Superintendent's Message

The Buccaneer for 1961 continues a Covington High School tradition. The annual staff and their advisor are to be commended for a fine publication that has required much time and effort.

A graphic presentation of the school year does much to interpret our school program to the community and records for us, in a mnemonic sense, the great heritage of a public school education which is the birthright of every American boy and girl.

Our congratulations and best wishes go with the members of the graduating class. We sincerely hope their success and well-being will exceed their fondest hopes and ambitions.

C. S. PHILLIPS, Superintendent
A Time for Guidance

Administration
Our Board of Education, which is elected by the citizens of the school district, has direct control over our school district. They elect teachers and other officers, and adopt policies or programs for the school. The superintendent is given extensive authority in the matters related to school management.

Regular meetings of the board are held the second Monday of each calendar month. These meetings are opened to the public. If a special meeting is needed, the president, clerk, or any two members, can call a meeting by serving a written notice of the time and place of the meeting upon each member at least two days prior to the date of such meeting. The notice must be signed by the official or members calling the special meeting.
Mr. Phillips, new to the Covington school system this year, has had to spend most of his time learning to know the faculty, students, and familiarizing himself with previous policies and the formulating of new ones for the present school year.

Mrs. Hayes, very ably performs her duties as clerk of the Board of Education and as secretary to the superintendent.

Administration

Mrs. Sweigart, competently performs her duties as secretary to Mr. Apwisch.

Mr. Apwisch—always ready to lend a helping hand to students in choosing and planning their courses and vocations.

CURRICULUM

Time changes many things around a school. We have added four new members to our high school faculty. Mr. Kenneth Murphy, a very capable teacher, instructs shop; while Mrs. Donna Kay Dewey teaches girls' Physical Education. Science and biology is taught by Mr. Richard Lyons; while his wife, Mrs. Norma Lyons, teaches vocal music in both the high school and elementary school.

We have two new elective subjects added to our curriculum. A course in Advanced Science has been added to the Science Department. Its duration is one semester, with Mr. James Beisner as the instructor. Drama Class, a new subject in our English Department, is skillfully taught by Mr. Harry Howarth.

We also have some new equipment around our school. Through the activity Fund, we have been supplied with the following: a long-carriaged typewriter for cutting stencils, two 750-watt opaque projectors, two speakers, and two crystal microphones to be used in the gym for better acoustics. The Board of Education purchased a portable demonstration table for the commercial department. The Board has also purchased testing materials—the California Mental Maturity test, for Sophomores. All in all we have had a very prosperous and profitable school year.

**TRI-HI-Y**

Tri-Hi-Y under the leadership of its officers: Linn Purdy, president; Linda Bitner, vice president; Sandra Van Hise, secretary; Jeannie Rudy, treasurer; Edna Beatty, chaplain, had a very busy year.

Several projects undertaken by the club this year were: a mothers’ tea, parents’ banquet, a Christmas basket for a needy family, visiting a Greek Orthodox Church, selling adult memberships, and giving morning devotions for the student body. Many of the projects were carried jointly by Tri-Hi-Y and Hi-Y club.
HI-Y

When the members of Hi-Y heard their president, Mike Vogt, give four raps on the gavel, they knew it was time for the meeting to start. Devotions, conducted by chaplain Ted Powell, opened the meeting; minutes were read by secretary, John Mutzner; after which, Larry Henry gave the treasurer’s report. Upon completion of the club’s business, the meeting was turned over to vice president Jerry Fessler, for the evening’s program.

Projects carried out jointly by Hi-Y and Tri-Hi-Y were: morning devotions, a parents’ banquet, and the selling of adult memberships.

Any problems arising during meetings were referred to Mr. Harry Howarth, the club’s advisor.

President Mike Vogt, looks over the agenda for the next meeting.

Raising Money...

F.F.A.

Highlighting the F.F.A. activities this year was the District Parliamentary Procedure contest held at Pleasant Hill, Ohio, in which they received a gold rating.

Other activities included: district and state land judging, crop identification, and an F.F.A. basketball team.

Two projects undertaken by the club were: a Christmas basket for a needy family, which included fruit, vegetables, and canned goods; and a farming program of 24 acres, was used to raise money for the club.

