COVINGTON — For this year, it seems, the God of football has chosen not to be on Bob Johnson's side. For the third year in a row we've been hearing 'Mr. Big Stuff' Covington. Not the big stuff, but the big stuff, and we will use the word way in the rush for points.

COVINGTON High School was selected Phil Reck for the American Legion Post 80 and Auxiliary Monday night. The Americanism awards were presented to Covington students by awards, $50 savings bonds, presented by Commander Jacob T. Smith (far left) and Gertie de Martin, auxiliary president, at the American Legion Post 80 Auxiliary Monday night.

The Buccs, who were the first team to meet, had only 10 of the 13 varsity spots filled. Placing fourth for Covington were Chris Paiser (155) and Bill Wise (175). The Buccs were led by Toby Last, who placed second overall.

Buccs, Red Devils embrace 0-0 tie

The key for winning tradition

The last possible moment Covington’s safety lunged and stripped the ball away and the Buccaneers’ Dave Sampson was there to scoop up the pigskin.

WHEN ASKED ABOUT the Covington coach Larry Bean said, “We were offside and got a big

yardage penalty,” he admitted. “We were

up 20-0 and got a big

yardage penalty.”

The tempo of the game and Tipp’s defense were dominating.

The 1983 Three Rivers Conference volleyball teams have been named.

Lebanon High School, which finished first in the TRC with a 6-0 record, had two individuals named to the first team: Carol Hemm, a Lebanon junior, and Theresa Butts, a senior. Other members were: Angie Weyant, a senior; Covington; Kristina Shoemaker, a senior; Graham’s Barb Hedrick, a senior; Miami’s Pam East; and Peg Pitsenbarger, a senior.

Second team selections included: Holly Irving, junior; Diane Landers, a sophomore; Graham; Ruth Knisley, Indian Lake; Sheyla derhorst, senior; Lena Seidler, senior; Andi Nettles, senior; Tipp’s Barb Hedrick, senior; and Pitsenbarger.

Honor roll includes: Covington—Missy Wil Juniour; Shannon Irvin; Sophie; Graham—Donna H. Jane Morgan; Indian Lake—Sheila Spick; senior; Natalia Gilliland, senior; SCC—Susie Foutz, senior; Kris Murphy, junior; and Baby Berger, junior; Pat Pitsenbarger, senior.

Volleyball: outstanding player—Angie Weyant; spirit award—Mary Asher; coaches award—Holly Irving.

Golf: outstanding golfer—Jerry Minnick.

Cross country: outstanding runner—Tony Longenbeiner; most improved—Brad Hall.

However, the drive stalled an offside penalty and a del of game put the Devils in a yardage situation. A fourth down pass fell incomplete and the Buccaneers took over on downs.

Midway through the first frame the Buccaneers moved from their own 25 to the 47 in eight plays. Jim Smith and Kevin Deeter accounted for most of the yardage. One third a ten situation, Perrine drilled the pass to Chris Graves that nullified a fumble on the drive.

The ball was eventually trimmed to the 19-yard line and the Buccaneers moved to first-and-goal and scored on a diving two-yard touchdown. The drive gave the Buccaneers a first gain of the 16-yard line with one man left on the clock. Jim Smith attempted a 33-yard field goal but it fell just short of the crossbar.

Bucc awards

Covington—Missy Wil Juniour; Shannon Irvin; Sophie; Graham—Donna H. Jane Morgan; Indian Lake—Sheila Spick; senior; Natalia Gilliland, senior; SCC—Susie Foutz, senior; Kris Murphy, junior; and Baby Berger, junior; Pat Pitsenbarger, senior.

Volleyball: outstanding player—Angie Weyant; spirit award—Mary Asher; coaches award—Holly Irving.

Golf: outstanding golfer—Jerry Minnick.

Cross country: outstanding runner—Tony Longenbeiner; most improved—Brad Hall.

Jerry Minnick had a good reason to be smiling—his team got the ball back on the 10-yard line and scored on a four-yard touchdown. The drive gave the Buccaneers a first down at the Tipp 30-yard line.

The Buccaneers now had a chance to take the lead on a 39-yard field goal. However, the drive stalled an offside penalty and a del of game put the Devils in a long yardage situation. A fourth down pass fell incomplete and the Buccaneers took over on downs.

