring, the chorus presented a concert along with the band’s performance. They also took part in the District Chorus and Ensemble Contest in the spring.

Mr. Charles Ritter, a graduate of the University of Dayton, and in his first year at Covington, directed the chorus. During the second semester, Mr. Ritter was given a leave of absence because of illness; and Mr. Hillman, the band instructor, took charge of the group.
Spring

To the spring a young man's fancy lightly turns to thoughts of love.

Tennyson
On January 9, 1959, the Ohio General-Scholarship Test for Seniors was given at Covington High School. This test consisted of five parts: English, science, history, mathematics, and reading comprehension and vocabulary. Those from Covington who participated were Cecelia Alexander, Cynthia Van Hise, Marilyn Ullery, Mary Beatty, Dianne Ingle, Jim Drummond, Jerry Drummond, Jim Davis, Jerry Eshleman, David McMaken, and Jan Christian.

District-State Scholarship Tests, under the direction of the Ohio Scholarship Tests of the State Department of Education, were given in the latter part of the school year. The preliminary tests were given at Covington in April. The finals occurred on Saturday, May 2, at Miami University, Oxford, Ohio.

Primarily the objective of this test is the motivation of competent students to greater interest in scholastic achievement and to more intensive application to their subjects.
The Covington Buccaneers baseball team had a fair season. They hope to have a better one next year. The Buccs did not win enough games to go to the District Baseball Tournament.

Rex Thompson, catcher; Ralph Marshall, first baseman; Malcolm Perrine, right fielder; and George Bitner, shortstop; are the four seniors who will be leaving this year.

Pitcher Jan Christian in one of the two sports in which he excels.

Next year, the team must fill in the gap left by their graduation.

Coach Robert Wion, who has led the Buccs in victory and defeat for five years, is leaving at the end of this season. The team will greatly miss his understanding coaching.

Infielder Gary Carder enjoys participating in all sports.
On the afternoon of May 28, 1958, the entire student body went to Smith Field for the first Field Day held at Covington since 1951. It was planned by the Student Council to give the classes a chance to compete against each other and to aid in physical education.

Try-outs were held in the gym classes for both boys and girls. The girls' events included the baseball throw, 100-yard dash, high jump, 50-yard dash, basketball throw, 440-yard relay, broad jump, 220-yard dash, 220-yard relay. The boys' events consisted of the pole vault, shot-put, 100-yard dash, mile run, high jump, 880-yard dash, broad jump, 220-
yard dash and the mile relay. Each participant received one point, and extra points were given for placing first, second, or third in each event.

The classes competed against each other, the winner being the sophomore class. It was a close race from the start between the juniors and sophomores, but the sophomores eventually won on the basis of participation.

Sue Ferguson, junior, winning the girls' 220-yard relay. Other members of the junior team were Judy Ely, Judy Weaver, and Charlotte Ingle. The sophomore team came in second.

Blair Irvin, official scorekeeper, is shown presenting the Field Day Trophy to Jim Cassel, sophomore class president.

Cecelia Alexander (not shown), junior, won the girls' 220-yard dash. Shown in picture are Roberta Deeter, freshman, who came in second; Carolyn Johnston, junior, third place; and Lynn Purdy, freshman, fourth place.
Tom Carder passes the baton to Jack Manning during the mile relay. The other half of the relay team consisted of Mike Cottrell and George Yingst.

Bill Bentz, top left, about to release the discus. Bill broke the discus throw record by one foot and went on to break it again by 11 1/2 feet at the Invitational meet. Bob Hartley, top right, in his freshman year, broke the school shot-put record.

Running Events Weaker

Covington track team of 1958, coached by Blair Irvin, was stronger in the field events than in running events. This was a turnabout from past years. What they lacked in depth the boys made up with in determination to win.

Covington placed second at the Invitational track meet at Covington with 26 1/2 points, Ansonia winning with 31 1/2. Covington placed third at the Stillwater Valley League meet at Troy, and fifth at Little Buckeye League meet at Dayton.

Bill Bentz broke the school discus throw record at the Newton meet with 134 feet, 1 inch. The old record was 133 feet, 1 inch. Bill went on to break his own record, at the Invitational, with 145 feet, 2 1/2 inches.

The seniors who will be leaving this year are Bill Bentz, Hugh Alexander, and Rodney Sampson.

Gary Carder clears the high jump. Gary placed high in this event at most of the meets.

1958 TRACK SCHEDULE

May 17 ....................................... District
May 19 ....................................... Little Buckeye League
May 23-24 .................................... State
Dancers swirl gayly in the midst of red and white "Peppermint Prom" decorations.

"Peppermint Prom"...

Candy canes and angel hair welcomed the juniors and seniors to the "Peppermint Prom," which was the theme of the 1958 Junior-Senior Reception.

