JUNIOR-SENIOR
PROM

The Junior-Senior Prom was held on Saturday evening, April 25, 1981. It began with a meal at the Troy Holiday Inn. Their famous Strawberry Buffet was served. The meal was made up of roast beef, chicken breasts, English batter fish, scalloped potatoes, au gratin potatoes, hot vegetables, sixteen assorted salads, glazed fresh strawberries, rolls, butter, and beverages.

Next the dance was held at the Upper Valley JVS. It began at 8:00 p.m. with music provided by Joe Dawson from WDJX. The photographers for the evening were Mr. Jerry Shoemaker and Mr. Mike Underwood.

The after-prom was held at the Piqua YMCA from 12:00-7:00 a.m. A wide variety of activities were available along with refreshments.

The theme of the Prom was "The Best of Times" and we hope that everyone truly did have their very best prom.
We're getting the swing of it now.

JUST FOR THE GRADUATES

How grand you look in cap and gown! You smile, relieved, your books laid down. And diploma tight within your hand, facing the future of our land. Wondering what lies ahead for you; Where you will live; what you will do. That’s life. When one assignment’s done, You’re face to face with another one. Take it from me — I’ve walked your way; I’ve stood on my graduation day. Happy, over a course well done; Fearful about what was to come. But then I sensed, right by my side The Lord of Glory, my Friend, my Guide. He understood my hopes, my fears And smiled, I’ve walked a road that’s true; Trust Him. He’ll walk life’s road with you. God Bless each and everyone of you.

Field Day was held on Friday, May 15, 1981. It was a cold, rainy day and many of the activities had to be held indoors. As you can see from these pictures, the rain did not dampen the spirit of the students and a good time was had by both the students and teachers.

A WORD FROM THE ENERGETIC

The football team, for the second year in a row, went to the State Tournament. They won the quarter-final game with Williamsburg 27-0. They lost the semi-final game to Newark Catholic 10-14.

The 1980 football team reached higher and went farther than anyone anticipated. I think this was possible because of the team work of this group. The 1980 football team was truly a "team" with 11 players on the field working toward a common goal.

The girls have shown tremendous improvement in the development of volleyball skills. They were a very young and inexperienced team with only three players back from last year's team. They worked hard all season and played well in many games.

The Varsity finished the season with a 7-16 record and the Reserve finished with a 12-9 record. We are looking forward to next year with everyone back but two seniors.

Mrs. Paula Coder

Mrs. Becky House
A WORD FROM THE GOLFERS

The 1980 golf season was one that saw 14 boys competing for the five varsity positions. This was the largest golf squad ever at Covington and it helped to provide us with much strong intra-squad competition.

The overall team record was not outstanding, 9-12, and a fourth place finish in the Three Rivers Conference, but both team and individual performances improved greatly throughout the year.

Jim Tobias and Jerry Minnich were co-medalists for the year with 43.8 averages.

Mr. Ron Schultz
A WORD FROM THE RUNNERS

With the arrival of a talented freshman class, the cross country team improved its record from 17-71 in 1979 to 51-60 this past year.

Despite injuries to key runners, the team’s hard work allowed them to fare very well in all of the meets. With everyone returning in 1981 we are looking for our best year yet.

Steve Dunn qualified as an individual to district and placed 61st in that meet.

Boys' Basketball
The 1980-81 Reserve Basketball team was a pleasure for me to coach. Never before did I have a diversified group as this year’s. The mixture of three freshmen, three juniors and the sophomores accomplished many things. We defeated every team on our schedule and, for the second year in a row, won 19 games. I am very proud of this group of boys. I know they will continue the winning tradition at Covington.

Mr. Steve Fisher

The Freshmen basketball team finished the season with 10 wins and 6 losses. Five of these losses were by 3 points or less. They also finished second in the TRC Freshmen tournament at Versailles. I am sure that each team member will have his own memories of the basketball season just as I do.

Mr. Ed McCord

FRESHMEN STATS: Rick Clever, Scott Williams, Steve Cain.

A WORD FROM THE COMPETITIVE

As the 1980-81 Boys' Basketball season ended on the University of Dayton Arena floor, one did not have the presence of mind to realize that the greatest basketball team in Covington High School history was being seen together for the last time.

