Band Camp this year was held at Hershey Hall in Bluffton, Ohio from August 6th to the 12th. It was a week of hard work but mostly a week of fun. The tradition of Freshman initiation was carried out very well by the Seniors. They were all entertained by some of the very daring challenges the Freshmen were put up to.

The band also performed a show for the parents Friday night that included the songs from "WEST SIDE STORY."

This year the 1979 Jr.-Sr. Prom was held on Saturday, May 12, in the Middle School Gymnasium. The theme "Grand Illusion" was carried out with silver moons and silver stars.

The after-prom was held at Covington Bowling Alley where the band "Title Trak", consisting of some of our own Juniors and Seniors, entertained everyone with some of their good old "Rock and Roll."

Bucks draw fans (Mr. Russell Johnston) from their back yards during this year's football season.
They were the captains in Jr. High. Does anyone think there is a difference?
A WORD FROM THE COACH:

The 1978 football season was very successful and gratifying to me as a coach. The season record was very good — Coleague CHAMPS with Versailles, second in the Southwestern District, and an overall record of nine wins and one loss.

While records and league championships are important and impressive and all teams work toward them, there are immeasurable qualities of a team that often go unnoticed and unpublicized. These qualities are teamwork, attitude, and willingness to put team welfare before personal gain. The 1978 football team should be remembered for their outstanding team effort and for the many individuals who did make personal sacrifices so that the team would benefit.

I would like to personally thank the seniors of the 1978 football team. They will be missed by everyone. Good luck, Seniors, and thank you!

A WORD FROM THE COACH:

This year our Basketball team finished the season with a 20-2 record. We are very proud of this record, along with many other accomplishments registered by this team. They managed to win the Miami County Holiday Tournament for the fourth time in six years, captured the Three Rivers Conference Championship with a 6-0 league record, was voted the number one seed in the Dayton District Tournament, won the sectional title, and finished the season as the District Runner-Up.

Personally, I feel each member of the team gave 100% effort to reach for these goals and standards. I thank them for that, and hope that the memories of this season lives in their hearts forever.

A WORD FROM 
THE COACH

The 1979 track season can be called a success. The team strength was provided by the upperclassmen while a strong freshmen class provided some depth. The team had good balance with individuals capable of scoring points in nearly all the events in the invitational meets. Our season dual meet record was a very poor 3-6, but we did finish in the top ½ in all the invitational meets.

The highlights of the season were a second place finish in our own Covington Invitational, the new school records in the 440 relay and the 300 meter low hurdles, and the many personal best times and distances set by the team members.

A WORD FROM THE COACH

This season the baseball team was 6-11. We ended up in a 5th place tie with Springfield Central Catholic. One bright spot was our 2nd place finish at the Russia Invitational. Jim Tobias made first team all TRC and Dale Rhoades and Dan Cain made second team.

A WORD FROM THE COACH

Although the Cross-Country team did not win many meets, the members of the team all worked and competed hard. Each member had his own individual moments to remember. I compliment the team on their hard work and dedication. Hopefully some of these same men will help turn the program around in the future.

A WORD FROM THE COACH:

The golf team suffered through a very disappointing season as they finished sixth in the TRC and overall had a below .500 record. More individual and team consistency will help to improve its record next year. The season was not without its highlights, however, as Jim Tobias finished in a 4th place tie in the TRC tournament. Scott Tobias was the team MVP.

A WORD FROM
THE COACH:

The Wrestling team ended the season with a combined 27 wins 23 losses. The season saw us get 3rd place at the Sectional District Tournament. All the boys did really well this year but among the outstanding performers were Randy Kimmel, Randy Mohler, Bill Knick, Travis Brannon, Kirk Tisdale, and Rus Ely. Congratulations and thanks to these young men for a fine season.

COVINGTON
DOING FINE
JOB

To The Editor:
On the 18th of May this year I had the opportunity to attend "Spring Days" at Covington High School. "Spring Days" at CHS is best defined as an all day picnic. The students at CHS are courteous, polite and overall friendly. As the day progressed everyone participated in their chosen activity. Choices were volleyball, softball, checkers, chess, jarts, and numerous other activities. There was an excellent band playing outside the school. The band consisted of current students and alumni. At no time during the day did I witness any sort of discipline problem or need for close supervision.

What I'm trying to say is that in this day when some of us old folks look on our youth with critical eyes there is one place where the young people show respect for their elders, teachers and freedoms. It was obvious to me that the faculty at Covington High School is doing a fine job with a good group of young Americans. The faculty's relationship with the students is a credit to the students, their parents and the Covington community as a whole. Keep it up Buccs!!!
I Am Woman
A WORD FROM THE COACH

The volleyball program is in a developing stage. Next year we will be looking forward to getting more girls that were in the Jr. High program. It is evident that the Jr. High program is strengthening our program, because some of the freshman girls were used on the varsity team this year.

If we are to improve, we need more girls who are willing to work hard, take the game seriously and make volleyball their first priority.

SENIORS: Sheryl Rapp, and Jodi Miller.

Although the Reserve team had a losing record, the 4 wins represented the most ever posted by a reserve team. The team, led by a group of determined freshmen have the potential to become one of the best volleyball teams in the area in a few years.

### SENIOR

Jackie Winks, the only senior on the girls Varsity basketball team, played for Covington her Junior and Senior years. This year the Coaches Award was given to Jackie.

### A WORD FROM THE COACH

"Consistency" is the best word to describe our past season. When our offense was in trouble our defense was always there to soak up the problems like a sponge. Also, when our defense needed help, the offense was in there trying. Our team is looking forward to the years to come.