Midway through the first frame the Buccaneers moved from their own 25 to the 47 in eight plays. Jim Smith and Kevin Deeter accounted for most of the yardage. One third a ten situation, Perrine drilled the pass to Chris Graves that nullified a fumble on the drive.

The drive ended when the ball was trimmed to the 19-yard line and the Buccaneers moved to first-and-goal and scored on a diving two-yard touchdown.

This one's for you
The old and the young;
It's filled with songs
Ready to be sung.

Music is the bond
That binds all as one,
Each expressing himself
In ways matched by
none.
Some of us dance,
Some of us sing,
It matters not —
Just do your own thing!

Wherever you are,
Whatever you do,
Sing and play
Three hundred and two people rarely agree on anything. This idea was carried through on the music, movie, television, and food “favorites.” Almost 81% of the school participated by responding to the “favorite” survey conducted on February 26. The total percentage in each category may seem low but these only reflect the top 10 in each category.

Christmas
The class of 1982 worked very hard during its Freshman, Sophomore, and Junior years to earn money for the Prom and graduation. The Class has enough funds to cover graduation, made a donation toward Yearbook 1982 for color pictures and still will have money left to be used as the class chooses.

The projects for the Class for this year are a float in the Homecoming Parade and decorating the front hall for Christmas.

This class has been fun to plan and work with during their four years at C.H.S. and will be missed when they graduate.

Spirit Day

This year the Student Council sponsored several “Spirit Days.” These days brought about competition between the classes. These days included hat day, jersey day, Halloween dress-up day, Christmas decorations, field day, and the Cupid couple.

At the end of the year, the totals were tallied with the Sophomores winning.

This year's band camp was held at Bluffton College during the week of July 26-31. This year the band learned pre-game and contest shows. While at band camp many long hours of hard work were spent preparing for the upcoming season. Band camp was not all work however as much fun was had by all. After practicing the contest show, the free time was spent doing such things as the Freshmen introductions, the election of officers, watching movies and eating popcorn, having the band olympics, the senior hunt, performing at the Bluffton Care Center, initiation, doing our skits, having a pizza party, learning our music, and performing our show for Vandalia Butler. A typical day at band camp was up for breakfast at 7:15, rehearsal until 11:45, lunch at 12:00, rehearsal until 4:30, dinner at 5:30, rehearsal until 8:30, and then finally free time until 11:00.

This year’s Marching Band proved to be a very successful year. Each year we have three main goals: 1) For the band to improve in each performance, 2) For each member of the band to enjoy what they are doing, 3) To provide shows that our audience will enjoy. I feel that each of these goals was met this year.

We did manage to receive some recognition for some outstanding performances. We received a second place trophy at the Piqua Festival and a third place trophy at the Hamilton Contest.

The 1982 Junior/Senior Prom was held on April 27, 1982.

The night started off with the dinner at the high school at 6:30. The meal was catered by the Spot in Piqua which included roast beef, chicken, scalloped potatoes, green beans, tossed salad, rolls, and assorted pies. Door prizes were drawn throughout the evening.

The theme for the dance was "Sweet Dreams." The cafeteria at the UVJVS was decorated with a wishing fountain, balloons, a veranda, a picket fence, and paper and silk flowers. The Junior Parent Committee served punch and cookies during the dance. The music was played by Joe Dawson from WDJX.

The afterprom started at 12 midnight and ended at 5:30. During this time, the students played tennis, racketball, volleyball, and basketball. Highlights of the afterprom included swimming, the game room, and the movie "Caddyshack."

From there, we went to breakfast at the high school. Sausage, eggs, turnovers, cinnamon bread, milk, and orange juice was served. This was the end of a perfect 1982 "Sweet Dreams" Prom!

I congratulate the graduates for completing 12 years of school and for achieving a major goal in life. I wish them happiness in each of their lives. For this, I dedicate the 1982 yearbook to the Seniors.
The purpose of the Junior Class is to raise money to pay for the Junior-Senior Prom, and to pay for their caps and gowns for graduation. They raise money by having money making projects during the year.

So far we have had two money-making projects. We had a candy sale in September and a fruit sale in November. Both of these sales were very successful in raising money for the Junior Class. Also, during home basketball games, the Junior Class ran the concession stand and received the profits. This also helps out quite a bit in our bank account.

