The Buccaneer 1964

What Does It Take to
Make a Buccaneer?

Covington High School

Covington, Ohio
Volume XVII

Foreword

I would like to take this opportunity, on behalf of the yearbook staff and myself, to say "thank you" to Mrs. Elizabeth Snell, Mrs. Laura Etter, and Miss Dorothy Sparks for consenting to be our yearbook advisors. Without their patience, guidance, and ability, this 1964 yearbook would not have been possible.

Also, I wish to thank the many merchants and businessmen who gave their advertising and support to our yearbook.

I am most grateful to the yearbook staff members, whose hard work and cooperation have made this Buccaneer one to be remembered and enjoyed by all.

Editor
Marilee Carder

In view of the fact that we knew little or nothing about the task for which we had offered our services, we are doubly appreciative of the full time, part time, or any old time help which we have been given by those who were willing to work in order to have a yearbook for 1964.

What does it take to make a Buccaneer? He is the sum total of all his experiences. A Buccaneer is influenced by his parents, community, teachers, and friends. All these will help to mold his character as he matures. Various fields may be chosen at the end of his high school career and he is then ready to face the future as an able citizen. So "Go, Buccaneers, go, whatever path you take!"

Dedication

Buccaneers need friends to give proper dimension to our lives - memories of friends who surround us now and memories of friends in the past.

Lois Hunt was such a friend to the class of '64. It is with deep reverence we dedicate this book to her.

Dedication

It takes beautiful and pleasant memories to make a good Buccaneer. So it is with honor we dedicate this yearbook to Lois Arendall, who for many years was a capable and devoted teacher, helping to guide us through the elementary grades.

It Takes Able and Efficient Administrators.

Our best wishes go to each member of the Graduating Class of 1964. They have achieved a significant success that will assist them in seeking higher educational and vocational goals. We also commend the Class of 1964 for the leadership provided in the publication of this yearbook which is an outstanding service to both our school and community.

C. S. Phillips, Superintendent

As years come and go, it becomes a great pleasure for those who cherish their high school days to reminisce. Your high school annual provides the means for each of you to relive those wonderful and enjoyable experiences had while a student at Covington High School.

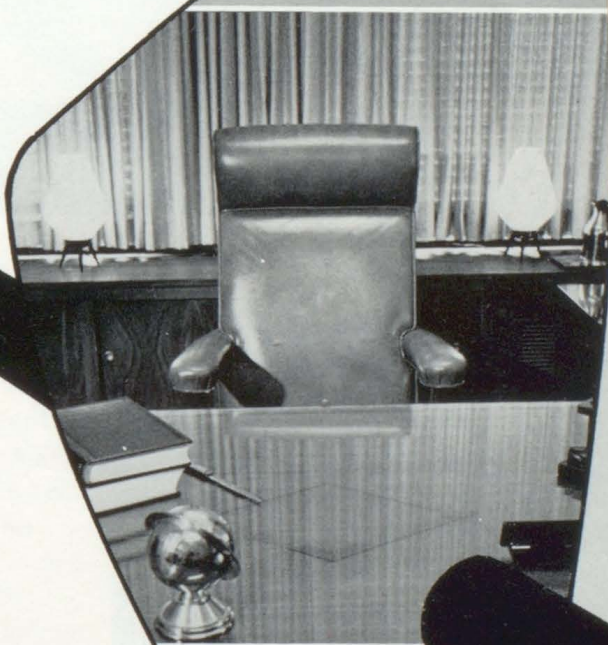

When you leave school, many times classmates and friends scatter far and wide. During the passing years, names become dim or forgotten. Faces seldom are lost from memory. Leafing through this fine pictorial account of your school days will soon bring your memories into sharp focus.

Congratulations to the staff and advisors for a job well done in providing this memorable record.

Best wishes and continued success to the graduating class. May your fondest desires and goals be attained and accompanied by good health and a happy life.

This year the typists have new adjustable desks. They can be raised to the desired height. Safety glasses have been required for those students in industrial arts and chemistry. World History students are learning the background of our world. Home Economic classes are learning the art of good cooking. Mr. Deeter has to explain the different parts of problems.

It takes competent and willing officers to make the Student Council function to the advantage of all pupils. Such officers were Elsie Knutsen, president; John Schmidlapp, vice president; Barbara Etter, secretary; and Jane Ann Hartley, treasurer. The purposes of the Student Council are to promote and foster school spirit, to cooperate with the faculty and initiate measures for the welfare of the student body, and to sponsor and promote student activities. The activities for the 1963-64 Council have been many and varied, such as selling bookcovers, cleaning trophy cases, printing and distributing football rosters, decorating goal posts at all home football games, playing records during the school noon hour, holding cheerleader try-outs, and maintaining dispenser machines. High lights of the year are sponsoring the Homecoming festivities, Dress Up Day, Student Teacher Day and the All-Club Formal. It is the council's responsibility to decorate the school for the Christmas season, as well as the showing of a Christmas movie to the student body.