When many of these young boys started their basketball careers in the fifth grade, we, the coaches, knew then, that they would have very rewarding high school careers.

The dream of an undefeated season was just a dream. Through the hard work of these young men on the court, the constant support of their fans, friends, and most of all their families, the dream blossomed into a reality.

The season came and went like the light from a falling star. The season had its moments of brilliance, sparkle, happiness and joy, but before we all had time to realize, the season was over as it faded right before our very eyes.

This team lived up to its reputation and built upon an already great tradition. I'm sure it does not realize how great an impact it has had upon the basketball fortunes of the future.

We must start now to gaze into the heavens for the next star that might light the way to even greater success and happiness and pray that it does not keep us waiting too long.

It is time to start dreaming again!

A WORD FROM THE PHYSICAL

The 1980-81 wrestling team had a very good season with a 12-2 dual-meet record, and placed second as a team at the Districts, Sectionals, Covington Invitational, and the Tri Village Invitational. All five seniors placed at the sectionals; Don Emenegger and Kirk Tisdale placed 1st, Ted Fields was 2nd, Curtis Mohler 3rd, and Ben Mutzner 4th. The other team members were; Brad Hall 1st, Kent Musgrave 3rd, Craig Vanderhorst 4th. Placing at the District were Kent Musgrave 4th, Ted Fields and Curtis Mohler 3rd, Kirk Tisdale 2nd, Brad Hall and Don Emenegger 1st which qualified them to the State Wrestling Tournament.

A CHAT WITH THE LIVELY

The Covington Girls Varsity basketball team accomplished many things this season. These girls are young and are learning with every touch of the basketball. Their attitudes have improved and they have more confidence in themselves and their teammates. They are learning what the three D's mean to becoming a winner. The three D's are Dedication, Determination, and Desire. The 1981-82 season should bring them much success, happiness, and victory, but always remember that these can be accomplished within themselves as well as on the court. These girls will be spilling much of it out and sharing it with others.

Mr. Steve Nealeigh
Reserve Girls

TALK TO THE ACTIVATORS

I really enjoyed working with the girls this season. We worked hard and there was never a dull moment. This team has a lot of spirit; even when we were behind they were always working and yelling for each other. I’m really proud of the girls and I think they represented the school very well. This year they came in second in the TRC and the girls are looking forward to taking “first” next year. I have seen a big improvement in all the girls. If they keep working as hard as they did during the season they will be a team to be stopped in 1981-82. Good luck with your school work and sports.

Miss Deb Hite
Girls Basketball
The 1981 boys track team had a very outstanding season. The team won three major meet titles — Edgewood Relays, Covington Invitational, and the TRC. They placed no lower than fourth in any other major meet until the State meet. At State, the 400 meter relay team of Kevin Finfrock, Kelly Deeter, Phil Reck, and Scott Winks placed second, to give us eight points and an overall finish of 16th in the state.

The team was led throughout the season by a few outstanding individuals, but it was totally a team effort that gained the success that were achieved by this 1981 track team.
The track team had a successful year.

440 relay team placed 2nd at State.

The baseball team had a disappointing season this year. Offensively we did better than expected but our defense hurt us at times.

We had seven seniors on the squad this year but most had very little varsity experience. Two of these seniors, Steve Simon and Omer Wenning, helped the team by batting over .400.

Although the season record was not as good as the players had hoped for, everyone played as a team, not losing the desire to want to win.

Mr. Jim Harding
The girls track team had a very good season with a 11-5 dual record. They were second at the Three Rivers Conference League.

This year alone they broke 12 out of 14 school records. Breaking the discus record was Lisa Horen, high jump was Cindy Byers, and long jump was Shannon Irvin. The 3200 meter relay team was Laura Longnecker, Holly Irvin, Cindy Byers, and Shannon Irvin. The list of records broken continues with many team members talents.

Most team points scored was by freshman Cindy Byers at the total of 100. Holly Irvin had 91 1/4 in track events. Field events was Lisa Horen at 54.

Mr. Tom Barbee
3200 meter relay team placed 5th at State.