JVS students as well as those at the high school worked equally hard. Many thanks go to all those who helped.

We had more upcoming money-making projects scheduled for the months ahead. If the kids keep the enthusiasm they have shown in helping out, this is going to be a tremendous year for the Class of '83.

Football Finale

The 1981 football team finished the season with a 6-3-1 record. This was a disappointment to the coaching staff and to the team. We had much higher aspirations. This was the last year for the Three Rivers Conference and we were the defending champions. It would have been nice to have won the Conference the last year it was in existence, but it was not to be. Looking back now, the season was not that bad, taking into consideration the injuries and the number of underclassmen who were playing. For the seniors it was the end of an era of good football at Covington, including being Runner-Up in the State in 1979 and Regional Champs in 1980. The record for the four years the seniors were in school is 35-6-3. Next year is the start of a new era for Covington football in the newly-formed Southwestern Rivers Conference.

The reserve football team had a successful season, finishing at 5-1. Our only loss was to Versailles.

The boys matured physically and emotionally over the year and learned what it takes to be good football players. We are proud to have coached these fine boys. The coaching staff is looking forward to their contributions on the varsity next year.

Mr. Steve Fisher
Mr. Ed McCord
The Reserve Volleyball team had a very successful season winning ten out of twelve matches. Each girl in her own way contributed a skill that led towards our winning team.
The Varsity Volleyball team finished the season with 19 wins and 8 losses. They were second in the TRC and won the 1981 district volleyball championship.

It was, by far, the best season in the history of Covington volleyball. The girls have learned how to work as a team and have developed a strong desire to win. Their skills and self-confidence improved greatly over the season and they succeeded in bringing pride to the Covington volleyball program.

We are looking forward to next season with seven lettering varsity players returning. We hope that this season is the start of a winning tradition for the years to come.

Patient Putters

The 1981 golf team had a slightly above average season as the team compiled an 11-9 record. Some of the highlights of the season were the improved play of all the underclassmen, our seventh place finish (17 teams) in the sectional, and our outstanding play in the league tournament. Our team total of 348 in the league tournament was our best 18 hole score since 1973.

Mr. Ron Schultz
The past cross country season capped off a four year total rebuilding of the program. Our 84-19 record out totaled our combined victories of the past three years. Many firsts were accomplished. We received our first trophy in ten years, won our first invitational in ten years, and sent a person (Tony Longendelpher) to state for the first time in six years. The accomplishments of the team can be attributed to their total dedication and desire to be a good team. I would especially like to thank Tony, Darryl, and Eric who saw the program go from bottom to top in their four years. Their leadership and desire was largely responsible for our success. To them and the rest of the seniors, thank you and good luck; and to the underclassmen, I hope you are as dedicated to keeping us on top as much as you were getting us there!

Each team that a person is involved with emotionally (especially when one is a coach of that team) means a lot to that person. This team means a lot to me.

We finished with a 13-9 record, a record that these boys should be proud of. Prior to the season, few people would have predicted 13 wins.

The three seniors, that contributed to this team, and will be missed, are Jerry Minnich, Dale Barger and Phil Reck. I hope they remember all the good times, and look back on their playing days as a tremendous experience for them. Thanks goes to all of the players that gave it "their all."

There are many memories that occur over a basketball season. Each team member has his own special memories of this season that he will carry throughout his life.

However, there are some team accomplishments that need to be mentioned. The team finished the season with four wins and eleven losses. They also finished fourth in the Freshman Tournament.

I hope that in the years to come all of these memories will bring some happiness to each individual.

The 1981-82 wrestling team had an up and down year. They won all of their class A dual meets, but lost most of their other meets. Being a young team they didn’t place very high in the tournaments.

Brad Hall had a fine senior year winning several tournaments, including the districts two years in a row. Brad broke several school records, Most Single Season Wins with 30, Most Career Near Falls with 82, second in Most Career Points with 399 points, second in Most Career Wins with 80. Brad was the Most Valuable Wrestler, Craig Vanderhorst received the Coaches Award, and Glenn Musgrave was the Most Improved.

Mr. Tom Barbee
This year's Covington Girl's Varsity Basketball Team started what I hope is going to be tradition in the years to come. This season marked the first time ever a Covington Girl's Varsity Basketball Team posted a winning season. The final season tally for the girls was 13 wins and 8 losses.