Pictured here are this year's active Honor Society members. Top to bottom: John Schmidlapp, Dennis Edwards, Carole Schultz, Susan Deeter, Helen Beatty, Becky Ruhl.

The tapping, of new senior members: Nancy Beaver, Carol Hitchcock, Karen Ingle, Elsie Knutsen, Gayl McKenzie, David Miller, Susan Schmidlapp, Carol Snider and of new junior members: Shirley Cornwell, Jeanne Davis, Peggy Deal, Marsha Garst, Ruth Johnston, and Elaine Stover, was the outstanding event of the year. Awarding a dictionary to Peg Mutzner, the senior student who had made the greatest improvement scholastically in four years of high school was another project of note. Leadership was provided for this organization by the following officers: Dennis Edwards, president; Helen Beatty, vice president; Becky Ruhl, secretary-treasurer; and advisor, Mrs. Stadler.

Future Teachers of America

The main objective of the F.T.A. is to help the members determine if teaching is the career best suited to them. This organization has been an extra-curricular activity at C.H.S. for a number of years.

Teachers in different fields of study attend the meetings to explain and promote interest in various phases of study which the members have chosen.

The Chapter was in charge of getting capable students to teach classes on Student Teachers Day.

In October the club's officers traveled to Columbus to attend the State Convention.

A new organization at C.H.S. this year is the Future Nurses of America. The club's main function is to give girls who are interested in nursing some insight into the career they have chosen.

The members of the club attended a nursing clinic at Springfield City Hospital and a tea at Dettmer Court.

The club's programs consist of movies, pertaining to nursing; interesting speakers; visits to area hospitals; and panel discussions. The group's advisor is Mrs. Alma Schilling.

Future Homemakers of America

This year the Future Homemakers have been busy participating in numerous activities.

On February 15, the County F.H.A. Dance was held in the gym at Miami East. Nancy Robinson represented this Chapter as a candidate for queen.

Also the girls served for the F.F.A. banquet, held bake sales, and helped at P.T.A. meetings.

This year's officers are President, Nancy Robinson; Vice President, Linda Sink; Secretary, Jane Flora; Treasurer, Marie Robinson, and Historian, Rita Lyons. The club's very helpful advisor is Miss Margaret Rothermel.

Poor thing!

From this active chapter of young farmers several of the members spent last summer on a trip to Wampler's Lake in Michigan, while other members went to F.F. A. Camp at Muskingum, Ohio.

The group purchased a truck for use on field trips and tours. One such trip was to the International Livestock Exposition in Chicago.

The annual banquet was held in February to give awards and to honor the "Chapter Sweetheart," Gayl McKenzie.

Dave Wimmer served as president; Wayne Sink, vice president; Dave Roecker, secretary; and Dale Kenworthy, treasurer.

Science Club

The goal of this year's Science Club was to interest members in research projects which would be entered in the Tipp City Science Fair. The club was able to finance a trip to Chicago for six worthy students who had entered projects in the Fair. This was made possible by the sale of sweat shirts. Chaperones for this field trip were Mr. Lyons, club advisor, and Mr. and Mrs. Willman. Science club officers for this year were John Schmidlapp, President; Becky VanTilburg, V. President; Carole Hitchcock, Secretary; and Leota Van Tilburg, Treasurer.

Key Club

For Key Club, the year began with a peanut sale at the July 4th celebration, in the park. This project well established the financial status of the society. Also, the club had a car wash in Covington, and at the lake.

We are primarily a service organization, and have raised funds for both the Disabled Veterans Foundation and the March of Dimes campaign.

Under the leadership of our president, Gary Beaver, we have, and will continue to serve to the best of our ability, and we shall endeavor to maintain the honor of the Key Club.

Tri-Hi-Y

A Powder Puff Football Game was just one of the many activities this club was engaged in this year. The proceeds from this game were donated to the Y.M.C.A. World Service.

Also, the girls gave a Mother's Tea and a potluck supper for the senior girls.

