# *Right Idea*

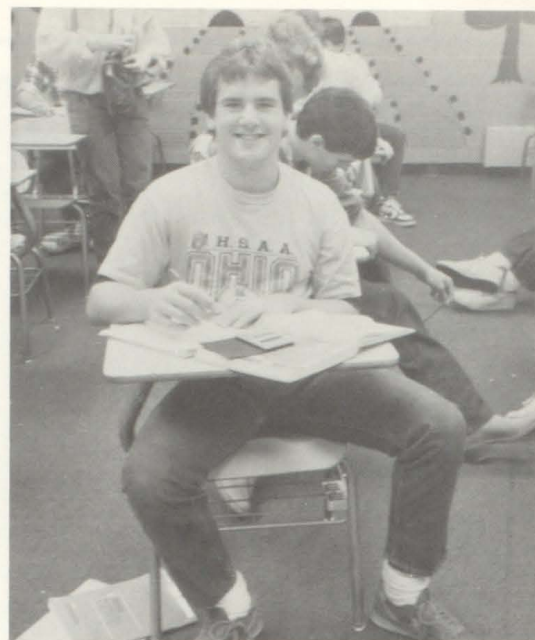

Here at CHS we possess the "Right Idea". The importance of academics, sports, clubs, student/teacher relationships, and behavior are stressed within these walls. Through the '87 yearbook we will share with you our "right ideas", as they have been captured by our photographers. We believe that these "ideas" will create many memories to cherish.

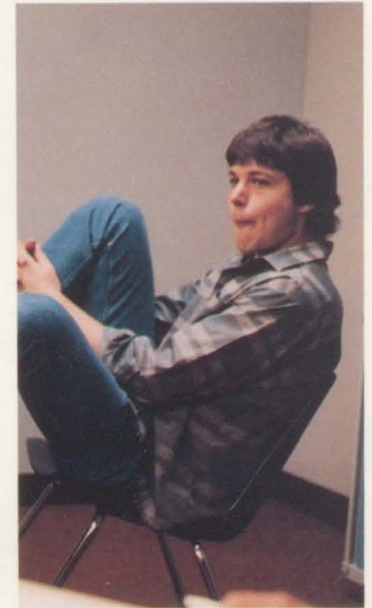

## *We Have The ...* **Possibilities**

"Possibilities" are endless at CHS. You can strive for such goals as National Honor Society or Honor Roll, broaden your interests by joining extracurricular clubs, such as the Science Club or Key Club, and to strive to do your best on a particular team in the many sports Covington has to offer. It is "possible" to receive many honors and recognition from friends and/or the CHS faculty.

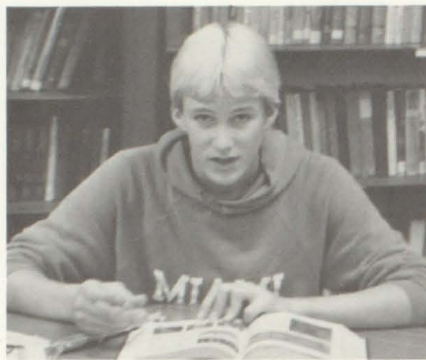

*We Have The ...*

# Style

Covington High possesses its own individual "style" which shines through on a day to day basis. The faculty's "style" is to get their subjects across to their students in a clear, optimistic, interesting, and friendly way. Each and every CHS student, whether a freshman or a senior, junior or sophomore, radiates their own personality through their school performances. The "style" of CHS will live forever!