Club officers were: Dale Hunt, president; J. D. Mohler, vice president; Dale Ullery, secretary; Jerry Taylor, treasurer; Bill Schultz, sentinel; and Bruce Yarian, treasurer. Mr. Dwane Runyan was the club's advisor.
FUTURE HOMEMAKERS OF AMERICA

"Teenagers today—Homemakers tomorrow" was the theme chosen by the F.H.A. chapter as a goal, towards which they would strive through their work and activities of the current year. Pizza parties, wiener roasts, hayrides, and Christmas caroling made the meetings, held the second Monday of each month, more interesting and fun. Members have taken many parts in state and county F.H.A. meetings during the year.

Money was raised to apply on the state project, "Helping friends of Lebanon," by selling candy and cake to the student body prior to five holidays.

These activities were made possible by the club's advisor, Miss Margaret Rothermel, and its officers: Sharon Sink, president; Bonnie Wise, vice president; Esther Chappie, secretary; Marilyn Smith, treasurer.

VARSITY “C”

Varsity “C” did very well this year under the leadership of advisors Blair Irvin and Frank Dunn. Meetings, held at president Doug Murray’s home, consisted of short business meetings followed by discussions of current sports events and sports figures.

Varsity “C” grew by nine boys this year. Eligibility to become a member of this club is gained by earning a letter in a high school sport and by pledging for six weeks. The pledges are initiated into the club. Pledges were: John Holsinger, Jerry Fessler, Larry McKenzie, John Galley, Dennis McMaken, Kenny Enz, Mike Hudson, Warren Smith, and Larry Warner.

Ten dollars was contributed toward a new trophy case.

A social event enjoyed by the members and pledges was a hayride, followed by a wiener roast.

Varsity “C” officers: Doug Murray, president; Bob Hartley, vice president; Steve Wells, secretary; Danny Cotrell, treasurer.
FUTURE TEACHERS OF AMERICA

Learning about the opportunities in teaching, to cultivate the qualities essential to a good teacher, to help each member decide whether he or she should become a teacher, and to work with children, are some of the purposes of the Future Teachers of America Club. To obtain these goals, Future Teacher members substituted for teachers and attended teachers' conferences at Wittenburg College.

Members serving as officers were: Virginia Apple, president; Pat Rudy, vice president; Bonnie Wise, secretary; Roger Knutsen, treasurer. The club's advisor is Mr. Louis Apwisch.

G.A.A.

Are you a girl who likes to play basketball, baseball, soccer, badminton, and volleyball? If so, you belong in G.A.A.

New to the club's activities this year was the starting of a bowling league consisting of four teams of three girls each. Many enjoyable hours were had from the league, and it is hoped that the league will continue next year.

G.A.A. girls prepared a Christmas basket for a needy family in the community. Some items included were: meat, vegetables, can goods, and toys.

Other activities included hikes, a turn-about dance, a chili supper, and a wiener roast.

Mrs. Donna Kay Dewey, who is also the girls' physical education teacher, is the new club advisor. Club officers were: Jo Anne Moreland, president; Charlotte Orndorff, vice president; Susan Crawford, secretary; Nancy Oakes, treasurer.
KEY CLUB

Key Club had a very prosperous year under the leadership of the following officers: Jay Wackler, president; Bill Schultz, vice president; Dale Hunt, secretary; Raymond Sholley, treasurer; and Mr. Larry Hillman, advisor.

Money was raised by sponsoring the Snowball Dance, which is becoming an annual affair; selling cushions, which contain the Covington High School buccaneer insignia on the front. These cushions are good for use at the football games, picnics, or for any other activities one might think of where sitting is involved.
Mr. Beisner explains the effects of heat of vaporization to several members of the Science Club.

SCIENCE CLUB

Don't get too alarmed if you get a whiff of some strange smell coming out of the chemistry room. It's probably one of the members of Science Club working on his project for the science fair held each spring. If you were to attend one of their meetings, you might find them listening to a lecturer or viewing a movie on the various fields of science. On all possible occasions, they attend science exhibits at nearby schools and colleges.

These activities are made possible to the members by the club's advisor, Mr. James Beisner, and its officers: John Mutzner, president; Virginia Apple, vice president; Barbara Powell, secretary; Nancy Stump, treasurer.

NEWSPAPER STAFF

What can be accomplished with twenty-eight people and a dozen typewriters?

Under the leadership of Virginia Apple, you have a well-oiled machine called the Buccanews Newspaper Staff.

These twenty-eight gather in Room 21 every Tuesday after school to hand in their news, stories, and features concerning the events of Covington High. This information is compiled and published in the “Buccanews” every month.

Teachers, students, and parents alike enjoy reading it.