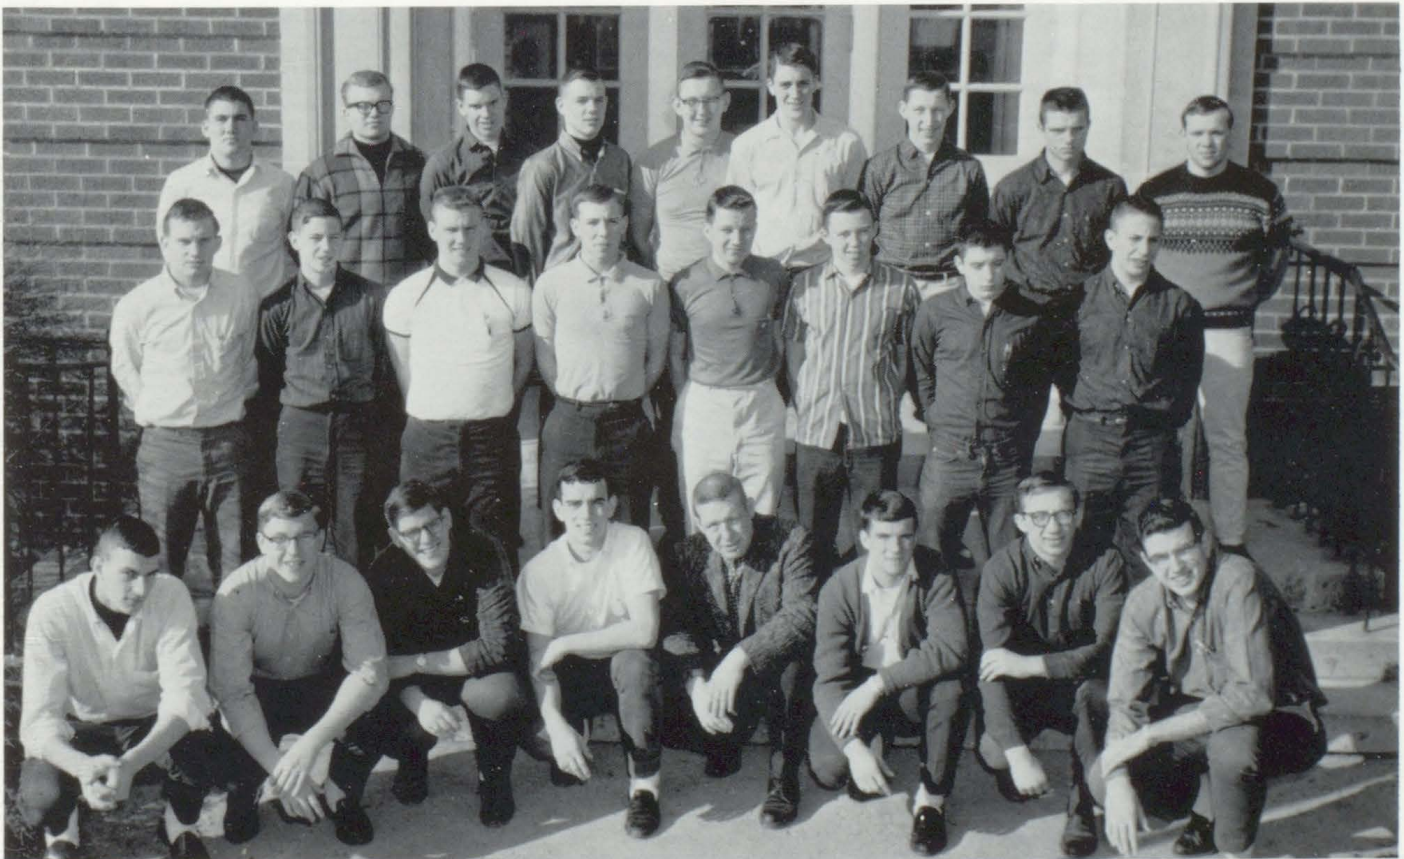

The girls, this year, have been guided by their very capable officers, who are as follows; President; Karen Ingle, Vice President; Barbara Etter; Secretary, Elsie Knutsen; Treasurer, Gayl McKenzie; and Chaplain, Helen Beatty. The club's advisor since its beginning has been Miss Helen Holfinger.

Hi-Y

The Purpose of the Hi-Y Club, like that of the Tri-Hi-Y, is "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character." Activities for this year, under the guidance of Gene Laughman, President; Dale Kenworthy, Vice President; Tom Kimmel, Secretary; and Tim Hudson, Treasurer were operating a coat check, participating in Hi-Y basketball tournament, and helping their sister organization by refereeing the Powder Puff Football Game

Marching Band

What does it take? It takes a band camp at Sabina where the Covington Marching Band and Buccanettes learned new marching steps and new and different drills. These groups, by dint of many long hours of hard work after school have managed to add spirit to all home and away games.

Watch the birdie . . . oops, I mean the Beaver.

Concert Band

A different style - a different purpose, but with marching season over, all efforts are concentrated on proficiency of the concert band. Before the group even had a chance to feel acquainted with one another they performed for the first P. T. A. meeting of the year. A band clinic was held on February 22, 1964. This was a first for the Covington Music Department. The clinic was directed by George Gaber and Fred Marzan. On the following afternoon Dr. Marzan appeared as the guest soloist at the Winter Concert. Practice concerts were traded with the Milton-Union Band. Later in the season a Spring Concert was given. Efforts were rewarded when the band received superior ratings in both the District and State Band Contests. Officers for the year were: Jane Ann Hartley, president; Conrad Clippinger, vice-president; Nancy Beaver, secretary; Kathy Gearhardt, treasurer; Jill Eshleman, historian; Becky Apwisch, freshman class representative.

