friendship
cheerfulness
support
understanding
to the students and staff
of
Covington High School
ACTIVITIES

It is true, I never assisted the sun materially in its rising; but, doubt not, it was of the last importance only to be present at it.

David Thoreau
Classes for the 1972-73 school year opened on August 29 with an enrollment of 394 students. The cross-country team got our school's sports program off to a running start with their meet against Franklin Monroe on September 6th. The Buccs clashed with Tipp City in their first football game of the season on September 8th.

October marked our 25th annual Homecoming and a football victory over Northwestern.

One of the highlights of the month of November was the Fall Sports Award Program held in the high school gym. Also, in November, the seniors presented their class play entitled "Creeping Shadows."

The first day of December opened the CHS basketball season with a game at Tipp City. Also, this marked the beginning of the wrestling season, which became a new sport at CHS this year. Our high school band and chorus performed for the Christmas Program. To add a cheerful look to the building for the Christmas season, each class used their imagination and creative talents to decorate a part of the building.

February brought a lighter side to the sports scene as the Covington faculty beat the Bradford faculty in basketball.

With March came the beginning of the spring sports program including golf, track, baseball, and girls track. The Basketball Award Banquet on March 12th ended the basketball season. The National Honor Society inducted its new members during the traditional tapping ceremony. On March 20th, the Student Council had a student-exchange with Milton-Union, a new experience for CHS. At the end of the month, the senior class traveled to West Milton for a Youth Forum on the subject of gun control.

In April, the juniors presented their class play, "Beans for Breakfast." Again comedy appeared in basketball with the donkey basketball game. Also in this month, the Student Council sponsored a student-exchange with Sidney Lehman. The Band Parents Award Banquet was held in the elementary gym at the end of April.

May brought the highlights of the track season with the Covington Invitational on May 2nd and the MRVL track meet on May 5th. May 4th was the annual Junior-Senior Prom, the theme being "A Night in Monte Carlo." The seniors rejoiced May 16th, which was their last day of school. May 20th marked the completion of high school for seniors with commencement exercises.

A new idea of monthly seminars was introduced into CHS in 1972-73. Students had the opportunity to attend seminars featuring the Air Force Logistics Command Band, a U.S. Navy recruiter, a Carousel Beauty representative, the CHS wrestling team vs. the Milton-Union wrestlers, Doug Adams, who is a linebacker for the Cincinnati Bengals, Chuck Bisset, an entertainer, Maryville College Choir, and Troy Sing Out.

The 1972-73 year ended with the seniors expectations of their future and the underclassmen looking forward to the 1973-74 school year at Covington High School.
When you're down and troubled and you need a helping hand
And nothing, nothing is going right
Close your eyes and think of me and soon I will be there
To brighten up even your darkest nights
You just call out my name and you know wherever you are
I'll come running to see you again
Winter, spring, summer or fall, all you've got to do is call
And I'll be there you've got a friend.

Carole King

Covington High School — meeting old friends . . . meeting new friends.
The school day starts off with the usual crowds in the hall... and moves right along to classes...
"Don't expect me to be your friend"

... and to the daily interaction between student and teacher...

"You dirty bird!" Karen cries as Mr. Shoemaker snaps a picture.
... different classes call
for different activities ...
from play-acting ...
to group lab work

studying
... and relating to friends.
Pep rallies bring new experiences and spirit . . .
... activities draw students and teachers closer to each other.
Competition in physical education brings out the fighting "Bucc pride"...
As the end of school approaches, student activities wander from studying... to pulling pranks... to secret poker games in the band room.
More faces.
Football —

excitement, crowds, cheers . . .
determination and unity . . .
the loneliness of defeat . . .
the triumph of victory.

This isn’t ballet, Nick!

Bulldozer!

Where’s it going?
Hey Stump, take this ball, will ya?

Now that wasn't nice!
Concentration
and the will to
win . . .
Basketball —

the tenseness and drama of a close game, the
cheers of a tightly packed crowd, individuals
working as a team . . .

How about some Right Guard?

Did I or did I not goof?

Pressure . . .
I thought Newton said that things come down after they go up!

Hey you, come back here!
Is this some new kind of dance?

This is a basketball game, Jeff, not a demonstration in Kung Fu!

"Was this the face that launched a thousand ships?"

Christopher Marlowe
Up and over.

Run Bob run.
Some thirsty band members display the sign used for one of the football shows.

Well, at least everyone is in step!
The Class of 73 get Dilly's car ready for Homecoming.

There's Karen giving orders "AGAIN."

What is the value of solitude?
- of peace, of light, of silence?
What is the cost of freedom?

Nancy Newhall
Class of "74"

The Junior Class has been involved in many worthwhile activities this past year. During the summer, they ran the concession stand at the Covington Community Park. After school started, they sold bumper stickers with the insignia "I AM A BUCC BOOSTER." They sponsored most of the school dances following football and basketball games and sold pop and candy during basketball games. Also, they collaborated with the Key Club in a continuous community paper drive. In the spring, they planned a car wash. All the Juniors sincerely hope the funds from these projects helped to make an exciting prom.

SOPHOMORES

Every part of nature teaches that the passing away of one is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.

FACULTY

... that gray color ... which nature loves; color of unpainted wood, weather-stain; time-stain; not glaring nor gaudy; the color of all roofs, the color of all things that endure...

David Thoreau
It is a pleasure to recall the many memorable events of the school year 1972-73. To all the classes, I extend a sincere thanks for making 1972-73 a very good year; however, to the seniors, a special word of praise is accorded for their responsible leadership and cooperation.

The 1973 Buccaneer will serve as a literary looking glass which will help our students, families, teachers, and community, recapture the happy moments and wonderful friendships that we all experienced at Covington High School.