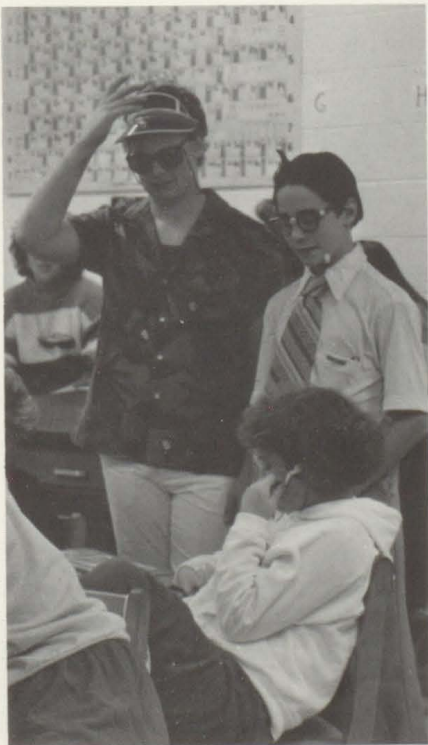

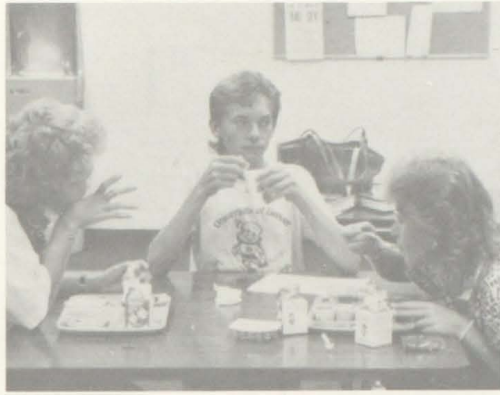

*We have The ...*

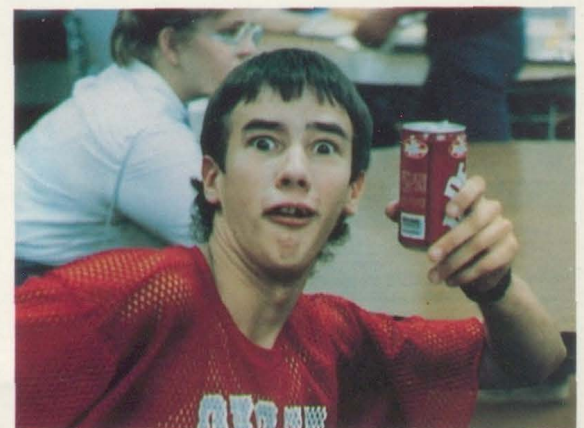

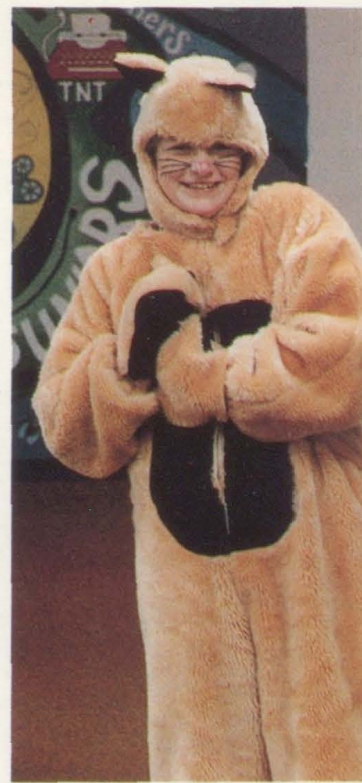

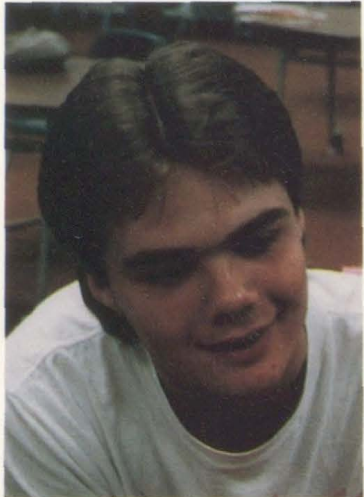

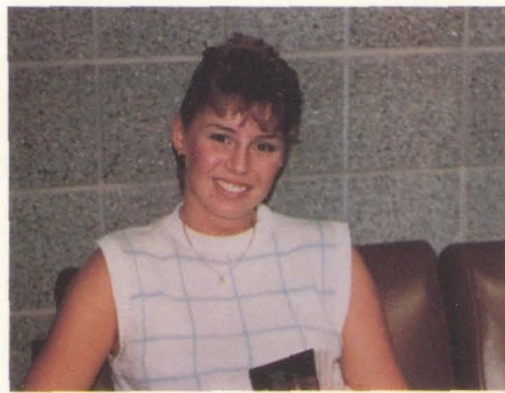

# *Enthusiasm*

"Enthusiasm" is expressed in different ways. Some people have a quiet "enthusiasm" that shows in their hard work and determination to succeed, while others of us have a more verbal way of showing our "enthusiasm" by cheering our team on, or yelling from sidelines. But of course on the big game nights, pep rallies, and dances, we show our "enthusiasm" for life in general. We have fun!

*We Have The ...*

## *Individuality*

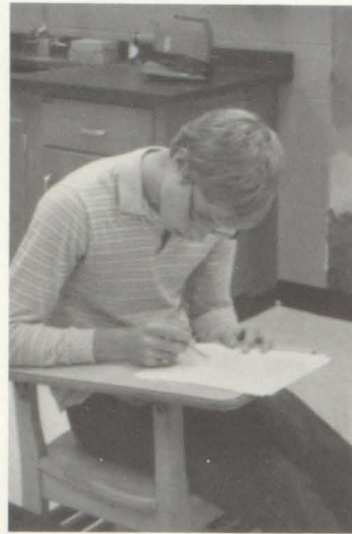

You don't have to look far to see the "individuality" of the students at C.H.S., from the lockers plastered with favorite hearthrobs or heroes, to the get-ups of creative minds on Halloween. Different people feel and act differently about different things and at C.H.S. we strive to express that "individuality."

