With August comes hot weather, the fair, and school.

School made us soon forget the summer activities and concentrate on the business of football games and band practice...

Butch Cassidy?

giving book reports in costume for English and studying.

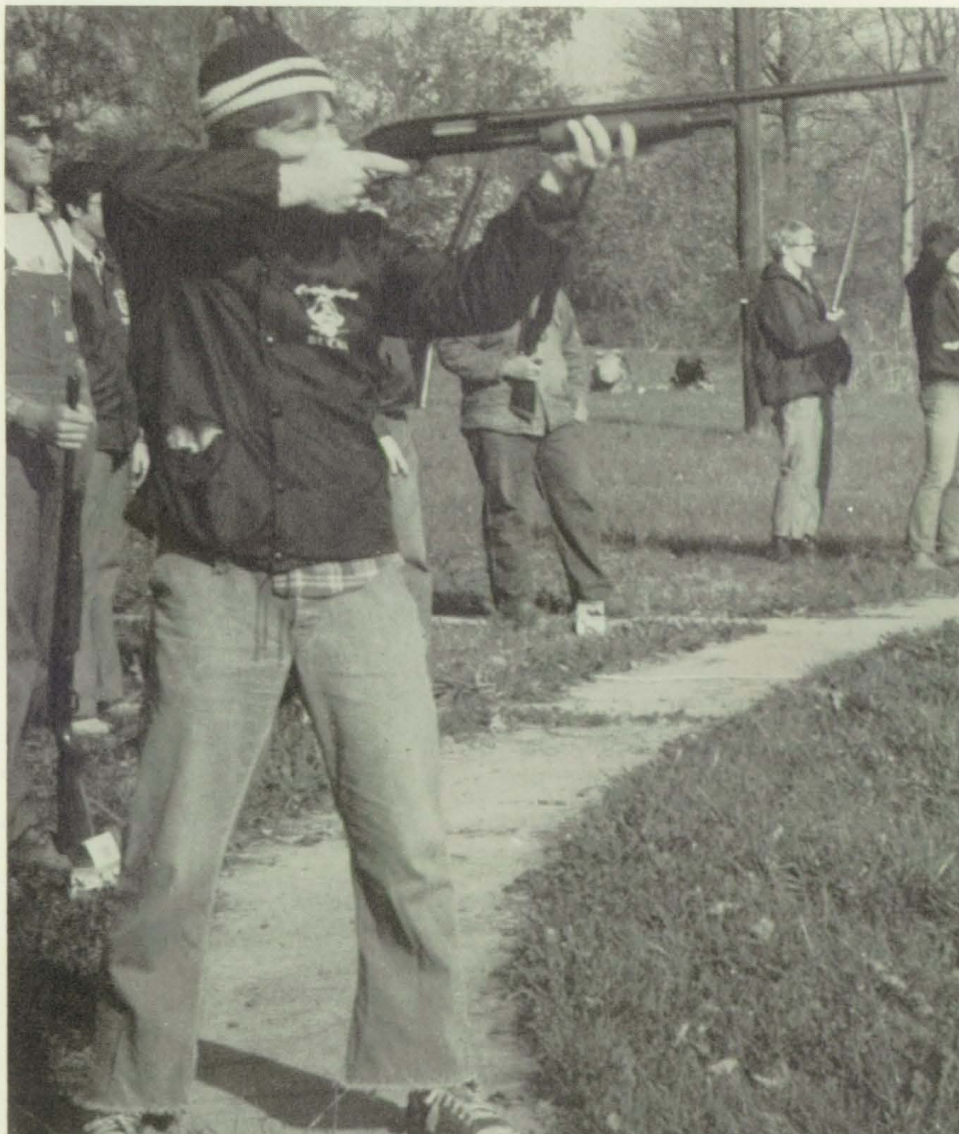

The Wild Ones

Taking tests, wearing bib overalls to support the team, and good hunting safety were all a part of a full schedule this fall.

This is so much fun!

Don't shoot!

A special visit from a disc jockey at WTUE, yelling at the top of your lungs, pom-pom routines by our cheerleaders and music from the band were sights at the big pep rally that led up to Homecoming.

This is one way to get your tennies washed!

We've got to stop meeting like this.

