Go We Higher the We Work We Harder the
A Message From the Editor

Many of us do not give much thought to setting up high goals while we are still in high school. After we graduate, we begin to realize how very important it is to do our best. We must face the challenging world ahead of us and can never turn back. Remember, "The Harder We Work, the Higher We Go."

As you glance through this yearbook, we hope you will recall many happy moments of your years at Covington High School. We have tried to help organize some of these memories because they are the type that are treasured today and are priceless tomorrow.

Dedicated . . .

. . . to HELEN M. HOLFINGER,
English Teacher, Tri-Hi-Y and F.T.A. Advisor.
We, the students of Covington High School, have reached the place where we can stop for a moment and recall the many people who have been so helpful through our school journey.

There is one person especially, who stands out among the rest; not only for her service to us, but also for her service to the entire community. It is for this reason that we dedicate the 1966 Buccaneer to Miss Helen M. Holfinger for her perpetual loyalty, friendliness and aid to all around her.
Guiding and Helping Us Toward a Prosperous Future are These Two Men

The years slip by and we have a tendency to forget; but names, faces, and events are recorded for posterity through pictures.

The 1966 Buccaneer has effectively written our memoirs for the school year of 1965-66. We are indebted to the Graduating Class of 1966 for this outstanding publication and we extend our sincere congratulations to all who had a part in this endeavor.

C. S. Phillips, Superintendent

As students come and go through the halls and classes of Covington High School, many fond memories are created. I congratulate those who have captured these moments which will be cherished by all for many years to come.

My best wishes to the graduates. May each of you strive to realize the fine potentialities you each possess.

Tri-Hi-Y

Approximately seventy-five members are in the Tri-Hi-Y Club this year. Nat Martin, a representative from the Piqua YMCA, spoke to the club about the gains and purposes of Tri-Hi-Y. The Powder Puff football game was the money-making project this year. The induction of the new members took place at the Christian Church, with the members receiving the traditional Tri-Hi-Y pin. Father Monnin, the priest from the St. Teresa's Catholic Church, gave a talk to the group about young people. The girls also had a demonstration on make-up.

"Operation Soapbox" is a drive to collect much needed articles for an orphanage in Hue, Viet Nam, just north of Da Nang. This year, as part of our World Service project, the Hi-Y and Tri-Hi-Y Clubs have participated in this project. Donations were asked from both the grade school and the high school students as well as from the community. Such articles as a bar of soap, toothbrushes, and toothpaste were collected, plus a nickel from each student for paying postage to send the collected items. The articles were sent and they were greatly appreciated by those receiving them.

Officers Row 1: Connie Carroll - Vice-President, Vicki Pennington - Assistant Treasurer, Sharon Brumbaugh - Assistant Vice-President, Jo Davis - Assistant Secretary. Row 2: Carol Beatty - Assistant Chaplain, Kathy Gearhardt - Chaplain, Cathy Siler - President, Marty Ruhl - Treasurer, Barbara Smith - Secretary, Miss Holfinger - Advisor.
The Hi-Y members have a platform and purpose by which they follow.

**HI-Y PLATFORM**
"Clean speech, clean sportsmanship, clean scholarship, and clean living."

**HI-Y PURPOSE**
"To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

---

During this school year the Hi-Y has completed many projects. They purchased League Banners for the School and have been working hard at stripping the school’s parking lot. The club has gone swimming at the YMCA many times and have enjoyed many films at some of their club meetings. At one meeting Mr. Adams, a State Highway Patrolman, showed a film on accidents which might happen if people become careless. The project the Hi-Y boys remember best is their trip through Harzell Propeller Plant in Piqua, Ohio.

Only boys who have earned a letter in one or more of the varsity sports in Covington's athletic program are eligible to become members of Varsity C.

Mr. Garman and Mr. Steele advised the club this year and the officers were: President, John Flory; Vice-President, Kent Thompson; Secretary, Mike Schaeffer; Treasurer, Mike Tower.
"World Friendships, Foundation for Peace," the state F. H. A. theme for this year, served as the basis for many of the Covington Chapter's activities. Last year was the first time the F. H. A. had a booth at the Miami County Fair and they used this theme. All of their meetings were planned around the theme and they sponsored a program on this subject which was presented to the Student Body by a college student who had visited South America. This year Rita Sink, President, and Cindy Stump, County Officer, received their State Homemaker's Degree, which is the highest honor given by the F. H. A.
One of the F. F. A.'s most important activities this year was the district livestock judging contest at West Alexandria. The Covington team placed second out of the thirteen teams which participated. The group also participated in a judging contest on May 14 at Columbus. Bill Kenworthy, Secretary of the club this year, received the State Farmer Degree. The officers of the F. F. A. are left to right; Lloyd Bowman, Sentinel. John Reichman, Reporter. Larry Schmidlapp, President. Mr. Runyan, Advisor. Marion Rogers, Vice-President, Kent Thompson, Treasurer. Future Teachers of America

The club had two coffee breaks for the faculty of the high school this year. One was on November 12, in observance of American Education Week, and the other in April, Teaching Career Month. All of the members had an opportunity to teach in a classroom at the elementary school and at the high school. The club toured Wittenberg University on April 23.

Through donations to "Books, U.S.A., Inc.", books were sent to foreign schools for the betterment of their libraries.

During the school year of 1965-66, the Student Council worked to redecorate the girls' and men's lounges. Members themselves painted the interiors and new furnishings were purchased.

Again this year, the Student Council purchased records to be played during the noon hour, sold book covers, and worked together with the clubs to sponsor the All-Club Formal. Homecoming activities in October were combined with a Color Day this year. Two delegates were chosen to attend the Ohio Student Council Convention in April, Joan Apple and Linda Maier.

An important part of putting a yearbook together is soliciting advertisements. Among those who did this were Mary Ann Benedict, Sherry Miller, and Jayne Thompson. Pictured opposite are Sharon Landis, Linda Fisher, Cathy Wilson, Cynthia Stump, Karen Hartley, and Betty Brant.
Sacrificing their study halls and working after school, the **BUCCANEWS** staff managed to produce seven issues of the **BUCCANEWS** during the year. Special thanks go to Mrs. Sweigart for mimeographing the paper. To gain pointers for improving next year's **BUCCANEWS**, Wanda Fisher and Janet Burns will attend a publications workshop at Ohio University in June.

After the county fairs, they attended band camp to prepare their colorful halftime shows. The two most important shows were the Homecoming Show, featuring continuous close order drill, and the "Senior Farewell."

The Concert Band traveled to Troy for district contest in March where they received a rating of excellent. The concert season came to an end on April 1st, when the band presented their annual Spring Concert.

The band banquet on April 22, climaxed another year for the bandsmen.