STUDENT COUNCIL

Directing student activities is the main responsibility of Student Council. Under the leadership of its officers Roberta Deeter, president; Dale Hunt, vice president; Charlotte Orndorff, secretary; Tonia Goble, treasurer; the Council carried out its responsibility with ease and facility.

Some activities set up by the Council for student enjoyment were: a schedule of activities for the noon hour; movies for the students at Christmas and Easter; the annual Homecoming Dance.

As a way of raising money for payment on the inter-communication system and other projects carried out by the Council, they sold book covers with the Covington High School insignia "Buccaneer" on the front; also the placement of paper and pencil machines throughout the school.

New to Covington High School's organizations was the Drama Club, organized by Mr. Harry Howarth. The club has had a successful year of activities. Presenting the play "The Glass Slipper" and participating in one-act play competitions were among the events which highlighted the club's activities this year.

The club has twenty-six members, four of which serve as officers; president, Warren Smith, vice president, Jo Anne Moreland; secretary, Barbara Powell; treasurer, Jay D. Wackler.

COVINGTON HIGH SCHOOL CONCERT BAND

Covington High School Marching Band was led down the football field for half-time entertainment by: drum major, Jay Wackler; head majorette, Karen Ingle; majorettes, Jane Ann Hartly, and Sandy Hayes. Two outstanding half-time shows by the band were presented at the Homecoming Game, and the Senior Farewell.

Some major events the band participated in were: Firemen's Convention at Union City, Indiana, in which 1st place honors were received; Bradford Pumpkin Show at Bradford, Ohio, which again 1st place honors were received; and the participating at Miami Band Day, Oxford, Ohio.

To prepare for the year's events, band members spent a week at band camp at Sabina, Ohio. During the week marching was drilled, music was practiced and the recreational facilities of the camp were enjoyed. As further preparation, Jay Wackler, drum major, and Karen Ingle, head majorette, went to Smith-Wabridge Camp in Indiana for a week of training.

Try-outs for positions in concert band required a lot of hard work and long hours of practice. Several concerts were given by the band this year.

The band's fine performances this year made its director, Mr. Larry Hillman, very proud.

Giving concerts and participating in choral contests kept the chorus busy. Two concerts given were: the Christmas Program with the Hi-Y and Tri-Hi-Y Clubs, and a Spring concert in March.

SCHOLARSHIP TEAM

Preliminary District Scholarship Tests, given March 29, were stepping stones to the Scholarship Team and the Final District State Scholarship Tests, given May 6, at Piqua. To become eligible for the Scholarship Team one had to rank first or second in the preliminary tests in the particular category in which he was tested. Test categories consisted of the following: English, history, science, mathematics, language, and bookkeeping. Twenty-nine students were on the team this year and participated in the final tests given at Piqua.

Members of the scholarship team who placed in the District or the State were Connie Schmidt, Cordelia Stephens, Susan Crawford, Susan Deeter, Carol Schultz, and Denny Meyer.
NATIONAL HONOR SOCIETY

New this year is the Covington Chapter of the National Honor Society of Secondary Schools. Students maintaining a B average or better in scholarship are admitted to candidacy for membership. Eligibility is then considered as to service, leadership, and character by the faculty members of the school.

There are three classes of membership classified as to grade level—probationary, sophomore; active, junior and senior; graduate is for those after graduation from high school.

Committee members drafting the new constitution for the club were Miss Frey, Miss Holfinger, Mr. Lyons and Mr. Beisner.

QUILL AND SCROLL

Quill and Scroll, the International Honorary Society for High School Journalists, was organized April 10, 1926, by a group of high school advisors for the purpose of encouraging and rewarding individual achievement in journalism and allied fields.

In its second year at Covington High it has a total of eight members. Four members were inducted into the Covington chapter this year. New members were Barbara Powell, Judy Barga, Virginia Apple, and Jane Smith.

Homecoming Queen
"Here are the girls we all adore, 
Come on, folks; let's give a roar."

This is the cheer that was heard at the pep rally for the five candidates for Homecoming Queen, on October 14.

These girls were nominated by various clubs of Covington High School; and all the students voted, on the day of the game, for the girl they wanted to be queen.

That night, at the half-time of the football game, these girls were presented to the audience at Smith Field. They were: Roberta Deeter, nominated by Key Club, escorted by Steve Niblick; Sandra Van...
Hise, nominated by Tri-Hi-Y, escorted by Mike Williams; Marilyn Wackler, nominated by Varsity "C," escorted by Ronnie Yount; Virginia Apple, nominated by F.F.A., escorted by Dave Nishwitz; and Carol Thompson, nominated by G.A.A., escorted by Denny Pennington.