Homecoming 1974 was held September 27 with our football team playing Indian Lake. Even though it rained all day, the spirits of the players were not dampened as they ran to a 49-0 victory. The traditional dance sponsored by the Student Council was reigned over by Gail Dennings, the 1974 Homecoming Queen. The "Sound of Music" filled the halls of CHS when Greg Mason of WTUE emceed the dance.

Covington's Mike Shafer

As confidence built up during the season, the cross-country team steadily improved. The year was climaxed by a close second place finish in the sectionals and a fine showing in the district. Covington placed one runner in the State Class A meet. The runner, Rick Longenecker, was the first runner from Covington to run in the state meet in four years.

The race is ready to begin.

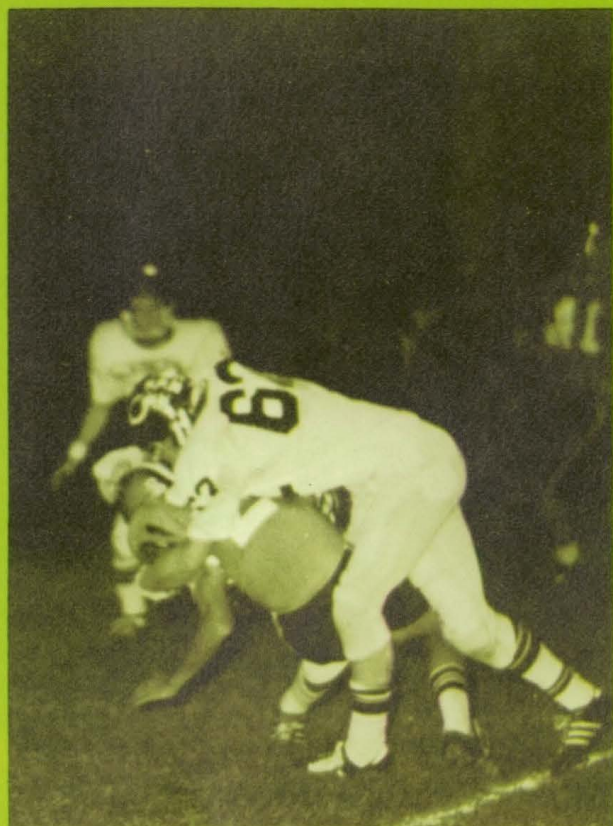

Asher begins to pull ahead.