Buccanettes

Does our drill team look like this or this?

No - Covington hasn't a new drill team this year. The old group just received a new name.

The Buccanettes were led through this year's exciting season by head leader, Carole Hitchcock, and assistant leaders, Charlotte Stonerock, and Connie Fenner.

The girls participated in many of the events that the marching band undertook. They performed at fairs and contests throughout the area.

Chorus

This year's mixed choir, composed of 82 members, was the largest ever organized at Covington High School. The group sang at several different church services, for their parents at a PTA meeting, for the student body, and twice during the year they combined with the High School Band, in concert. The choir is grateful for the donations which have made it possible for the entire group to be robed. Choir members, Marty Ruhl and Jayne Thompson, attended a music festival at Wilmington College, on April 5. Piano accompanists for the choir this year have been Barbara Etter, Joyce Rhoades, and Carol Schultz. Responsible for the executive duties of the choir were Don Rogers, president; Emily Snell, vice-president, Peggy Mutzner, secretary; Jeanne Davis, treasurer; Donna Carney, sophomore representative; Connie Yingst, freshman representative.

The purpose of the Girl's Athletic Association is to promote and develop an interest in different sports, such as volleyball, basketball, and track. The girls are sponsored by Mrs. Dewey, girl's physical education teacher. This year, under the leadership of Carol Snider, president, the girls helped sponsor the All-Club Formal, held in March. The girls had a terrific season in volleyball, losing only one game. Their basketball season wasn't quite so good, but the girls did their best and that is what counts. Track was an outstanding sport this year. Covington took first place at the 1964 Milton-Union Track Invitational. Because of their outstanding ability in track Carole Hitchcock and Millie Badgley were asked to represent the Dayton Athletic Club in the A.A.U. meet in Dayton. The point system was continued and the members received their awards during an assembly in the spring. The year began with the annual hike and chili supper and ended with a hike and wiener roast. Officers for the year were: President, Carol Snider; Vice-President, Linda Weikert; Secretary, Reva Dowlar; Treasurer, Becky Ruhl; Reporter, Sharon Landis.

Home Sweet Homicide

The Senior class presented the play, "Home Sweet Homicide," on November 15. The play was under the direction of Miss Doris Trost.

The plot centered around a murder that had occurred next door to the Carstairs' home. Mrs. Carstairs was a mystery writer who had been widowed some time before. Her three children were trying to get her married again. When the murder occurred, a handsome detective appeared and the children decided he would make the ideal father. Suspense and romance marked the rest of the play.

"Evening in Paris"

Dale Kenworthy, Junior class president welcomes the members of the Junior and Senior classes and the faculty.

May 15, 1964 a date to remember

On this date the members of the Junior class presented the prom, "Evening in Paris."

The banquet began at 6:30 in the multi-purpose room. The members of the Junior and Senior classes were welcomed by Dale Kenworthy, Junior class president. The meal was served by fathers of the Junior class, who were dressed as French chefs. The program consisted of songs and skits by Junior class members. The banquet ended when the Juniors sang, "I Love Paris," and "Some Enchanted Evening." Proof of the evening's success, thus far, was the standing ovation given by the Seniors.

Bill Weikert, Rick Francis, and Bill Leeper, a popular vocal group, supply entertainment for the banquet.

"Paree, Ah Gay Paree"

"101 bright and energetic youngsters and Tom Kimmel."

The high school gym was decorated as a street in Paris. Cafe's lined the walls, with flower boxes in front of these cafe's. A picture of the Eiffel Tower was in one corner with the band and refreshments in the other corner. The couples danced to the music of Russ Lowman from 8:30 until 11:30. Then home we rushed for one more change.