A WORD FROM THE BATTERS

This year's Covington Softball team has improved throughout the course of the year. Inexperience has hurt us in most of our games but the only way to gain this experience is by playing. In future years the Covington Softball team will develop into a fine team if the players continue to improve.

A Word From the Supporters

As has always been the case, successful athletic teams make the cheerleader’s job more enjoyable. Except for a very few disappointments, the cheerleaders were afforded the opportunities for a great deal of enjoyment. All the squads worked very hard throughout the year supporting their respective teams. The hours of practice were quite tiring but when the entire squad performed well, the time was well spent.

I truly appreciated their willingness to work and their cooperation. Their attitude made my job easier and very enjoyable.

These were great squads. I’ll anticipate great things from many of them in the future at Covington High School.

A WORD FROM THE ARTISTIC

The Art Club is a service organization. We do art work (posters, signs, etc.) for any school, community groups, or individuals to earn money for the club. Each year we have a raffle, (TV set, calculator, and a set of radio headphones).

We arrange one field trip to an art school, college, or museum. A Spring Art Show is set up and coordinated each spring by the Art Club. The students from the High school and Middle school may enter art work that has been done during the current school year.

Our meetings are once a month. Art Club membership is open to any student who is currently in or has taken one year of high school art.

Mrs. Jane Gildow
The Buccanews is continuing to improve as a school newspaper. With the hard work of the editors and staff members the past couple of years, the paper has brought much information to the students and community.

I hope that the Buccanews continues to grow and improve in the future.

Mr. Steven Fisher

The Buccanews' primary purpose is to entertain and inform the student body. In order to do so, the paper must have a hard working staff as well as a cooperative student body.

As far as advice to anyone who wishes to participate as a member of the Buccanews Staff, I would like to say this: "You should work on the quality of your writing and get your articles in on time."

I want to say "Thanks" to the typists and Mrs. Snyder as well as everyone else who helped get the paper out. I would also like to wish well to next year's staff and a lot of patience to Ken.

Editor, Chuck Yingst
The purpose of the Covington FHA Chapter is eightfold. The purposes are found in the Constitution and By-Laws Article I, Section B. Our organization meets bi-monthly and works on various projects in class. This year our chapter has participated on district and state levels. They were active in workshops and competitions.

Our contributions are Children's Hospital and Mainstreaming Activities for Youth. The State Convention is held April 9-11 in Columbus, Ohio.

A MESSAGE FROM THE FRENCH

The French Club was designed to interest students in the cultural aspect of French. Our Christmas project was making cookies for the Community Care Center.

"Jingles" were sold at Christmas time to make things a little merrier at school. The Fish Pond at the Carnival is the highlight of the year. A banquet is held at the end of the year to recognize those Seniors who are in the Club.

Miss Doris Trost
Key Club

A WORD FROM A KEY CLUBBER

The Key Club has many activities that keep the members busy. Paper drives are held bi-monthly for school funding projects.

Our fun activities are made up of a Christmas party, hayride, and a dance. Projects for the year include the Stillwater River Clean-up, helping children on Halloween, and charity drives for Heart Fund. The Key Club also purchased some new flags for downtown Covington.

Mr. Alba Hurlbut
The National Honor Society is an organization for students with outstanding qualities in scholarship, leadership, character, and service as determined by their teachers and their actions in school. Sophomores, Juniors, and Seniors are eligible, based on grade point average. Sophomores must have a grade point average of 3.75; Juniors 3.5; and Seniors 3.25 to qualify for faculty consideration. There is a formal schoolwide assembly in the Spring to induct the new members. This year the NHS gained nine new members. Having such an organization at CHS should encourage students to strive to better themselves and also to help promote top quality citizens for the future of our country.

A WORD FROM THE SCHOLARS

The Ohio Tests of Scholastic Achievement are especially designed for students who enjoy the challenge of stiff academic competition and aspire to individual recognition. All secondary schools in Ohio are encouraged to enroll their best students for this competition. To enter, students must be currently enrolled in the specified subjects.

Mrs. Marjorie Tisdale

It pays to study.

Dan

We try to help all students.

Student Council

Is that really going to be a tree?

Mr. Henry admires the beauty of our hall.