I believe that the events illustrated in this book have contributed to the total educational development of each student. Therefore, I am confident that the future holds much success for those who shared these experiences.

Congratulations to the Buccaneer staff and good luck to the Class of 1973.

W. Dean Pond
Principal

Administration

The 1973 Buccaneer has effectively captured the memoirs for the school year 1972-73. We are indebted to the yearbook staff for this publication and extend our sincere congratulations to all who had a part in its endeavor.

My best wishes to the graduates. May you find success and happiness.

Wrestling Team

Considering this is the first year we have had a wrestling team, our guys made an outstanding performance. With their weekly practices on Tuesdays and Thursdays after school, they managed to schedule three meets and two practice meets. After receiving their guidance from Coaches Mr. Tisdale, Mr. Pond and Mr. Thompson, they wound their season up with a 2-1 record, including an exciting defeat over Tri Village 39-33. Proceeds from the Covington-Tri Village match went toward a wrestling mat. From the cooperation of the faculty and student body, and determination our guys have shown, we know wrestling will be a promising sport in future years at C.H.S. GOOD LUCK!

The money making projects got an early start with the cheerleaders. Before going to camp, they had to raise money. This included both selling toothbrushes and working at the "dunk-em" machine at the firemen's convention. Neither proved to be very interesting! The rest of their money was raised by selling colossal containers.

Throughout the summer they worked on signs, cheers, and pom-pom routines. When school started, more signs, cheers and pom-pom routines were practiced, with the addition of the ingenious pep rallies!

But the hardest task of all for these girls was creating school spirit. This definitely was no easy job, but they managed!
ORGANIZATIONS

You shall enter the living shelter of the forest.
You shall walk where only the wind has walked before.

Future Farmers of America

The Covington Chapter of Future Farmers of America carried on their usual activities this year. Besides participating in the yearly judging contests, they attended the Farm Science Review and the District Parliamentary Procedure contest. They sold boxes of citrus fruit and Christmas trees. During the winter months the boys got together and played basketball with other FFA chapters and participated in the FFA tournaments.

OFFICERS AND ADVISOR
J. Worley, Treas.  T. Taylor, Sec.
S. Davis, Sentinel  J. Barbee, Pres.
Mr. Wolters, Advisor

Future Homemakers of America

The F.H.A. this year has had many bake sales, sold stationary, and had many parties. We went to State Convention in April and presented a style show for P.T.A. in March. The first week in April was F.H.A. week, which included a bake sale, members wearing name tags, and decorating the Home Ec Room doors. At the Miami County fair in August, members entered sewing, cooking, and craft projects.

OFFICERS AND ADVISOR
Mrs. Bennett, Adv.  J. Landis, Historian
M. Wise, Sec.  P. Shoup, Reporter
M. Rogers, V. Pres.  K. Paff, Treas.
N. Flora, Pres.
The T.N.T. kept busy this year student teaching and trying to raise money to visit a college. They held a drawing for the Homecoming football and sold shirts. They also held a joint meeting with Newton's F.T.A. chapter.

OFFICERS AND ADVISOR

S. Johnson, Treas.
C. Simmons, Sec.
G. Martin, V. Pres.

C. Houk, Reporter
K. Paff, Pres.
Miss Trost, Adv.

Girls Athletic Association

The G.A.A. began their activities this year with a Chili Supper. They continued to keep busy with interscholastic volleyball and track, intramural basketball and yoga. To make money they sold refreshments at the invitational track meet.

OFFICERS AND ADVISOR
M. Rogers, V. Pres. P. Shoup, Pres.
The Hi-Y inducted four new members this year. It helped with civic projects along with school projects, which consisted of assemblies and helping purchase weights for the weight lifting program.
The Key Club was very active this past year. Besides the yearly projects of keeping up the events board behind the High School and putting up the Flags in town on holidays, they also helped the little kids across streets on Halloween, distributed trash cans at the Youth Center and at Paul’s Pizza, conducted a Kiwanis’s meeting, had a basketball team, and most important of all, they aided the Junior class in a continual paper pick-up.
This year the National Honor Society inducted 15 new members. Although we were unable to have our annual book fair, we did have a bake sale.
Secretarial Club

Among the many events of the year was a seminar with a speaker from Miami-Jacobs Business College, a wedding shower for Peggy Clark, a program on Grooming, and typing the Football and Basketball programs.

CHEER CLUB OFFICERS

Rose Asher - Pres.
Gail Martin - Treas.
Miss Roberts - Adv.
Cindy Boggess - V. Pres.
Susan Alexander - Sec.
The Science Club held their annual Skating Party again this year to help provide funds to buy equipment for the Science Department. They also went on a field trip to the Museum of Science and Industry in Columbus.
The 1972-73 Student Council has been responsible for a number of projects throughout the year, the largest being the 25th Homecoming Celebration and entertainment of previous queens. They sponsored dances, post offices, assemblies, an active suggestion box and provided money for needy families. Their participation in the Heart Fund Drive and Muscular Dystrophy Shamrock Day were greatly appreciated.

Powder Puff Football
The end of another year has come but the memories will never be forgotten.
From Japan, a speaker on her travels, to Brazil and Peru, speaks about their countries, the club grew in knowledge about the world around them. Skiing films, a Christmas Party, a Mother's Tea, and of course, the Powder Puff Football Game highlighted the 72-73 year for the Covington Tri-Hi-Y.
This year's Varsity C tried to raise money for a super-analysis film projector for use in sports. To raise money, the club took coat checks at basketball games, sold programs for football and basketball and ran the concession stand at the league track meet.
After a long year, the 1973 Buccaneer is finally done. It took a lot of hard work from the whole staff to meet the deadlines. I hope everyone enjoys this annual as much as we enjoyed putting it together.