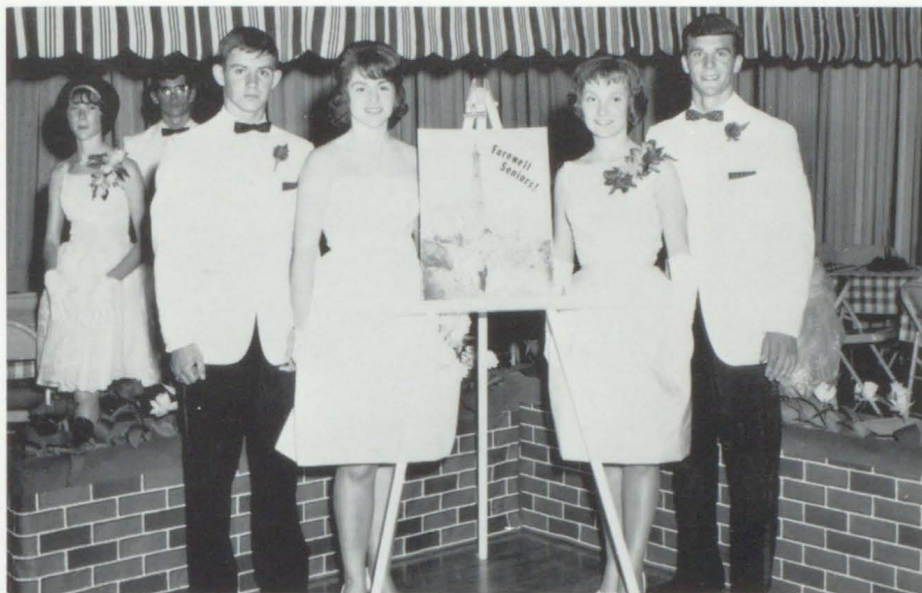

Couples danced to the music of Russ Lowman.

Juniors and Seniors and their dates danced from 8:30 until 11:30 under the blue sky of Paris.

"All Good Things Must Come to an End"

At the breakfast most of the Juniors and Seniors were no longer so bright and cheerful.

At 12:30 everyone reassembled for the drive to Piqua to see "Bon Voyage" starring Fred MacMurray.

After the movie, the Juniors and Seniors and their dates returned to the multi-purpose room for breakfast served by mothers of the Junior class. Bleary-eyed and oh so weary - "Au Revoir."

The Junior fathers served the dinner dressed as French chefs.

THANK YOU . . .

The members of the Junior class would like to thank everyone who had a part in making the 1964 Jr. - Sr. Prom the success that it was. These people include the merchants in town who contributed door prizes for the breakfast the Junior class parents who prepared and served the banquet and the breakfast, and last but not least the advisors of the Junior class, Mr. Runyan and Miss Rothermel.

Helen Beatty, received her Valedictorian award from Mr. Apwisch.

Carol Schultz received the Salutatorian award.

Commencement was held at 8:00 p. m. on the evening of May 24.

Mrs. Earl Reinkensmeyer played the organ prelude for this year's Commencement. The invocation was given by Rev. Clair E. Beatty.

C. S. Phillips, Superintendent, introduced the program. Carol Schultz followed this with a piano solo.

"What Will Tomorrow Be," was the address given by Valedictorian, Helen Beatty. After this the girls ensemble sang, "Give Me Your Tired, Your Poor."

Carol Schultz, Salutatorian, then gave her address, "Life Is What We Make It." Following this, the boys ensemble sang, "Rocked in the Cradle of the Deep."

Gene Laughman, Senior Class President, gave the history of the class in his talk, "In the Past." A flute solo by Becky Ruhl followed Gene's talk.

A parody from Shakespeare's Henry VIII was then given by John Schmidlapp. The "Halls of Ivy" was then sung by the Class of 1964.

L. A. Apwisch told of the achievements of the Senior class and then presented the class. Mr. Paul Finfrock, President of the Board of Education, presented the diplomas.

Following the awarding of the diplomas, the Seniors sang the Alma Mater. Reverend Glenn E. Swope then gave the benediction.

As the graduates left the stage, they were presented with white rose buds, their class flower.

but Majestic Memories."

Carole Hitchcock, Karen Ingle, Jill Eshleman, Peg Mutzner, Sally Rudy, Jane Ann Hartley, Carol Smith, Susan Deeter, and Susan Schmidlapp sang "Give Me Your Tired, Your Poor."

Donna Cassel received the Outstanding Service Award for her work in the library.

Elsie Knutsen was chosen as the outstanding Senior Girl.

Lynn Bowman, Don Rogers, Earl Biederman, Gene Laughman, Dennis Edwards, Ed Musser, John Laughman, and Mike Miller sang "Rocked in the Cradle of the Deep."

"How will we ever win without Beef?"

"Help! Get me out of here."

The mighty mite downs the Beef.

Friday the 13th turned out to be a lucky day for the members of the Junior play cast. Under the direction of Miss Doris Trost they successfully staged the play, "Beauty and the Beef."

The Allen's had just moved to Winnibegushi, but already Ginny was becoming one of the most popular girls in school. Beef, the star football player, was the boy Ginny was after. Everyone knew Beef was a little dumb in history, but they didn't know Ginny had been on the Junior Quiz Program for three years on the subject of history. Ginny knew that Beef would never fall for a brain so she decided to play a little dumb in history and let Beef help her with her history. The way she handled the situation was unique. All this added to one of the best plays put on at Covington High School.

Cheerleaders Varsity

It Takes Pep, Personality, and Perseverance

Connie Carroll, Karen Hartley, Sharon Brumbaugh, and Jo Davis as freshman cheerleaders must train for varsity positions.