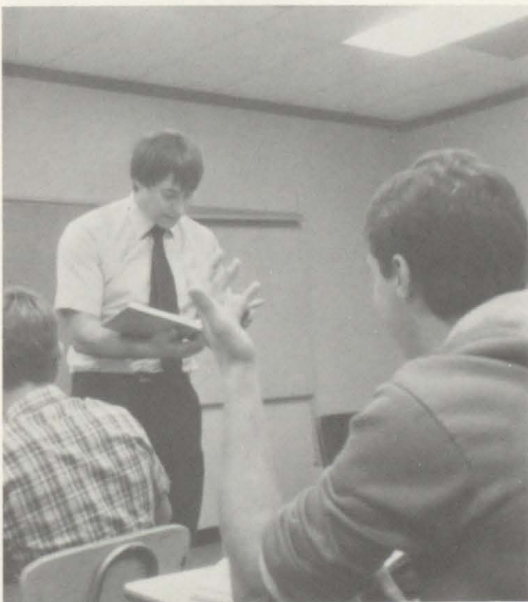

*We Have The ...*

# *Determination*

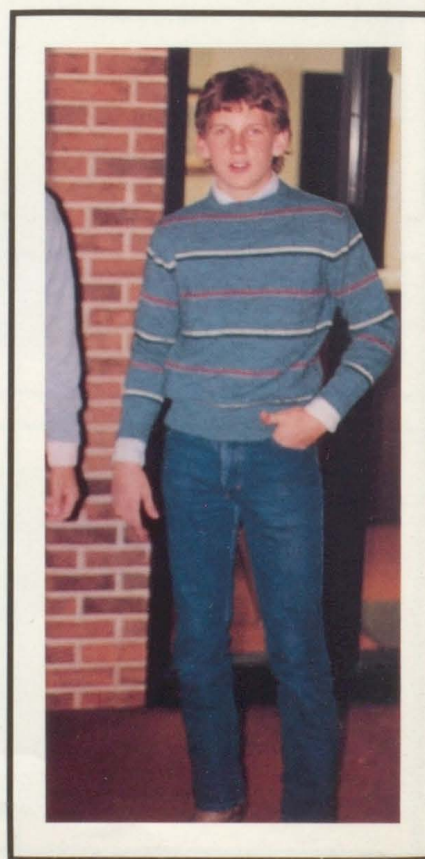

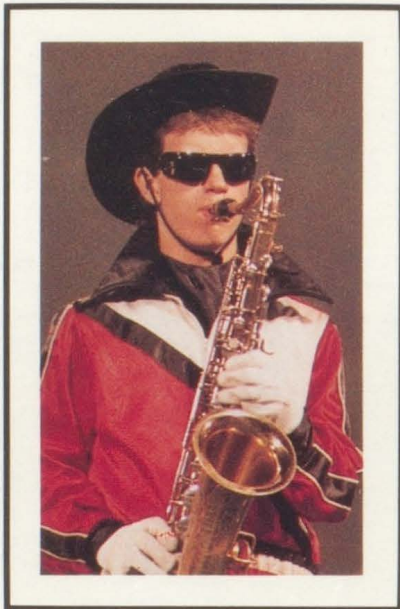

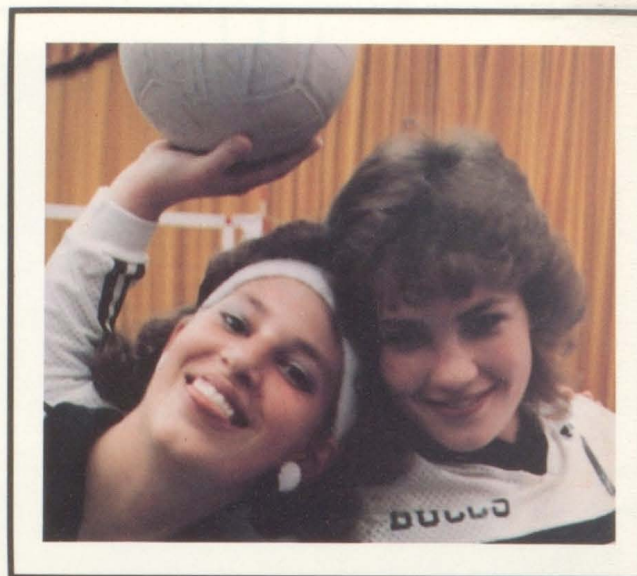

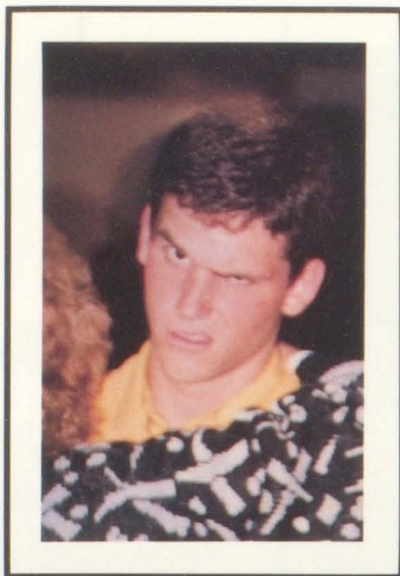

"Determination" is a 13-letter word that describes the attitudes of many students "determined" to make a success out of these four years of high school and enjoy it in the process. This "determination" is emitted from serious scholars and able athletes alike.