As a team this year we accomplished more than I anticipated. The Girls placed second in the T.R.C.; they brought home the second place trophy from the Franklin Monroe Invitational, and the Girls were three seconds away from going into the sectional finals.

Looking back over the season, I would like to say how pleased and proud I am of the girls. We both learned and accomplished a lot. They gave their maximum effort, they were willing to learn and they wanted to be winners.

Mr. Doug Foster
Pressure, Plays,
And Points

Hustle, determination, and confidence brought the girls reserve team an undefeated record of 7-0 in league play and a 15-3 overall season record. Led by Juniors Jennie McMaken and Tammy Cook, Sophomore Sherry Perrine, and Freshmen Shanda Kimmel and Jenny Hardenbrook, the Buccs put "pressure on the ball" and converted opponent turnovers to game-winning points. The girls set their goals high and were able to achieve many of them this year. With more work on the fundamentals and increasing their knowledge on the game of basketball, the teams at Covington High look very promising in the years to come.

The 1982 Boys track Team had an outstanding season as they sprinted to a 76-17 record through District competition. Major victories by the track team included Three Rivers Conference, Covington Invitational, and Edgewood Relay championships. The team faced a very difficult schedule and was forced to perform at top level in all meets. During the season, the team set two new school records, 3200 meter relay and 100 meter dash, and tied another, TRC high jump. The team was led throughout the season by our 4-year lettermen seniors: Don Fosnight, Phil Reck, Scott Winks, and Tony Longendelpher. They will be greatly missed. Congratulations to the 1982 track team members on their fine season.

Buccaneer Baseballers

This year’s season was not successful in terms of wins. The season record was 3-16 which reflects the frustration of both the team and the coach. In baseball, the key ingredient is hustle. The lack of this hurt this year’s team performance. There are some good things to be seen from this season. Both the leading pitcher and leading hitter are underclassmen. Also, many underclassmen saw a considerable amount of playing time giving them valuable experience. In order to change things around, next year’s returning players will have to be much more dedicated and not only want to win games but to be winners.

A Season Of Softball

This year's softball team went through an up-and-down season finishing with a 6-13 overall record and a 4-7 TRC record. Some of the goals that were achieved included: improving last year's overall record; improving last year's TRC record; and winning in tournament play. The other highlight of the year was scoring 29 runs in one game against Newton. With only one senior graduating, next year's team could prove to be a force in the new Southwestern Rivers Conference.

The sophomores are a very active and creative class. We have fine officers who are concerned about the future (prom and graduation) but yet are enjoying the current school year. This class has a great deal of talent, scholastically and athletically, and if they continue to mature, they can be one of the finest classes to come out of Covington.

**Skillful Sketchers**

The Covington High Art Club is a service organization. We do any type of art work for anyone who asks. We charge a small fee for the purpose of moneymaking. Along with this moneymaking project, we also have a raffle and a dance. This year we raffled a black/white TV set, an AM/FM radio with cassette, and a set of stereo headphones.

With the money we make, we sponsor an Art Show in the spring. In this Art Show, the high school and middle school students enter their projects, which they have worked on throughout the year.

In the spring, the Art Club goes on a field trip to an art museum, school, or college where we may enhance our knowledge or technical abilities.

The Art Club meets once a month. Anyone who has taken one year in art may be in the club.

**Officers:** Joe Denman, Andrea Gessner, Cindy Byers, Mrs. Gildow, Susan Heffner, Carmen Schaurer, Melody Longendelpher.
Happy Homemakers

Future Homemakers of America has an eight fold list of purposes. The organization has been working for these the past 37 years.

The chapter this year has planned five bi-monthly activity meetings. The September meeting was a get-together with old and new members. Purposes, committees, and activities were explained for the year. Games were played and homemade ice cream was the featured refreshment. November was FHA initiation month. New members went through an informal initiation — wearing bibs, bells on their shoes, and bows in their hair — and then a formal initiation. This year the juniors prepared a Thanksgiving meal with the help of the new members. In January an ice skating party was held at Hobart’s Arena, March featured a spaghetti supper and fashion show. The fashion show was presented by Paul Harris spring fashions with FHA sophomores and freshmen modeling. At this meeting, 8th grade prospective members attended to find out more about our organization. In May our annual dessert is held. The members entered a dessert contest and received awards for all accomplishments during the year.