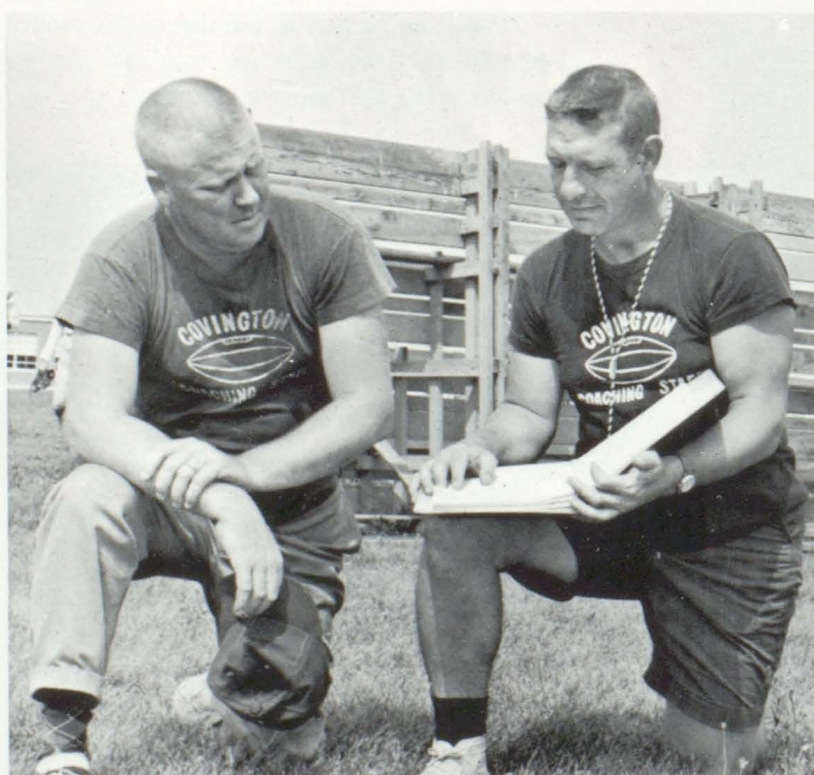

Age is no barrier to interest in Buccaneer activities. Granny, as the boys call her, always made her home available.

It
Takes
"Action,
Boys,
Action"

Next year our teams will be playing in the Mad River Valley League. In this their final year of competition in the Little Buckeye League our football boys managed to eke out a tie for first place in what was supposed to have been a "rebuilding year."

We cannot possibly cover all that has been accomplished, but these pages are a tribute to those boys who have devoted time which might have been used for other purposes to gain "honor and glory" for their school.

The picture below shows those boys who earned letters in football.

FRONT ROW: Mike Miller, Mike Shafer, Mike Beireis, Rick Lavy, Tim Hudson, Kent Thompson.
BACK ROW: Tom Kimmel, Bud Weer, Gene Laughman, Roger Looker, Dale Kenworthy

It takes seniors to show the way to underclassmen. These senior boys have been active in all sports areas.

So go underclassmen go!
Work hard to fill these shoes!

BASKETBALL SCHEDULE

For the fourth consecutive time Covington has won the S. V. L. championship, even though we had to share it this year. But - the highlight of the whole season was the triple overtime game at district tournament. A game lost under those circumstances is no disgrace!

Who Says It Doesn't
Take Haaaaaaaard Work?

It Takes Leadership

to train boys in any field of sports. This was provided by Don Garman, basketball and track coach; Harold Deeter, athletic director; and Tom Steele, football and baseball coach.

It Takes Willing Members

of the reserve squad to form the second line of defense in basketball. Their presence for scrimmage is what keeps the varsity in shape.

Left to Right: Tom Stahl, Jim Buchanan, Ted Peacock, Mike Tower, Bill Leeper, Tom Weer, Gary Beaver, Coach Garman, Gene Brumbaugh, Frank Smith, John Flory, Mike Beireis

FIRST ROW: Tom Bitner, Mark Tobias, Steve Folkerth, Bob Rudy, David Frank. SECOND ROW: Tom Steele, coach; Mike McMaken, Paul Penny, Joel Miller, Bob Henson, Jim Gillet. The above mentioned boys who will be the varsity team of tomorrow show great promise as a good basketball team.

FRONT ROW: Manager Bob Henson, Mike McMaken, Bob Rudy, Eugene Darland, Steve Folkerth, David Frank, David Alyea, Paul Penny, BACK ROW: Manager Tom Bitner, Gary Beaver, Ed Musser, Jim Buchanan, Mike Miller, Gene Laughman, Jim Manning, Don Rogers, Bill Leeper

This year's track team put forth effort with the hope of gaining not only a sense of achievement for themselves, but also to bring glory to the school. Bill Leeper has thrice broken the record for the mile run. The greatest of these records was the one set 25 years ago by Ramond Garst whose time was 4 minutes 48.5 seconds. The new record set by Bill is 4 minutes 43.4 seconds. This example proves that team cooperation can result in a winning year.