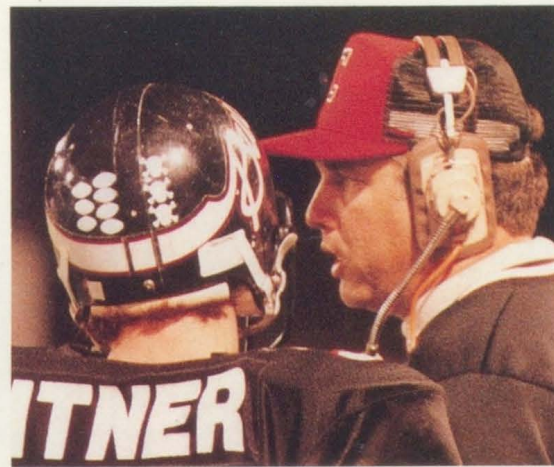

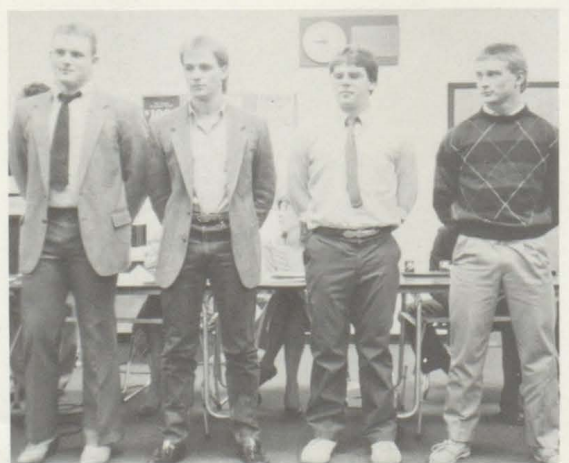

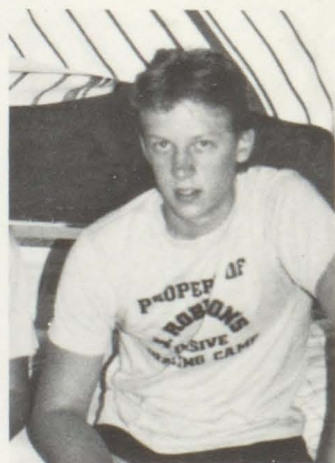

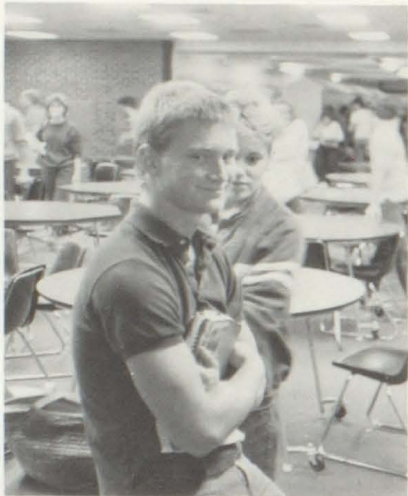

*We Have The ...*

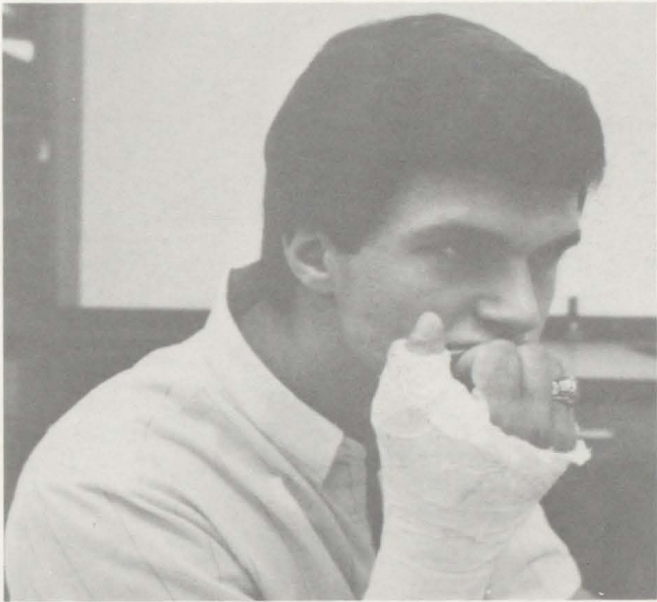

## *Imagination*

"Imagination" is using creative resources, whether thinking what to write about on a crucial up-coming essay, planning a masterpiece in art, or pushing your mind to "imagine" a difficult theory or expression. We use our "imaginings" every day to liven up a boring class or day-dream in studyhall. Haven't you ever wondered what the person sitting next to you was "imagin- ing" about?