Mrs. Valerie Vulgamore
Parlez-vous Francais

The French Club is made up of 45 members, one of the highest enrollments in years. This year’s officers are: Jeff Elsass, Chris Vanderhorst, Karen Garman, and Mary Hindmarch. Some of the activities this year include singing Christmas carols at the Community Care Center, making Christmas jingles, and having a fish pond at the annual PTO carnival. The French Club also held a turkey-ham raffle to raise money to help a needy family at Christmas.

Miss Doris Trost

The Key Club

The Key Club is a very active organization — even more active since Tri-Hi-Y merged with Key Club. The Club sponsors a paper drive every other month, the Powder Puff football game in November, serves refreshments at the athletic awards programs, takes care of the flags uptown on special days, and has a hayride and Christmas party for the club members. There are also various money-making projects during the year. The money is used for school and community benefit.

Key Club is sponsored by the Covington Kiwanis Club. Mr. John Miller coordinates activities between Key Club and Kiwanis. He is a great help to the high school advisors.

Mr. Donald Garman  
Mrs. Judy Snyder
Each spring the National Honor Society inducts new members during a formal schoolwide assembly. Sophomores, Juniors, and Seniors are nominated for membership on grade point average. Nominees are rated by the faculty on scholarship, leadership, character, and service.

The Society sponsors money making projects such as bake sales and dances throughout the year. At the conclusion of the school year a picnic is held at the Tisdale home for the members.

Mrs. Marjorie Tisdale
The Ohio Tests of Scholastic Achievement have been designed for superior students. The Tests are sponsored by the Ohio Testing Services and are given annually on the first Saturday of May. Schools are allowed a certain number of students to take the Tests in each subject area, based on the size of the school. Covington is in the smallest size school, which is allowed two students per subject.

This year the students took the Tests on May 1st at the Upper Level Joint Vocational School.

Below is a list of the students from Covington who took the Tests:
First-Year Biology: Joe Christian and DeAnn Kiehl
First-Year Chemistry: Kelly Christian and David Flora
First-Year Algebra: Jenny Hardenbrook and Lora Wintrow
Second-Year Algebra: Chris Palser and Allen Mack
Geometry: Carmen Schaurer and Craig Vanderhorst
American History: Nicki Girouard and Tammy Cook
Sr. Social Studies: Bill Gold and Dan Shoup
English 9: Karla Kuntz and Ronda Seman
English 10: Cindy Byers and Shannon Irvin
English 11: Kellie Minnich and Chris Vanderhorst
English 12: Jenny Stickley and Brad Hall
First-Year French: Angie Wooddell and Kelly Wooddell
Second-Year French: Marie Wintrow and Rick Clever

Student Council Reigns Over School Activities

The two main purposes of Student Council this year were to do projects for the school and to promote school spirit.

Our main goal this past year was trying to get more spirit in the school. To do this we had a float contest during Homecoming, a "Black and White Day," a dress up day for Halloween, a hat day, and a hall decorating contest at Christmas.

Student Council's major responsibility during the school year is overseeing all the Homecoming activities and in the spring Student Council sponsors a Field Day for high school students which involves spirit competition between the classes. Student Council is becoming a bigger part of the school every year.

Our School Newspaper

The Buccaneews has taken a new look this year. The staff is spending more time reporting and writing articles; and less time typing. The printing of the paper is done at Miami Printery in Piqua which saves much time for the Buccaneews Staff.

McDonald’s advertise in every issue with a coupon for something free. The Armed services also advertise; and the staff has at least one dance. All of this helps defray the cost of printing and keeps the student cost of each newspaper to a minimum.

The staff and advisors hope the students and faculty enjoy the new look of the Buccaneews.

Mrs. Judy Snyder
The members of Top Notch Teachers are very active in the Covington School System. The members assist teachers with students that need special attention or extra help with their subjects. The club’s major activity for the year comes during “Right to Read Week” when they plan and perform a play for elementary students.

Mr. Ron Schultz
As a first year advisor, I have learned many things, some quite intricate and some quite simple. I have enjoyed the responsibilities of producing a book that will record the history of Covington High School during the 1981-82 school year.