Roberta Deeter was crowned queen, and she reigned over the dance held in her honor after the game. Music for the dance was provided by Mel Haney and the "Saints," which made the dance a pleasant and memorable occasion for all in attendance.

The attendants and their escorts look on as Queen Roberta enters the gaily decorated gym.

Have you ever entered an enchanted land of make-believe? This is what many juniors and seniors did on the evening of the Junior-Senior Banquet and Prom. At six-thirty they entered this make-believe land, "PARADISE OF THE DEEP," by attending the banquet. Here the tables were decorated with fish nets, and lanterns, and other items which lent to the nautical air. The seniors were entertained by a skit and several other performances presented by various members of the junior class.

Following this was the dance in the high school gym, the entrance of which was decorated in the form of a wharf, a step above a make-believe ocean. The theme was carried out with crepe paper of royal blue and white, the senior class colors, and a huge clam lay in the middle of the ocean. The dancers floated around the floor to the music of Donn Smith and his orchestra.

At twelve o'clock, when most Cinderellas turn again into lowly peasants, the Cinderellas of the Covington junior and senior classes attended a movie at the Shines Theater in Piqua where they saw one of the latest hit films, "All Hands on Deck," starring Pat Boone and Buddy Hacket. At three-thirty all journeyed back to Covington where they ate a wholesome breakfast furnished by the junior mothers.

Graduation,

Looking back on the most happy years of their lives and marching forward into the future, the seniors of '61 proceeded through the candle-light arch formed by the juniors. This began the commencement exercises on May 25. Invocation was given by Reverend William Gray. Mr. C. S. Phillips, superintendent, introduced the program which was then presented by the graduating class.

Janice Gaver played an organ solo entitled "The Lord's Prayer." The salutatorian address, "Youth Answers the Challenge," was given by Barbara Powell.

Four senior boys, John Mutzner, Michael Vogt, Dennis Lavy, and Jay Wackler, played a number called "The Rushin' Trumpeters." Denny Meyer then gave his valedictorian address entitled "What School Means to Me."

Barbara Powell played an accordion solo "Lady of Spain." "Down Thro' the Years" was sung by Jean Rudy, Linn Purdy, Marilyn Wackler, Carol Thompson, Sandra Van Hise, Roberta Deeter, Terry Peacock, Monica Moreland, and Phyllis Miller. "Retrospections" was the title of the class history presented by Marilyn Wackler.

"You'll Never Walk Alone," was sung by the entire class. After this Mr. L. A. Apwisch, principal, presented the class; and issued awards to many outstanding members of the class.

Then came the long awaited moment—the presentation of the diplomas.

After the class sang the "Alma Mater," Reverend William Gray gave benediction.

White rosebuds, the class flower, were then presented to each member of the class as they marched from the stage.

Fight—Team—Fight! This they did. Right through a season undefeated. The 1960 Football squad carried a victory banner in every game of their schedule. The Buccaneers were voted Class A state champions by the U. P. and the A.P. press polls.

What's behind a championship team? Covington had the perfect ingredients—teamwork and coaching. Coupled with unusual ability and a desire to win, the team performed plays with a magic touch that couldn't be stopped. In addition to this magic teamwork, the constant encouragement and inspired coaching of Mr. Irvin seemed to raise the players above the ordinary. Defensively and offensively, varsity and reserve, the team acted as a single unit with one objective—to win the game. This spirit allowed the Buccs to score 564 points against their opponents' 27.

Captures State Class A Laurels

Varsity team members who are leaving this year are: Bob Hartley, picked by Chick Harley, J.C.C., Columbus, Ohio and A. P. for first string football team in the state; Doug Murray, who received honorable mention by A.P.; Steve Wells, chosen for second team by A.P.; Danny Cotrell, received First team Class A honors by A.P. and third team by U.P.; George Yingst received honorable mention by A.P.; Mike Hart and Tom Fenner.

Tom Iddings, a junior, gained honorable mention honors by A.P.

These champion players will be missed, but their places will be taken by well trained and experienced reserves, who also performed with the confidence acquired from the example of the varsity.

This year’s team was a record breaking team. They scored the most points against their opponents and had the least scored against them.