A WORD FROM THE COACH

I feel that the girls track team accomplished everything that their ability would allow them to. The one thing that I appreciated the most was the loyalty of our senior girls, who finished what they started four years ago.

Hopefully, next year will produce more satisfying individual and team efforts and accomplishments.

FOOTBALL CHEERLEADERS: Denise Thomas, Leslie Catterlin, Cheryl Baldridge, Jacque Heffner, Julie McMaken, Missy Perrine.

A WORD FROM THE ADVISOR:

All the cheerleaders worked very hard throughout the seasons supporting the individual team. They spent many hours practicing chants and cheers, making signs to show the teams they were behind them all the way, and trying to boost school spirit. Each person involved in cheerleading this year learned one thing — it is not all fun and games but also a lot of hard work.

A WORD FROM THE ADVISOR:

This has been a very enjoyable year with the yearbook staff. The staff are considerate and good working students and I am very proud of them. They have incorporated many new and different touches to the book this year. The Senior pictures in oval form, Senior wills, and the Senior baby pictures are just a part of the "Buccaneer 1979." I believe that the music theme they chose of "song titles and groups" is a good theme and they have had a fun time with it and are hoping that the student body enjoys it. Putting a yearbook together takes the entire school year and I really believe this is true dedication to a school tradition.
A WORD FROM THE ADVISOR

The art club is open to any student enrolled in art or any student who has completed at least one year of art.

The art club fills poster orders, sponsors the spring art show, takes a field trip, has a raffle, and does various art jobs needed around the school, ending the year with a picnic in May. — Mrs. Jane Gildow

A WORD FROM THE DIRECTOR

One of the primary functions of any organization within the school is to promote the betterment of the school. Some people may differ with me, but I feel that the Band is one of the main proponents of the school. The Band is repeatedly in the public eyes as being representatives of the school and should be indicative of the type of education that is being done within the school.

The students of Covington will decide what will happen with the chorus program. We have only a few students involved in chorus this year but they have worked hard and I feel the quality of the chorus is improving each week. What we need now is for students to become involved in chorus. Basically we need more people.

CHORUS PRESIDENT — (Right)
Connie Rhoades

FROM THE ADVISOR:

The Covington Future Homemakers of America Chapter has been very active this year. The members attended the Spring and Fall District Meeting's State Rally, and the State Convention. Monthly meetings also help to conduct business and activities.

Two members were elected as district officers this year, Carolyn Warner as Vice President and Jenny Stickley as Treasurer. Twenty-two members participated in recognition activities and our chapter was honored to present colors at the 1979 State FHA Convention in Columbus. All in all, a successful and prosperous year.

OFFICERS AND ADVISOR: Beth Monnin, Miss Trost, Sheryl Rapp, Gretchen Reck, Judi Hitchcock.

The French Club was organized to associate French with English. The Constitution was written and then translated in French. Most of the meetings have some French culture in them. Everyone looks forward to the Annual French Banquet and our Candlelight Christmas dinner with all French food. Several projects are planned to make money.
A WORD FROM THE ADVISOR

Sophomores, Juniors, and Seniors are eligible, based on grade point average. Sophomores must have a grade point average of 3.5; Juniors 3.3; and Seniors 3.0 to qualify for faculty ballot. Then, each eligible student is voted on by the faculty in the areas of character, leadership, and service. Those whose averages are such that permit them to be elected into the NHS membership are then inducted in a formal school-wide assembly in the Spring. It is quite an honor to be inducted into membership in the National Honor Society, since not only must members have excellent grades; they must also have high marks in the eyes of the faculty which votes on them.

Tri-Hi-Y has three major activities each year. Those are Powder Puff Football, Christmas Caroling and party, and the Style Show and tea. The Tri-Hi-Y is also responsible for the Coat Check at the basketball games. The Historian keeps a scrap book of activities of the Covington School System during each school year. The scrap book is placed in the high school library. Since Tri-Hi-Y is a charitable organization the proceeds from the Powder Puff game are given to a local charity.

These student librarians have provided much help in the library this year. Their duties included checking books and magazines in and out while helping to keep the center working efficiently. They were good workers and we could not have done without their fine cooperation and support. We hope this experience of having worked in the center will be of benefit to them in the future.

Mrs. Eileen Yaney, Supervisor
Mrs. Alice Caldwell, Library Aide

At Christmas time the student librarians exchanged gifts and ate pizza.

The Freshman class has sponsored a few activities this year, and they will try to do more in the future years. Some of the freshman class contributions are: they purchased a light bulb for the football field, decorated the hall for Christmas, and they held a dance after one of the basketball games.

They have raised money by collecting class dues. They hope to sell candy bars at the track meets in the spring.

Pictured: Mrs. Phyllis Rapp, Mrs. Pam Williams, Deb Besecker, Mrs. Barbara Besecker, Mrs. Lucy Hitchcock, Mrs. Elgizsa Wenning, Mrs. Joyce Hall, Mr. Gary Scarth, Mr. Bill Burton
I'd like to thank all of those people that helped me make it through to my "Grand Finale". Among those people I would like to especially thank are Missy Perrine — Asst. Editor, Mrs. Jane Gildow — who did the artwork on my "Table of Contents" page, Jon Furrow — who with his abilities drew the picture of the school on the opening page, Jerry Shoemaker — who came to so many activities to take pictures this year, and Mrs. Alice Caldwell who had confidence in me to the very end. To all the graduates of 1979, I wish them a very happy and successful future.