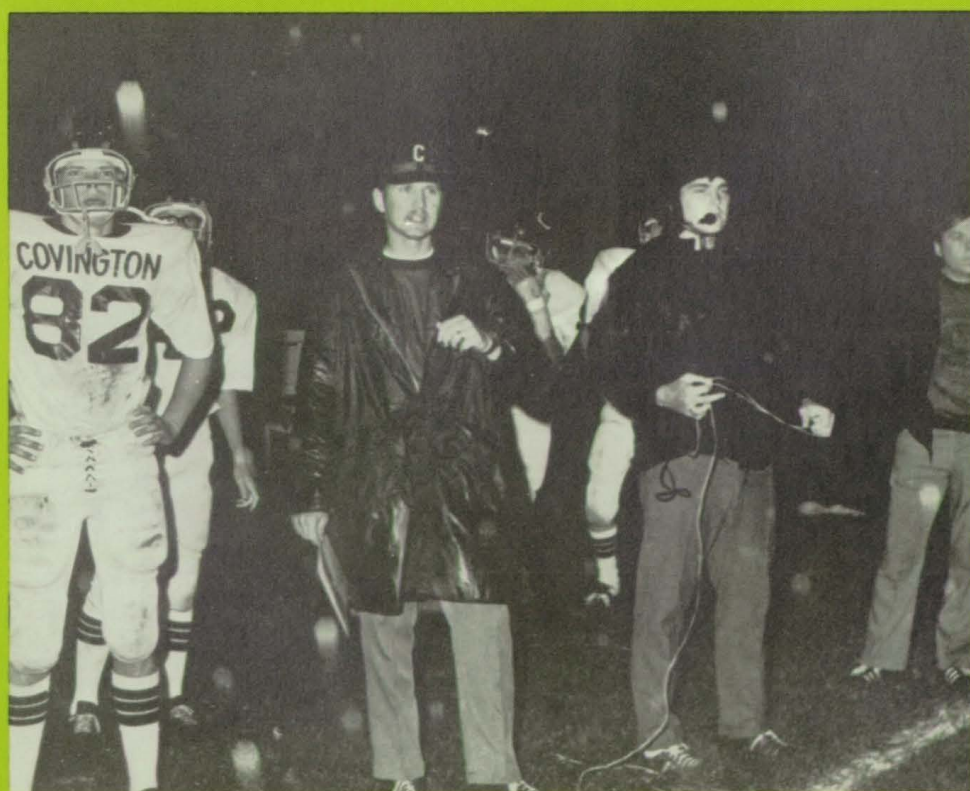

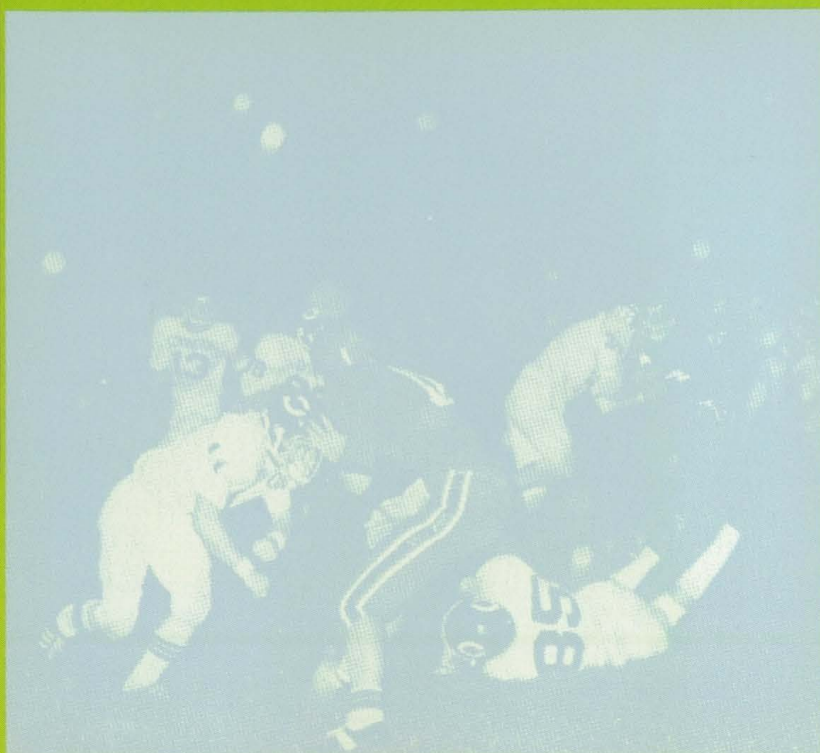

Shively takes the lead.

The football team had an excellent season with a record of 9-1 under the direction of new head coach Rex Thompson.