VARSITY BASKETBALL TEAM

V-I-C-T-O-R-Y . . . That is the cry that was heard by the Covington Buccaneer Basketball spectators. For the first time in sixteen years, the Buccs won the Stillwater Valley League Championship Title. Winning the championship entitled the Buccs to possession of the Piqua Daily Call Traveling Trophy, as well as the 1 league trophy.

Seniors Steve Wells and Bob Hartley, and junior Jerry Fessler, gained honors on the All-League Team.

Under the fine coaching of Mr. Frank Dunn, the boys attained a 10-6 record for the season.

The reserve team had a successful season, attaining a record of 8 wins and 4 losses. High scorers for the year were freshmen, Tom Kimmel, forward; and Gene Laughman, guard. Other members of the first string were center, Carl Angle; forward, John Lyle; and guard, Dennis McMaken.

Under the fine coaching of Mr. Irvin, the boys showed a great potential in forming next year's "Varsity" team.

FRESHMAN BASKETBALL TEAM

This year's Freshman Basketball team was truly one that Covington can be proud of. Although it was not a winning season for the Freshman Buccs, it held many valuable lessons in sportsmanship and team work. The value of these experiences, we hope, will prove to produce a winning Varsity in the future.

The regular starters on this year's team were Barry Beener, Terry Byers, Bud Jergans, David Wimmer, and Ed Musser.
The Covington Buccaneers had a successful 1960-61 school year as far as sports were concerned. They won honors in football, cross-country, basketball, baseball, and now track.

As a result of everyday practice and Coach Irvin’s words of encouragement, the boys won the Covington Invitational Track Meet; the Stillwater Valley League Championship; and the District Class A Meet at Springfield, Ohio. Bob Hartley won the State Class A discus throw with a toss of 166 feet 9 inches.

There were also a few new records set this year by the Covington Buccs. They were: 440 Relay, 46.5 seconds, Steve Wells, Doug Murray, Warren Smith, Roger Looker; 880 Relay, 1:34.4 minutes, Steve Wells, Doug Murray, Warren Smith, Roger Looker; Mile Relay, 3:37.7 minutes, Gordon McMaken, Doug Murray, Warren Smith, Steve Wells; Discus, 166' 9", Bob Hartley; Pole Vault, 11', Larry McKenzie; 120 yd. Hurdle, 17 seconds, Jerry Fessler.
Bob Hartley throws the discus to make a new record of 166 feet 9 inches.

Members of the cross-country team have regular meets where they compete with other teams by running two-mile courses. This year’s team established the following record; they won eight meets, tied three, and lost two. They placed second in the Lowell Thomas meet, and third in the State AAU Meet. Outstanding runners for the cross-country team were Roger Stump, Roger Knutsen, and Tom Burelison.
FIRST ROW, Left to Right: Larry Harshbarger, Bud Weer, Roger Stump, Jim Ruhl, Richard Etter. SECOND ROW: Dave Burch, Mike Miller, Mike Hudson, Gary Maiers, Danny Cotrell, Jerry Taylor. THIRD ROW: Mr. Dunn, Terry Byers, Larry Wise, Gordon McMaken, Denny Meyer, Steve Wells, Dennis McMaken, John Galley, Tim Hudson.

Terry Byers prepares for a “grand slam” at a Bucc ball practice.

BASEBALL TEAM

“Play Ball,” is the familiar call of the umpire which rings in our ears. On the mound, the pitcher receives his signal from the catcher. There’s the wind-up, the pitch, a called strike, and the 1960-61 baseball season was underway for the Covington Buccaneer Baseball Team.

A record of six wins and six losses was attained by the Buccs. Eleven of the forty runs, which were made in twelve games, were made by Roger Stump while Denny Meyer made an average of one run per game. Five seniors, two juniors, seven sophomores, and five freshmen composed the 1960-61 squad.

Mr. Dunn gives the Buccs last minute instructions before the game with Dixie.

We're Finally Finished –

a Tired but Happy Group

We've finally typed that last copy sheet.

Yearbook staff relaxing after final copy has been sent in. Left to right: Advisor, Mr. Allman; Nancy Stump, Connie Schmidt, Mary Ann Thompson, Judy Barga, Sue Chaney. Seated below them are Tonia Goble, and Barbara Powell.

Now is the hour. We have done our best in getting together the information for this book. We have made mistakes, but we have profited from them. And every time we open this book, we will be back in good old C.H.S. This is the reward for all the hours we have spent, and now we can sit back and enjoy it. Share the enjoyment with us each time you look through your '61 Buccaneer.