The boys' cross country team had another fine season this past year. Lead once again by sophomore Ryan Stover, the Buccs finished the season with an impressive 96-24 record. They placed first in the John Bryan and Bob Schul Invitationals and second in the Bethel Invitational and District meet. Competing for the second year in a row at the Regional meet, the Buccs were denied a spot as a team in the State meet by one team place. Named Outstanding Runner for the second straight year, Ryan Stover placed 1st in 8 of the Buccs' 11 meets. He also finished fourth in the State meet making first team All-State for the second year in a row. The Buccs had fine senior leadership provided by George Wise, Rusty Thompson, and Chip Stump. George Wise won the Coach's Award for his dedication to cross country and also a trophy for lettering in cross country for four straight years.

# Cross Country

This was the first year for a complete girls' cross-country team. Despite an overall record of 16-24, the Lady Buccs showed a great deal of heart and desire as they competed throughout the fall. The Lady Buccs are a young team, losing only senior Julia Huelsman to graduation. They have big expectations for next year. Freshman Annie Thompson was named Outstanding Runner while junior Lisa Kenworthy won the Coach's Award for her desire and competitive spirit.

## Volleyball

The varsity volleyball team had a successful 11-9 season, despite having only one returning starter. The inexperience of the team made for an up and down season, but the players improved greatly and will be tough competitors next season. Melinda Kuntz was MVP and Julie Elsass earned the Coaches' Award.

The reserve team finished the season with a winning record 10-6. The girls worked hard to achieve this accomplishment. Through their hard work, dedication, and abilities to work together, they improved their volleyball skills. I enjoyed working with the team and wish them all good luck next year.

The 1986-87 varsity cheerleaders provided lots of school spirit. Captains Michelle Crowell and Melissa Whiteman and senior Julia Huelsman gave the Bucc squad valuable leadership. At the Piqua Mall Cheerleading competition the Buccs achieved 3rd place. They attended camp at Miami University where they learned many valuable routines and coordinated their spirited year.

The 1986-87 reserve cheerleading squad was led by captain Lisa Kenworthy and advisor Carolyn Pemberton. The squad consisting of Wendy Hansen, Lisa Mutzner, Becky Finfrock, Marcy Wolfe, Sherry Campbell, and Kenworthy had a very successful season starting with their 2nd place win at the Piqua Mall Cheerleading Competition. They worked extremely hard at coming up with new cheers and improving their cheering techniques. Melanie Wiford was also a big help during the season when Miss Pemberton could not attend practices and games.

Seniors — (L to R) — Scott Alexander, Bruce Martin, Rob Stollmer

The 1986-87 Covington basketball team had many changes at the beginning of the year. Only one player, Lane Evans, returned with any varsity experience. Also, a new head coach, Steve Fisher, led the Buccs. The team ended the year with a 13-8 record finishing second in the SRC and a championship in the Miami County Holiday Tournament. Many individual honors came to the Buccs as well. Lane Evans and Rob Stollmer were SRC first team selections while Matt Root and Scott Alexander were given honorable mention. Lane Evans was District 9 selection while Rob Stollmer participated in the District 9 All-Star game.