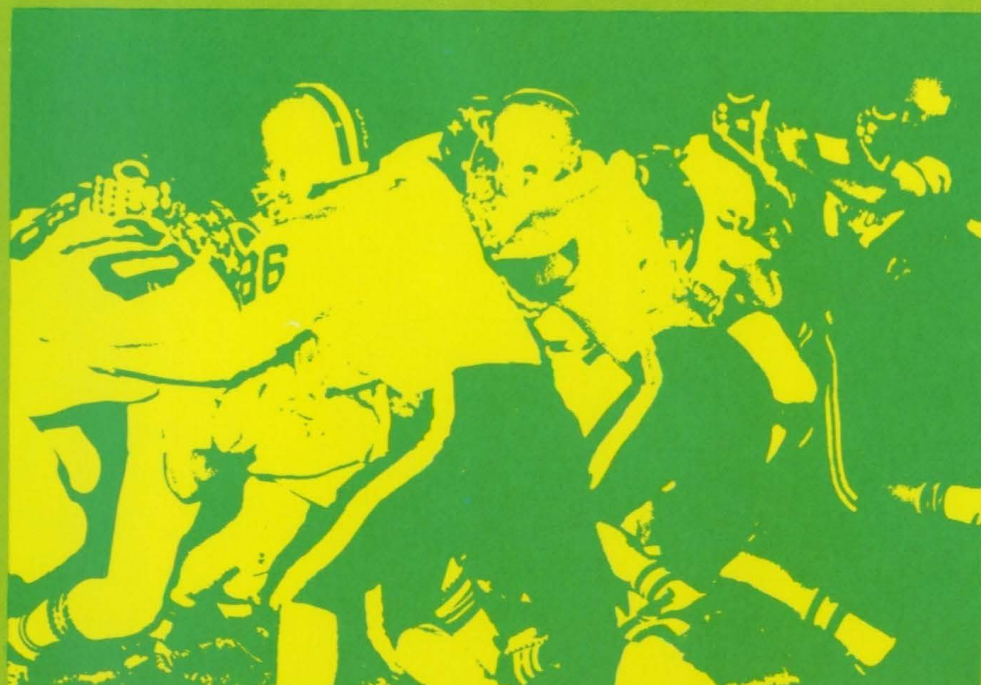

The coaches watch carefully.

Shafer goes for the tackle.

Tim Vogler dives for more yardage.

Stop clowning around.

The students were asked to show their spirit during spirit week by dressing up.

FACULTY

Administration

The Buccaneer of 1974-75 continues a Covington High School tradition. The annual staff and advisor are to be commended for their efforts in presenting the activities of the year.

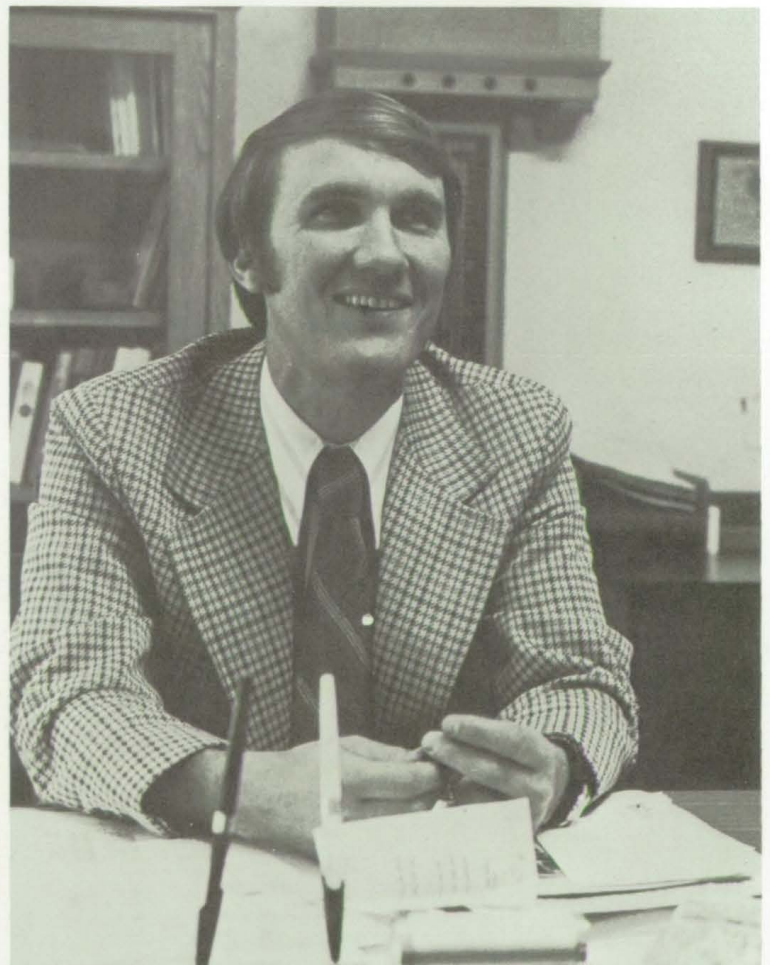

Our congratulations and best wishes for success and happiness to the graduates of 1975.

Mr. Irvin

The 1975 Buccaneer will serve to illuminate once again the many beautiful memories of the 1974-75 school year. This historic ledger will reveal to future generations the excitement not only of academic and athletic conquests, but it will also recall the relocation of Covington High School into the new facility. This event more than any in Covington history involved students, staff, administrators, the Board of Education, and hundreds of Covington's citizens in a momentous occasion which will facilitate a broader education for students in the Covington School system.

I extend a sincere thanks to all the classes for making the 74-75 school year a memorable and exciting experience. I also wish to congratulate the Buccaneer staff and their advisor for a job well done.