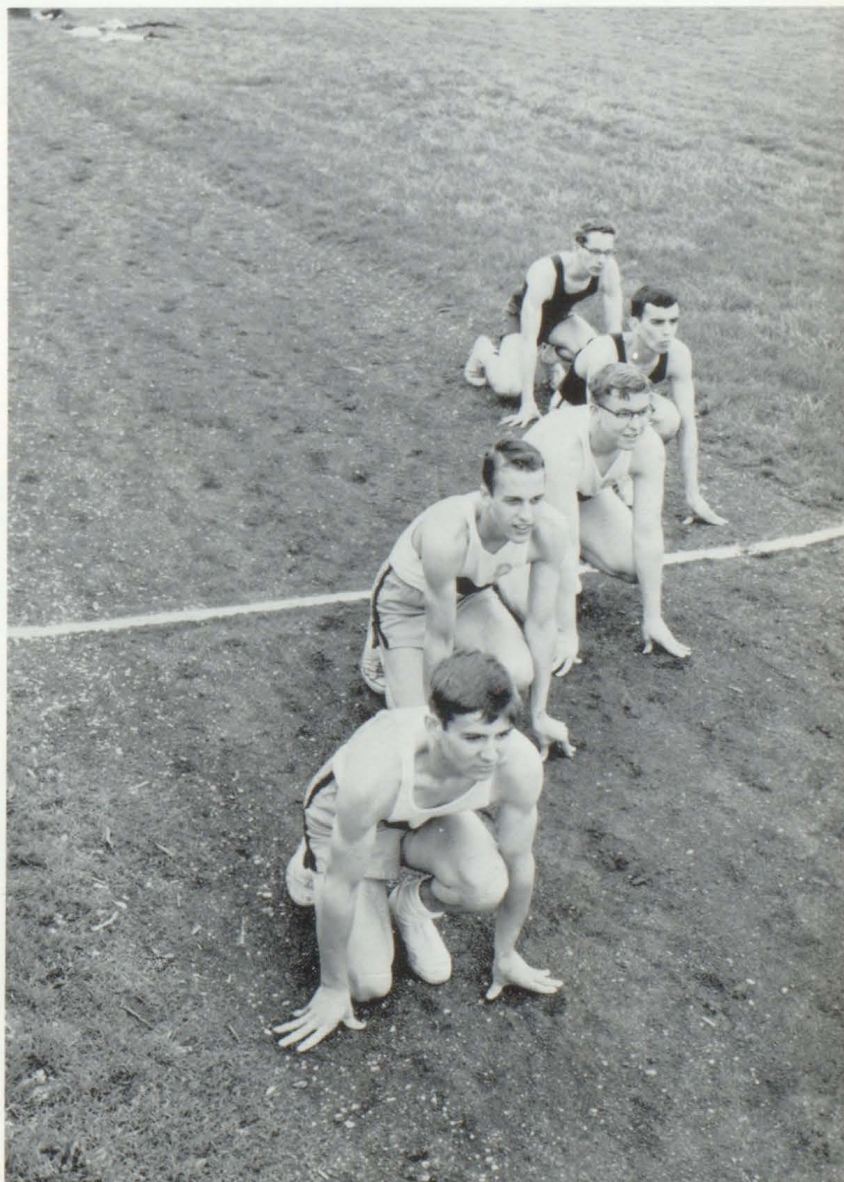

These five members of the track team Mike Beireis, Ted Peacock, Tom Kimmel, Mike Tower, and Paul Penny were involved in a baseball game when the above picture was taken.

Where's the "Bunny," Playboys?

A big FAREWELL to the senior track team!

What is this, a game of leap frog?

Baseball

Uh Oh! Right sport wrong sex.