Junior Class President Melvin Longendelpher gave the welcoming address and presided over the banquet which preceded the dance. Speakers included William Stubbs, Superintendent of Schools; Louis Apwisch, Covington High School Principal; Blair Irvin, Junior Class Advisor; and Bill Bentz, Senior Class President. Guest were entertained further by the Senior Girls' Quartet's (Marilyn Stade, Sue Rudy, Phyllis Tower, and Linda Graham) rendition of "Graduation Day" and Linda Weldy's song, "Now Is the Hour." Reverend R. K. Higgins of the Church of the Brethren gave the benediction.

The banquet was prepared by the Junior Class mothers and served by the Junior Class fathers. The menu for the "Peppermint Party" consisted of Mint Julep (tomato juice), Chocolate Peppermint Patties (minute steaks), Mint Green Strips (green beans), Pillow Mints Under a Blanket (mashed potatoes and gravy), Gumdrop Cocktail (jello fruit salad), Peppermint Sticks (relish plate), Bon Bons (rolls), Butter Mints (butter), Blue Ice (milk), Chocolate Dip (coffee), Candy Canes (ice cream), and Floating Cloud (cake).

Later in the evening, dancers swirled gayly in the midst of the red and white crepe paper decorations. A large peppermint stick, pinwheel ceiling, balloons, romantic candlelight, and the magic of soft music made up the Peppermint Prom. Music was ably supplied by the "Blue Notes," a dance band from Troy, Ohio.

Time passed swiftly, and soon each went his way, carrying with him fond memories of the Peppermint Prom.
Speakers' table is shown at the right.

**Theme of Junior-Senior Reception**

**PROGRAM**

C — "Confections For Out Seniors"  
*The Cracker Jack Kid*  
(Melvin Longendelpher)

A — "A Bitter-Sweet Flavor"  
*A Chocolate Soldier*  
(William Stubbs)

N — "News From the Candy Kitchen"  
*The Nut Cracker*  
(Louis A. Apwisch)

D — "Dreams, Sugar-Coated"  
*Oh Henry*  
(Blair Irvin)

Y — "Ye Old Candy Shop of C.H.S."  
*The Gum Drop Kid*  
(Bill Bentz)

Juniors, seniors, and their dates dance around the peppermint stick to music furnished by the Blue Notes.

Seniors Rodney Sampson, Phyllis Tower, Irene Henry, and Bill Bentz reminisce as they gaze at "Farewell, Seniors" sign.
"Hilarity House" is about two teenage sisters, Kathi and Betts Jordan. When their rich uncle Jeff suddenly appeared one day, he was shocked by their manners and dress. Thinking he was doomed to die from heart disease any day, they agreed to his commands that they dress and act like what he considered "proper young ladies."

However, when he walked in on a jitterbug session that they were having with their boy friends, Wally O'Shane and Buzz Bassett, he got so mad that he changed his will in favor of the daughters of his old sweetheart, Dora Devine. He had recently seen Dora, now a widow, and invited her and her daughters, Dixie and Ruby, down for the weekend.

"Unky" departed for St. Louis to see a heart specialist and, while he was gone, a telegram from Dora came saying that she and her family could not come. Instantly, Kathi and Betts got the idea of dressing Wally and Buzz in girls' clothes and presenting them to Jeff as Dixie and Ruby.

When Jeff returned, Dixie shocked the daylights out of him and Ruby acted like a little brat. He finally told Kathi and Betts that he would change his will again. Everything was fine until Dora Devine made her appearance and Jeff found that her "girls" were really boys, Dixon and Reuben. The girls were disowned again! Jeff was about to marry Dora, but he found out they were gangsters who tried to rob him. He was rescued by Wally and Buzz, and everyone was forgiven.

You feel somewhat sad, at the end of four years, and wish you had studied harder, played less, and learned more. For you are the seniors ... you are the students ... you are among the fifty youths who have spent nine months taking notes, dancing at formals, losing sleep over coming exams, and cheering in the gymnasium. There is sadness here as in the outside world ... but the dejected student, and the defeated election-day candidate, thrill together as dear old C. H. S. makes a touchdown. This is living ...
Copy Editor Cynthia Van Hise, left below, served as Dianne's "right-hand man." Her job was to proofread all copy before it went into the copy sheets. Cynthia also helped with the layouts and caption headings.

Above, Dianne Ingle, Editor-in-Chief of the Buccaneer '59, has spent much of the time working on the layouts, making up the dummy, securing photographs, and meeting all the deadlines on time. To do all this, she consulted Mr. Ralph Allman, the advisor, in making her decisions. Mr. Allman has been yearbook advisor for the past four years. His patience in bearing with the staff every Monday and Thursday nights after school was greatly appreciated.

As Literary Editor, Marilyn Powell's task was to rewrite all material handed in to her before it was put into the copy sheets. Reporters, Marty Windle, activities; Mary Beatty, organizations; and Sue Hayes, curricular activities; gathered their information from the various sources and passed the material in to be rewritten.

At the left, Business Management Section, Charlotte Ingle, treasurer; Judy Ely, advertisements; and Sue Ferguson, subscription; found their jobs to be rather difficult and drawn out, but they worked right along. These girls also served as typists.
