Faces and Places . . . Students in the library or teachers in the office. Each face has its place in the CHS atmosphere. The "faces" of CHS are what make the "places" of CHS special.
Books and Looks

Books and Looks accompany each other throughout the day at CHS. A freshman girl loaded down with books may dream about the senior jock walking in front of her. Or while opening his English book a junior guy looks at his teacher with disbelief as he assigns a twenty page story to be read by tomorrow.
Styles
And Smiles

Styles and Smiles belong to each individual and are highly visible at CHS. From the clothes, activities, attitudes, and expressions shown each day, one's style will be known. The smiles though are what mean the most as one is walking through the halls or sitting in a classroom.
Studies and Buddies

Studies and Buddies must go together at times when taking Advanced Math as a senior or Geometry as a sophomore. The studies can be better understood at times and more enjoyable when a buddy is there to help. Studying for the mid-year exams are much easier to handle when your buddy is there to quiz you on questions and add a few laughs. Buddies can make the difference when it comes to studies.
Wide With Pride

More than anything else CHS is Wide with Pride. The students have pride in their athletic teams, clubs and activities, and their teachers. The faculty have pride in their facilities and enthusiasm of the student body. Pride is a big factor in the success of any school and CHS is "Wide" with it.

HAVE A BEARY MERRY CHRISTMAS
Halloween was a fun day where the Covington High School students could really use their imagination and let their true identities fly. It was a fun day for all. Some costumes were The Raisins, a gypsy, ALF, and even a devil.
Marching Band

The 1987 marching season marks a landmark year for the CHS Band of Bucc Pride. On the 40th anniversary of the first halftime show in Covington, the 1987 Band not only made the first trip in school history to the OMEA State Marching Band Competition, but also capped the season by earning a superior rating at the state level. The Contest Show consisted of the exciting opener "Throwdown" followed by "Friends," "Five Foot Two," and "Gospel Collage," "Kum By Ya" finished the show bringing the crowd to their feet.

"How The West Was Fun"

The Covington High School Drama Club presented the comedy "How the West Was Fun" on April 15th and 16th. The play was directed by Mr. Lynn Shellenberger and was presented by a very talented cast.
Field Day was held Friday May 13. It was a fun day for all who participated. The Juniors took home 1st. The Seniors came in a close 2nd, with Sophomores 3rd and the Freshman ended up 4th. An added addition this year was the class fundraiser. The sophomores had a very successful balloon-the-goon. The Freshman had a funny pie-in-the-face contest.
"A Night Under The Stars"

The 1988 Jr./Sr. Prom was held Saturday, April 23rd at the UVJVS. "A Night Under the Stars" was the theme and the decorations were blue, silver, and white. The disc jockey was and Mike Underwood was the photographer. The Afterprom was held at the Piqua YMCS where everyone could swim, play basketball, or try their luck at the casino tables. A great time filled with lasting memories was had by all.

One of the highlights of the evening was the crowning of the queen Angie Finfrock and king Tim Fitzpatrick.

The 1988 Graduation ceremonies were held on May 28th in the high school gymnasium. Jean Kistler was Valedictorian and Randy Hartman was Salutatorian. The guest speaker was Mr. Theodore A. Boggs — a CHS graduate of 1973. A very tearful but excellent "Friends" was sung by Jenifer Etter, Matt Miller, and Maureen Miller. There were many happy smiles and some teary faces but this Class of '88 is sure to be remembered by most.
1988 Football Season

This year's football season was a disappointing 2-8 record. Despite the record there were some exciting moments, with a win over arch-rival Bradford and an exciting finish at Milton-Union for a victory. Inconsistency was probably our worst enemy all season long as we showed some brilliance at times during each game.

The boys cross-country team completed another successful season. The boys finished with a 101-14 record which is the first time a cross-country team had defeated 100 opponents in a season. The season was highlighted by wins at the John Bryan, Treaty City, Brookville and Bob Schul Invitationals. They also finished second in the District for the second straight year and in the SRC. The boys qualified for their third straight trip to the regionals only to finish a frustrating 7th.

Junior Ryan Stover again led the Buccs individually. Ryan won all but two races he ran in. He finished second in the SRC and 10th at the state meet in Columbus. This marked the third straight trip to Columbus for Stover and three straight “All-Ohio” honors. While being named outstanding runner for the third straight year, he was also district champion for the second straight year and regional champion for the third straight year. Sophomore Reggie Smith earned the most improved runner award.

The girls cross country team showed steady improvement in only their second season as running as a full team. Running with only five runners, the girls trained hard and improved steadily through the year. Led by co-outstanding runners, Lisa Kenworthy and Annie Thompson, the team finished second in the SRC. Thompson was first team all-SRC while Kenworthy, Tricia Zell and Heather Stover won second team honors.
Golf

The SRC was once again a very strong golf league this year. The team played very well considering their lack of experience. The team was 1-11 in league play and 6-3 in non-league action. We placed 10th of 15 in the district. Matt Root was team medalist with a 42.6 average. Matt was 2nd team all conference.

Cheerleaders

This year’s varsity cheerleaders had a very successful year. They placed 1st in the Bradford Pumpkin Show, 2nd at the Piqua Mall Competition, and 3rd at a very tough state competition. Long hours of hard work were spent learning new cheers and routines and perfecting them to the finest detail. Not only did the cheerleaders compete successfully in competitions, they provided a lot of spirit for many school events. This year’s advisor was Miss Carolyn Pemberton and captains were: Maureen Miller for football and Angie Finfrock for Basketball.

This year’s reserve cheerleaders also had a very successful year. Led by captain Lisa Mutzner, the cheerleaders showed continuous spirit and enthusiasm throughout the season. Miss Carolyn Pemberton was also the reserve cheerleaders advisor.