ADVERTISERS

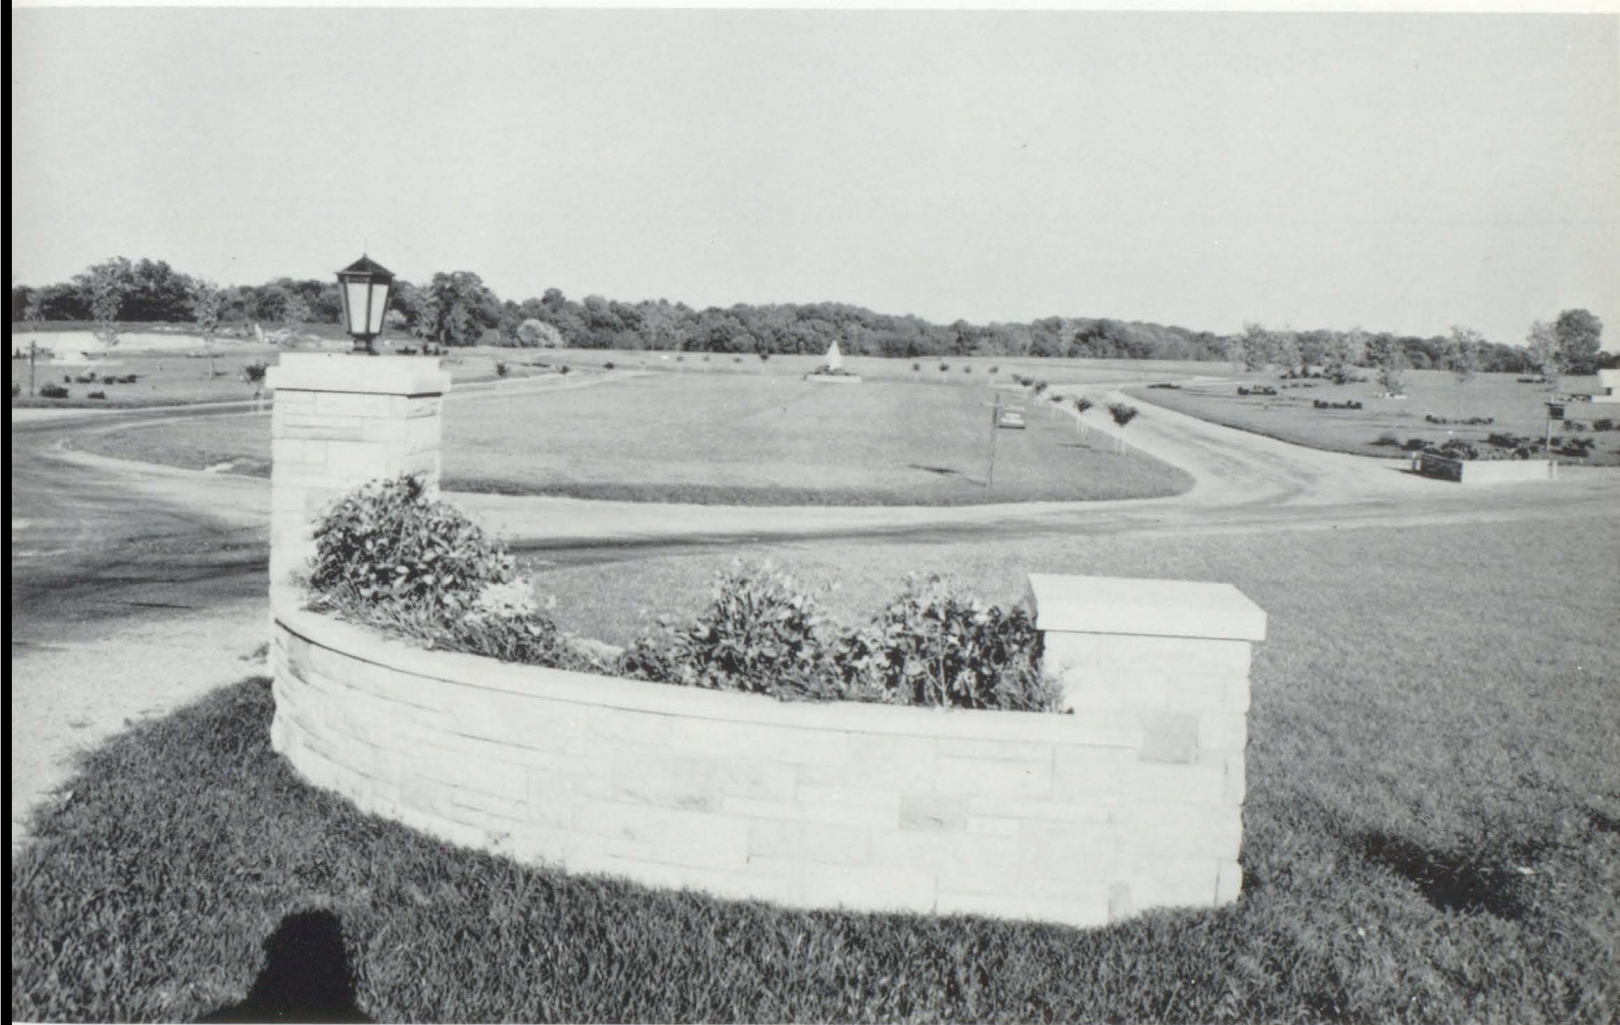

It Does Take a Hard-Working Organization.

You'll never see these football players from these bleachers, but the "Bucc Boosters" are diligently at work providing new seating arrangements for next year's games. The "home" bleachers have been moved to the south side of the field for visitors. By the time you read this page, new steel structures will be available for all you fervent fans. Let's really fill them for the team as they play their first season in the Mad River Valley League!
