Bandcamp is always a time all band members will remember. Camp started on August First this year and ended on August Seventh. As time marched on so did the band, the laughter, the parties and the running of little feet in the small hours of the night.

Believe It or Not!

Practice is really done at bandcamp. It is not all fun. But most of it is!

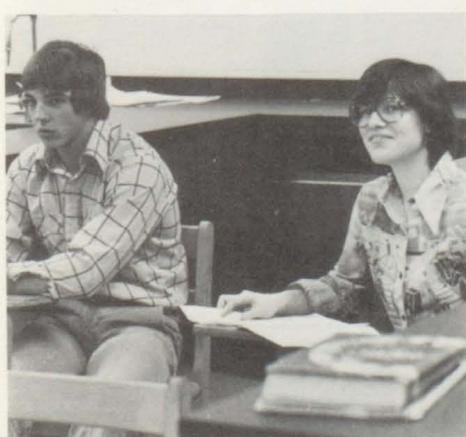

Home Economics students held nursery school again this year.

The Buccaneer has grown out of a compelling need to capture, preserve, and extend the rich memories of the school year. How wonderful it will be to ponder these pages in years to come.

I extend my sincere congratulations to the yearbook staff and best wishes to the graduates.

Mr. Irvin
Superintendent

The 1977 Buccaneer has effectively written our memories for posterity. This edition will help us to relive the enjoyable moments of the 1976-77 school year. It will bring us all together in a visual illustration which we will cherish in later years.

I congratulate all of those who have contributed to this endeavor and extend my best wishes to the class of 1977.