The season had many highlights. The team set a record for total points scored (1554) and free throw percentage (77.5). Individual records also fell as Lane Evans became the second all-time leading scorer in Covington history by accumulating 1129 points. Also Lane set the individual free throw percentage record by making 89.6% of his shots (139-155). Both free throws attempts and free throws made were also new records set by Lane. Matt Root set records in a new category, three point shots as he made 31 for a 46% accuracy.

Freshmen

This year's Freshman Team started out slow, from mid-season on, came back to play very good basketball the second half of the campaign. They are to be complimented for playing hard, aggressive basketball, and never giving up on the court. They were a very exciting team to watch due to the fact most of their games were very close.

Girls Basketball

The varsity girls' basketball season was highly successful. The girls finished with a 15-7 record which is the second most number of wins in girls' history. This was also the first time a Covington girls team had back to back winning seasons. The team finished third in the SRC with a 7-5 record, losing only twice to non-league opponents. In the Lehman game, two new school records were set as the girls scored 72 points and shot 59.8% from the field. Junior Jodi Miller captured the rebounding trophy for the second straight year while Senior Julie Johnson captured the free throw shooting trophy for the second straight year. Senior co-captains Johnson and Jill Emmert, a four year letter winner, were named co-outstanding players and to the first team all SRC, while Miller was named to the SRC Honorable Mention team. Emmert and Johnson also participated in the District-9 all star game. This is the first time in four years Any Covington players have participated in that game.

After a slow start, the reserve girls' team won seven of their last twelve games to finish 7-13 for the season. The girls showed a great deal of desire and hustle throughout the season. These traits helped the girls achieve their late season success.

The 1988 Bucc baseball team had a long season. They finished 1-18, with the victory being against Newton. Senior Dave White and junior Dan Giroudard received Honorable Mention all conference this season. With 11 returning letterman coming back in 1989, the Bucc's baseball team can only get better.
The CHS softball team had a rough season. They ended with a 2-16 record, but had some tough losses to the league powerhouses Miami East and Versailles. The team was mostly freshman, sophomores, and juniors, but seniors Jill Emmert, Heather Stover, and Tanja Baker provided valuable leadership. Emmert was chosen to the Honorable Mention all league team.

The 1988 Covington boy's track team had a very outstanding season. The team had an 11-2 dual meet record, placed 1st in The Ansonia Relays, placed 2nd in the Covington Invitational, were District Champs, set five new school records, and scored in the state meet for the 8th time in the last 9 years. The boy's team displayed good team balance as they were able to score in all the events in most meets.

The 1988 Covington girl's track team had a 6-6 dual meet record and overall had a good season considering the number of girls on the team. All of the girls on the team performed very well, but the lack of depth kept the team from having a more outstanding season.

Another highlight of the season was a Spring Break trip to Knoxville, Tenn. where the boys swept a quadrangular meet and the girls placed 2nd of four.

Doris Trost retired from teaching after 41 years of service. Miss Trost came to Covington in 1963. Previously, she had taught at Lewisburg and Bradford High Schools. During her 25 years at Covington, Miss Trost served as Dean of Girls, Student Council Advisor, and directed the Junior and Senior Plays. Her teaching assignments included French, English, and Speech and Drama. Miss Trost’s dedication and pleasantness will be missed at CHS but everyone wishes her the best in her retirement.
Kim Lakes-Morman resigned after seven years at Covington High School in order to spend more time with her family. A math teacher, Mrs. Lakes-Morman was head volleyball and softball coach.

As co-editor of the 1988 Covington High School yearbook I would like to thank everyone who participated and helped with the final outcome of the book. I would like everyone to know that while putting this book together each individual involved at CHS was in mind. We tried our hardest to put pictures of all the student body and faculty in this book and hopefully we succeeded.

Among the many people I need to thank I would like to start with Mr. Fisher, our advisor. He is a very patient and understanding man and I’m glad he was there for me this year. I would also like to thank Julie Laughman, co-editor, Lisa Mutzner and Wendy Hanson, assistant editors, for their hard work. They were always filled with wild and crazy ideas and without their help I don’t know what I would have done. Thanks also goes to our photographers and ad staff. They all did nice jobs.

Best of luck to the class of 1988! I hope all my senior friends reach each and every goal they set and have many happy times throughout their lives.

Sincerely,
Jodi Miller
Being co-editor of the yearbook has been one of the greatest experiences of my high school years. Although it has presented many frustrations, I wouldn't have traded being co-editor for the world.

First of all, I would like to thank Jodi Miller, my co-editor and friend. Jodi could always be counted on for great ideas and she was always there when there was a deadline to be met. Jodi deserves most of the credit for finally getting this book together and I wish her the best of luck always.

I would also like to express my deepest thanks to Lisa Mutzner and Wendy Hansen, our assistant editors. Lisa and Wendy were always ready to learn and willing to go out of their way to get the pages done. I wish them the best of luck on next year's book and I know they'll do a fantastic job.

Most of all I would like to thank Mr. Steve Fisher, our advisor. He was always understanding when we missed a deadline and was always ready with a clever idea when our minds seemed blank. I have the utmost respect for him and am so glad he was our advisor.

I truly hope that anyone who reads this book enjoys it and is able to look back and relive their days at CHS. I would also like to wish the best of luck to the Class of 1988. May you reach all of your goals and have successful futures.

Sincerely,
Julie Kristin Laughman

The class of 1988 dedicates the yearbook to Donnie Harrison who was a classmate of theirs until a tragic motorcycle accident on May 4, 1981 took Donnie's life. Many fond memories remain of Donnie. All of the Class of 1988 wish Donnie could be with them as they complete their high school careers. The Class of 1988 still thinks fondly of him and hope his memory lives forever within the minds of his classmates and friends.