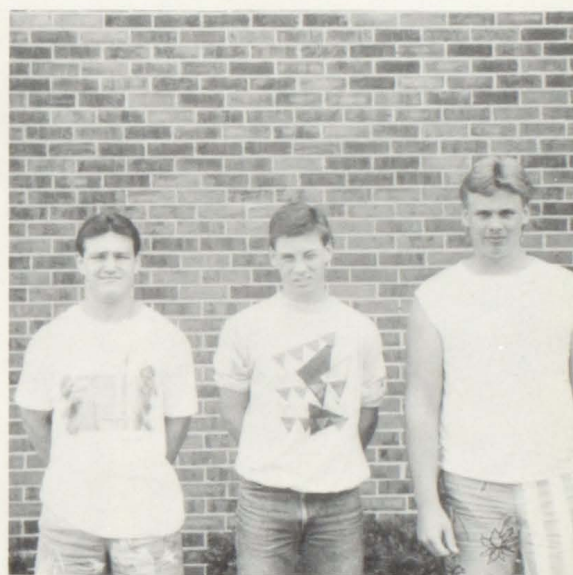

The seniors of Bruce Martin, Rob Stollmer, and Scott Alexander provided excellent leadership for the young Buccs. Other honors that were received by the Bucc players included Lane Evans and Rob Stollmer being named to the MCHT All-Tourney team. Lane Evans received the free throw, rebounding, and MVP awards at the banquet while Rob Stollmer was given the Coach's award. Bruce Martin received the "Black and White Award" for outstanding leadership and scholarship.

The Covington Reserve boys' team finished the season with a 10-10 record. Though the team started slow, they finished the year strong playing their best basketball after Christmas. Under new coach, Roger Craft, who came to Covington from Twin Valley South, the Buccs were runners-up in the Miami County Holiday Tournament and registered "big wins" over Springfield Catholic, Franklin-Monroe, and Minster. Leading scorers for the team were Doug Dilley and Rich Idle, and Alan Davis. Rebounding leaders were Idle and Dilley. The uniqueness of this team was that everyone contributed in one way or another in the success of this team.

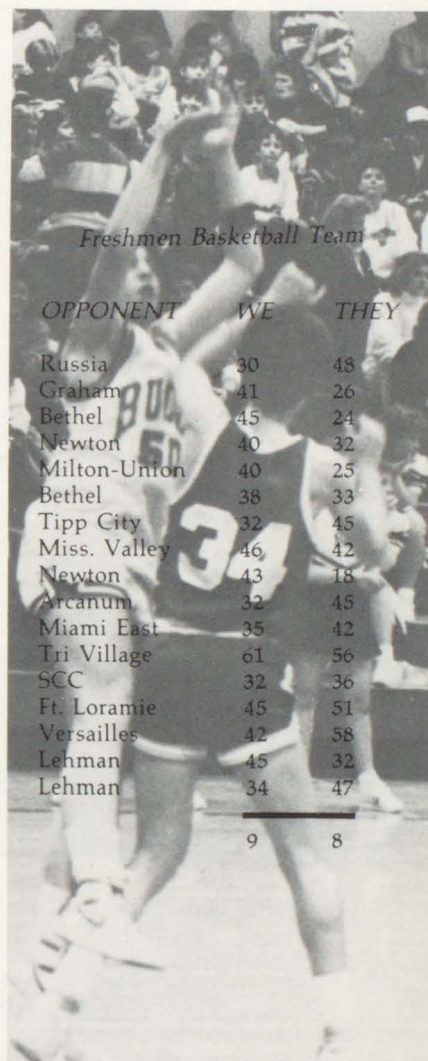

# Freshmen Basketball

This year's Freshman team compiled their first winning season ever with a 9-8 record. Congratulations goes out to them on their fine season. I would also like to add that this was a very enjoyable group of young men to work with and I hope that they will work hard in the off-season to help Covington in the future.

Since there will be alot of underclassmen coming back, there will be much room for improvement which will take hard work and dedication from next year's team. The Buccs beat Newton 19-10 and went on to play Bethel for the Section District title. The Buccs lost but played hard and did their best. Lane Evans had the highest batting average at 339 and Jarrod Boehringer was next at 286.