I am very fortunate in having an excellent editor because while I am learning she can proceed with many of the duties necessary. Also my ad staff, photographers, and assistant editor are knowledgeable about their work. I am looking forward to the final production of the "Buccaneer" and seeing the students enjoy the pictures while they remember this year of their lives.

The class of "85" is a very dedicated group of students. Although this is our first year in high school, we have already shown a great deal of class spirit, in our fund raisers, at the football games, on spirit days, and on our Homecoming float. We have had one project so far which was selling Christmas bulbs. We will be sponsoring the fund raisers later. The money the class will make from these campaigns will be going toward the traditional Homecoming floats, Jr./Sr. Prom, and other activities. We wish to say THANK YOU to our fine group.

Alice Caldwell
Attendance Office and Aide

If you could be anybody or anything in the world, who or what would you be? Why?
I would like to be the “anybody” smart enough to find out the cause and cure for cancer because it has been the reason for so much suffering in our world. On the fun side, I would wish I had the qualities of Barbara Mandrell. She has so much talent, she can play so many different instruments, can sing any kind of song, she’s cute and beautiful, and brings so much real entertainment and happiness to a lot of people.

Graduated From: Covington High School

Years At C.H.S.: 11
Eileen Yaney
Library Supervisor

If you could be anybody or anything in the world, who or what would you be? Why?
I wish it were possible to have mental power over any person who might consider using nuclear weapons to disable or destroy a nation.

Graduated From: Piqua Central High School, Wright State University

Years at CHS: 14

Ann Huelsman
Library Aide

If you could be anybody or anything in the world, who or what would you be? Why?
I would like to cut an album or be a member of a group like ABBA. I think everyone needs a way of expressing himself, and I think I could find that fulfillment in music!

Graduated From: Minster High School

Years At CHS: 4
Doris Trost
English 11, Speech, Drama, French I, II, III

If you could be anybody or anything in the world, who or what would you be? Why?
I would like to be the Eiffel Tower because I would be able to look over Paris.

Graduated From: Newton High School, Manchester College

Years at CHS: 19

---

Lynn Shellenberger
English 10, Advanced English 10, Research, Mystery

If you could be anybody or anything in the world, who or what would you be? Why?
I would like to be a doctor because it is a great service to mankind.

Graduated From: Newton High School, Ashland College, Wright State University.

Years At CHS: 11

---

Steven Fisher
English 9, Advanced English 9, Media, English Literature

If you could be anybody or anything in the world, who or what would you be? Why?
I would love to be a professional bass fishing guide on Toledo Bend. This way I could fish and get paid for it, too.

Graduated From: Wapakoneta Senior High School, Miami University, Wright State University

Years at CHS: 8
Robert Huelsman
Advanced Math, Algebra I, II, Mechanical Drawing

If you could be anybody or anything in the world, who or what would you be? Why?
An astronaut. I think the adventure of space travel is very intriguing. The excitement of launch and return has amazed me since my boyhood days.

Graduated From: Minster High School, University of Cincinnati

Years at CHS: 13

Kim Lakes-Morman
Geometry, General Math, Algebra, Introductory to Algebra

If you could be anybody or anything in the world, who or what would you be? Why?
Tom Selleck’s suntan oil. So I can live in Hawaii.

Graduated From: Wayne High School, Miami University

Years at CHS: 1
James Harding
Earth Science, General Biology, Lab Biology, Physiology, Ecology

If you could be anybody or anything in the world, who or what would you be? Why?
I would be a Millionaire. Not just for the money but with that much money I wouldn’t have to work and I would have more time to do the things I want to do.

Graduated From: Cowan High School, Ball State University

Years at CHS: 4

David Davis
Earth Science, Chemistry, Physics

If you could be anybody or anything in the world, who or what would you be? Why?
John Glenn. I think it would be great to be a frontiersman of space with all the new and advanced technology.

Graduated From: Lima Shawnee High School, Bluffton College

Years at CHS: 16

Ed McCord
Phys. Education, Health

If you could be anybody or anything in the world, who or what would you be? Why?
I would be some type of scientist because maybe I could make a discovery that would benefit mankind.

Graduated From: Teays Valley High School, Ohio University

Years at CHS: 7
Duane Runyan
Industrial Arts 9, 10

If you could be anybody or anything in the world, who or what would you be? Why?
Myself — I was born with a sound mind and body for which I am thankful. I am not a brilliant person but I feel I was blessed with sound reasoning abilities, therefore I can and have made the decisions that have placed me where I am.