Student Council has POWER!

ADVISOR: Mr. Fisher

A WORD FROM THE ORGANIZERS

In the 1980-81 school year, the Student Council has performed many functions, with the sole purpose of increasing school spirit. Beginning in September, it sponsored the annual Homecoming Parade. Then a Halloween “Spirit Day” was planned. On election day a “mock election” was held for President which Ronald Reagan won by a landslide.

A new project was sponsored by Student Council called the “Computer Match” for students to find their 10 perfect matches. On May 15th the student body enjoyed the annual “Field Day” despite a rainy, cold day.

The Student Council has become a very active part of the school. I believe that with continued interest, school spirit will improve, thanks to Student Council and its efforts.

The members of the TNT are very active in the Covington School system. The members assist teachers with students that need special attention or extra help with their subjects.

The clubs major activity for the year comes during "Right to Read Week" when they plan and perform a play for elementary students.

A WORD FROM THE LADIES

The Tri-Hi-Y purchased a set of tags for Powder Puff football. The game was played on November 1, 1980. Kevin Finfrock was crowned as Mr. Big Stuff during the half-time of the game. The game between the Juniors and Seniors ended in a tie. The money collected at the game was donated to the Covington Emergency Squad.

Our Editor of this 1981 "Buccaneer" yearbook, Kelli Clark, has shown that you can attend the JVS and still be actively involved with your home school. I believe that a student must have a genuine desire to do this and Kelli has proven this desire by producing this excellent yearbook.

Kelly Christian, Asst. Editor, has done a fine job of helping lay out pages, getting articles from the advisors, preparing pictures, etc. She has assisted the Editor in many ways. Our yearbook has had tremendous support from the Ad Staff of twelve students. I am proud of each of the Ad Staff members as they did their job well.

We wish to thank everyone for their cooperation during the year — especially the students, teachers, photographers Jerry Shoemaker and Mike Underwood, and our Principal Steve House. A special "thank you" to all the businesses who purchased an ad, as their continued patronage pays for about one-half the total cost of the yearbook. Also, our appreciation to the Piqua Daily Call, Troy Daily News, and the Stillwater Valley Advertiser for sharing their pictures with us.

We hope that you enjoy this yearbook as much as we have enjoyed putting it together for you.

A Word From the Graduates

On September 9th the Senior Class held its first of many meetings. Plans were made for deciding the class motto, song, flower, and colors.

As the year went on we ordered class keys and memory books. We were fitted for caps and gowns and ordered announcements. Our caps and gowns will be “keepsake” this year.

Now we are awaiting May 24, 1981, our Graduation Day.

Mr. Ed McCord

OLD FIRE STATION

The Senior class officers’ picture was taken at the Old Fire Station.

The Fire Station was built about 1837 and over the years it has played many roles. Its second floor was used for an armory and drill room, township trustee and justice of the peace offices.

Besides being a fire station, a schoolhouse, and later a jail facility was housed here. This is a little history of this building that has played an important role in the Covington community.

Campaign managers were Mark Keiser for Susan Landis, Jackie McCool for Missy Perrine, Holly Irvin for Stacie Cain, Deb Simon for Penny Iddings, and Kelli Clark for Laura Hindmarch. The Zealous Jrs.

The main project of the Junior Class was to raise enough money to sponsor the Prom. The class was in charge of the concession stand at the athletic contests in the High School. The Juniors also had a fruit sale.

Plans for the prom are to have the banquet at the Holiday Inn, dance at the Upper Valley Joint Vocational School, and the After Prom at the YMCA on the evening of April 25, 1981.

THE CIVIL WAR CANNON

On August 14, 1897 the village of Covinton received a Serge Gun from Pittsburgh, Pennsylvania. The cannon weighed 15,500 pounds and had 20 cannon balls weighing 100 pounds each. After paying the shipping cost, $8.00 to move the cannon and about $35.00 for mounting materials the cannon stands where we see it today.

On May 28, 1898 the cannon was mounted and in position at the Highland Cemetery. The village residents may be thankful to Langston Post 299, Grand Army of the Republic for providing this artifact from the Civil War.