The girls softball team ended up with 2-15 record under their new coach—Miss Wiford. The team was a young one made up mainly of sophomores and juniors. The girls always played hard no matter what the score of the game was. Michelle Crowell and Melinda Kuntz both won the MVP award.

# Lisa's Page

Being co-editor of the yearbook is a big responsibility. I never imagined how much time and dedication it demands. There is a great satisfaction when your end product finally comes back and you know that you played a big part in the production of that book.

Jenifer Etter was my co-editor, my friend, and my stability this past year. She was so full of good ideas and ready to work at all times. I could not have asked for a better person to work with and I wish her the best always. Also, Jodi Miller and Julie Laughman deserve a lot of credit as assistant editors. They were always willing to learn new things to help put the yearbook together. I wish them a lot of luck on next year's book. Thanks also to Maureen Miller, my very special friend, who did an excellent job on the ad section. You were greatly appreciated.

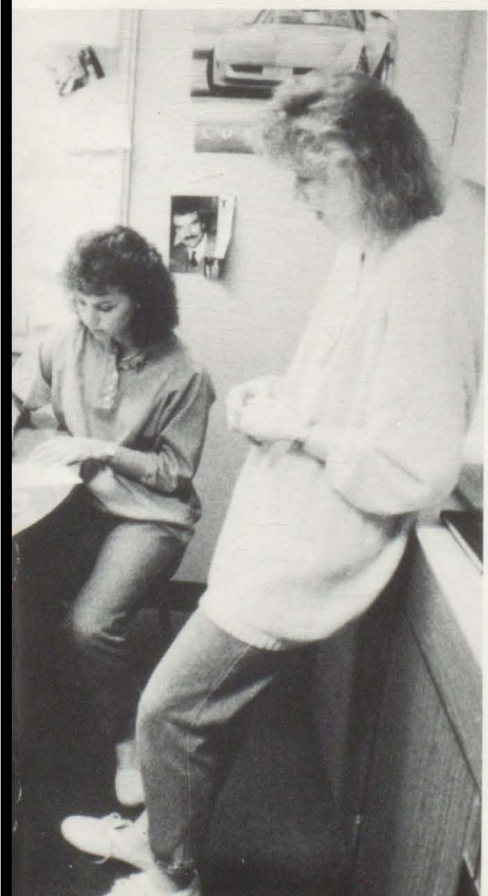

Most of all I would like to thank our advisor and friend, Mr. Steve Fisher. He was patient when deadlines weren't met or when we just seemed to be at a standstill. I respect him so much and am so glad he was my advisor.

This yearbook was designed with every CHS individual in mind. It has pages full of memories which will last a lifetime. Good luck and best wishes to the Class of 1987. May all your ambitions and goals be reached.

Sincerely,  
Lisa S. Kenworthy

Being co-editor of the 1986-'87 yearbook has been one of the most unique experiences of my high school years, and experience which I have thoroughly enjoyed despite some of the frustrations and headaches it has presented.

First of all, my deepest thanks and appreciation goes to my co-editor and friend, Lisa Kenworthy, for all the inspiration, hard work, and dedication she has given in creating this book. Lisa could always be counted on to be imaginative and witty, and I couldn't have asked for a neater person to have for my partner.

Thanks also goes to our assistant editors Julie Laughman and Jodi Miller. Lisa and I both appreciated their willingness to get this book together. I wish them as much fun as Lisa and I have had this year, and much luck on top of that!

To Mr. Steve Fisher I give the greatest thanks of all, for it was he who made sure that things were getting done and he who gave the utmost patience and guidance. I hold high respect for him and I deeply appreciate the time and consideration he has given our book.

I truly hope that you, the reader, enjoy this book and that in doing so, re-live memories which have made this year so special.

Best luck to the class of 1987. I hope all my senior friends have much happiness and success in the future.

ENJOY!

Sincerely;

Jenifer Etter