Graduated From: Ney High School, Ohio State University

Years at CHS: 25

Valerie Vulgamore

Personal Typing, Typing II, Business Math, Business Machines

If you could be anybody or anything in the world, who or what would you be? Why?
I would be a squirrel so I could climb trees faster.

Graduated From: Buckeye High School, Defiance College

Years At CHS: 17

Leona Fulks
General Business, Typing I, Bookkeeping

If you could be anybody or anything in the world, who or what would you be? Why?
Aunt Bea's neighbor — Aunt Bea on the Andy Griffith show — So I could sit out on the lake front and knit and watch the fish bob for flies, when I got tired of that I could sit by the fireplace and knit.

Graduated From: Symmes Valley High School, Marshall University

Years at CHS: 16
Doug Foster  
L.D. Tutoring

If you could be anybody or anything in the world, who or what would you be? Why?  
Alberto Salazar — going against 7,000 runners in the Boston Marathon and coming in first place would be a great feeling.

Careful Custodians

We would like to thank Harry Shafer for eight years of outstanding service at Covington High School.

TONY BRINKMAN
MAINTENANCE SUPERVISOR

CUSTODIANS
HARRY SHAFER AND ELDON MONNIN
On January 3, 1982, the Covington Schools lost a dear friend and a valued employee. Mrs. Frantz served as Treasurer of our school district for ten years. She was a kind person who cared about everyone, and never had an unkind word to say about anyone. She will be greatly missed by all who knew her. Our loss must certainly be heaven’s gain.
Field day was held on Friday, May 14, 1982. When figures were totaled, the Juniors came out victorious. Sophomores were second, Seniors third and Freshmen last. Everybody enjoyed a day off school to relax and have a good time.
Was Field Day!

What's so interesting?

Going to McDonald's is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget your defeats. You've made McDonald's more than just another place to eat. And that's why, at McDonald's of Piqua and Troy we say, best of luck with all your future endeavors.

Dear Parents and Students:

We at Josten’s are proud to serve you!
We believe we have superior products, warranties, and service!
We are very “student oriented” — we have been working with high school students in this area for a cumulative total of seventy years!
We support high school publications, yearbooks, class programs, and athletics!
We contribute to colleges and universities, and even have a scholarship fund!
We are interested in and enjoy working with, today’s youth!
We are proud of our product and our service. We replace broken or chipped stones, resize rings if needed, and completely maintain rings as long as the student is in high school — and at no charge!
If you have any questions, or if you would like to see samples of rings or stones, please feel free to call us.

A meeting with Mrs. Hirtzinger

I would like to thank Mr. Fisher for being patient with all my problems, Joy Bodenmiller for doing all the odd jobs I made her do, Eric Rice and Carmen Schaurer for taking pictures, Kelli Clark and Mrs. Caldwell for teaching me all that I know, but most of all, the teachers and students for cooperating with me when we took pictures.

This year I dedicate my yearbook, '82 . . . This One's For You, to the Doris Frantz family; may this yearbook keep her memory living in all of us.

I would also like to dedicate my yearbook to the seniors who have worked hard to graduate.

Big brothers: Youngers learn from seniors

Pittsburgh — The key to the Buccs, Red Devils' game was the interaction between the seniors and the younger players.

The Buccs' Jim Smith caught a pass from quarterback John Stump to give the Buccaneers a first down at the Tipp 30-yard line as the ball went out of bounds.

The Buccs moved into the red zone of the Red Devils with the ball on the second series of downs at the 47-yard line.

The Red Devils defense put up a game, but the Buccaneers were able to move the ball to the one-yard line with three minutes and 10 seconds left on the clock.

Jim Smith attempted a 33-yard field goal, but it fell just short of the crossbar.

The Buccs took over on downs at the Tipp 25-yard line, and got a big play when Tony Perrine tackled a Red Devil for a loss of three yards.

The Buccaneers were penalized for offside, but the drive continued.

However, the drive stalled and an offside penalty and a del of game put the Devils in long yardage situation. A fourth down pass fell incomplete.

The Buccaneers took over on downs at the Tipp 12-yard line and got a big play when Tony Perrine tackled a Red Devil for a loss of three yards.