THE TOWNSHIP BUILDING

This building is 71 years old and has served our community in various ways. At one time it was a theater. If the curtains on the stage were to be lowered, one would see a rendition of Greenville Falls.

It has served also as a youth center for the youth of this community. There have been many things housed by this building. To name a few; doctor’s offices, the Board of Education, a barber shop, and an insurance association. The township building served as the sight for the Sophomore class officers picture. It was built in 1910.

A WORD FROM THE SOPHS

The Sophomore year is usually the first big money making year. As in other classes the purpose of making money is to pay for the prom their Junior year and for graduation expenses.

Projects to make money included a car wash, basketball shot contests, and a candy bar sale. The student participation was good and class dues were set at five dollars per student.

A WORD FROM THE FRESHMEN

The freshmen do not do many things their first year as high school students. Most of the first part of the year, they are trying to become accustomed to being in the high school. Bake sales were held to cover expenses.

The class of 1984 has been a very spirited group as they participated in the Spirit Day dress up and sponsored a float in the Homecoming Parade.

COVINGTON TOWN HALL

The present City Hall sits on lot #31 which formerly had been #19. This site is one of the original 36 plots platted in the village. The building has been a house/Dr. Office, Car dealership, hardware store, and housed the Dayton Power and Light Co. until May 28, 1975. On that day the Village of Covington purchased it. It serves as the quarters for our Police Dept.

A SALUTE TO OUR SECRETARIES

Our school Secretaries perform numerous duties that are essential for a school system to run smoothly. The high school Secretary, Mrs. Buckingham, is responsible for all the bookkeeping of school activity accounts, report cards, schedules, typing for the Principal, and many other items associated with a school office. Mrs. Kinney, Board Office Secretary, posts all daily transactions, types financial statements for the Board meetings, and in addition to her own work she assists Mrs. Frantz when needed. Mrs. Frantz, Treasurer and Secretary to the Superintendent, has a wide variety of jobs that she must see are done accurately and efficiently. She is responsible for all finances of the school district, correspondence for the Superintendent, and many more responsibilities that fall upon her shoulders.

Covington Exempted Village School is very fortunate to have these three ladies as our Secretaries. Also, even though not directly associated with the high school system, we wish to acknowledge Mrs. Mary Ellen Landis as Middle School Secretary and Mrs. Linda Rench as Elementary School Secretary who are both very competent at their respective schools.

It is sometimes difficult for a student when seated in a classroom, to think of a teacher as being anything other than a teacher. The person holding that grade book or writing on the blackboard does have a life outside of school.

Teachers do not wait with held breath for Monday mornings nor do they feel disappointment on "snow days". If anything, they look forward to "TGIF" with more zeal than the students. They do not enjoy grading papers, dealing out "F's" or giving students a hard time. Teachers want, very much, for their students to succeed, to do well. Teachers do the best they know how and it's time we appreciated their efforts.

Their wishes were made on March 2, 1981. We hope that all their wishes come true.

Dear Students and Parents:

We at Josten’s are proud to serve you!

We believe we have superior products, warranties, and service!

We are very “student oriented” — we have been working with high school students in this area for a cumulative total of over seventy years!

We support high school publications, yearbooks, class programs, and athletics!

We contribute to colleges and universities, and even have a scholarship fund!

We are interested in, and enjoy working with, today’s youth!

We are proud of our product and our service. We replace broken or chipped stones, resize rings if needed, and completely maintain rings as long as the student is in high school — and at no charge!

If you have any questions, or if you would like to see samples of rings or stones, please feel free to call us.

In closing, there are several things I would like to say. I would like to thank my Assistant Editor — Kelly Christian and wish her well with next year's yearbook, Mrs. Alice Caldwell, my advisor for her patience and understanding in working with me as I attend the JVS, and Mr. Jerry Shoemaker and Mr. Mike Underwood for always being available to take pictures. A special thanks goes to Denise Schaurer for her help with the inside cover. Also, I am grateful to Miss Kathleen O’Roark, Mrs. Grace Reynolds, Mrs. Iva Maier, and Mrs. Sally McCool for the historic information they provided. I would like to wish the Seniors of 1981 that God's blessings will bring each one of you peace, joy, and prosperity.
