Looking Back . . .

FACES
"He who has a thousand friends has not a friend to spare." Emerson
Looking Back . . .

DETERMINATION
Success is failure turned inside out. The silver tint of the clouds of doubt. And you never can tell how close you are. It may be near when it seems so far. So stick to the fight when you're hardest hit. It's when things seem worst that you must NOT QUIT!
Looking Back . . .

PRIDE
Instead of putting others in their place, put yourself in their place.
Looking Back . . .

EXCELLENCE
"You're never as good as everyone tells you when you win, and you're never as bad as they say when you lose." Lou Holtz
Looking Back . . .

SUCCESS
A word of encouragement can make the difference between giving up or going on.
Looking Back . . .

1993
May your memories be ones that you wouldn't trade.

May your hopes and dreams find ways of coming true.

May you have a "Happy . . . Everything."

Football

The 1992 Covington Buccaneer football team accomplished many goals this season including something they had not been able to achieve the past six years. Post a season-ending winning record of 6-4.

Other accomplishments in 1992 were beating Bradford twice, finishing third in the Cross Country Conference with a 5-3 record and leading all opponents in every category of stats at the end of the season.

But the biggest accomplishment in my eyes was teamwork. Everything we did, we did as a team. Teamwork leads to wins and wins lead to respect and recognition. Players receiving recognition for their team play were Rob Jacquemin, Jason Kyzer and Brad Weer as All-League selections. Andy Shaf, Kris and Tony Alexander, Jason Wackler, and Nate Manning received Honorable Mention All-League honors. The highest recognition came when Brad Weer was voted by the Cross Country Conference coaches as the Outstanding Lineman of the Year in the League.

Congratulations go out to these players, the 1992 football team and especially the assistant coaches for the wonderful job they did this season. Let's keep that winning tradition alive in Covington. Go Bucs!

The 1992 Covington golf team finished the season with a 5-15 dual meet record. We placed 7th of 9 teams in the Cross County Conference. The team loses just one golfer, Kent Hansen, from our top six players so we are looking forward to a more successful season in 1993. Sophomores Nick Wintrow and Dan Kendig both made honorable mention All-CCC. Nick was given the Most Valuable Golfer Award for having the lowest average (25.2).

Cross Country

The boy’s team had a very successful season this year. Highlights include placing 1st in the Miami County Invitational, placing 3rd in the CCC League meet, coming in 3rd in the Dayton District Meet and qualifying for the Southwest Regionals. This team is very young and with everybody coming back next year, they have a bright future.

This year’s girls cross country did not have a full team. We had four girls who ran as individuals. They worked very hard to become better runners. By the end of the season they all ran their fastest times.

Both teams were a lot of fun to coach. In closing, I would like to thank our two seniors, Missy Whitenack and Cindy Johnson, for their dedication to Cross Country and to wish them all of the luck in the future.

The 1992 Covington Varsity Volleyball team posted an 11-10 record. We ended our regular season by going 9-3, tied for 3rd in the CCC, and advanced to sectional finals before being eliminated.

Team honors include third place league, fourth seed sectional and runner-up in sectional. Individual honors include Tori Hartley — first team League, first team District 9, honorable mention State Div. 4, Dayton-Daily News honorable mention, Team MVP and Best Defense Award; Bridget Fields — first team League, All-State Academic Team, Most Offense team award; Elizabeth Marko — honorable mention League, All-State Academic Team; Tabeth McCullough — honorable mention League, All-State Academic Team; Beth Haines — All State Academic Team.

— Coach Cain

The 1992 reserve volleyball team had an overall successful season, ending with an 11-6 record. The team was fairly young with just five sophomores and ten freshmen. With the lack of playing experience, their success did not always come easily. They faced many highs and lows in the season, but with strong mental intensity and desire the team could perform impressively. They learned to run their offense smoothly and attack aggressively. Individually the players' skills and understanding of the game improved greatly. The girls should feel proud of their effort and accomplishments.

— Coach Brackman

Marching Band

Pictured here is the 1992-1993 edition of the Marching Band of Bucc Pride. The band had a full season that consisted of the following contests and performances: Amelia Rhythm 'n Blues Competition, Piqua Band Contest, Cambridge Band Contest, Stebbins Band Festival, Versailles Band Competition, Bradford Pumpkin show, Dayton's Children's Christmas Parade, Covington's Homecoming, Christmas and Memorial Day Parades, Strawberry Festival and Kings Island. The band did not qualify for state by a lack of one point at their final competition. However, many friends were made and lots of fun was had by all the band members throughout the season.

Cheerleaders

This year the Covington High School cheerleaders started their year during the summer as both the varsity and reserve squad traveled to UCA cheerleading camp. Both squads performed extremely well as they received spirit awards at the end of the strenuous week. Using some of the skills from camp the varsity squad competed at the Bradford Pumpkin Show. The squad earned the title of most spirited for the second consecutive year.

Throughout the year the varsity and reserve cheerleaders spent a tremendous amount of time practicing, making signs for the town, and decorating the locker room for the guys. These two squads spent a great deal of time working together and becoming good friends. Their efforts and spirit was greatly appreciated and the girls should be proud of their accomplishments.

Pictured to the right is the varsity squad: starting at the top: Connie Thompson, Carrie Weikert, Jenny McMaken, Michelle Thomas, Angie Schultz and Jenny Swallow.

Pictured below is the reserve squad: front: Rachel Lewis, Bridgit Anthony, second row: Sharon Duffy, Katie Larson, back row: Steffanie Charles, and Jasmine Hartwig.
BOY'S VARSITY BASKETBALL

The 1992-93 varsity basketball team finished the season with a 9-13 record losing to Mississinawa Valley in the sectional finals. In the CCC, Covington won four while losing seven. The squad was an excellent defensive team that unfortunately lost many close games. The 92-93 team's individual awards included Tony Alexander, MVP; Rob Jacquemin, Free Throw Percentage; Kris Alexander, Leading Rebounder; Chris Green, Coach's Award; and Kris Alexander, "Black and White" award. Tony Alexander was first team Cross County Conference while Kris Alexander and Rob Jacquemin were honorable mention.

The Covington Reserve team had a good season with a 16-4 overall record. The JV Buccs tied for the league championship with a record of 10-1 in the league. The team played an exciting brand of basketball and shows promise of making Bucc Basketball fun to watch in the future.

This year's freshman Basketball team was a very good group to work with. Even though the season started out slow for us, the players stuck together, and by the end, we were playing very good basketball. Hopefully this group will go on to achieve a lot of success in their basketball future at Covington High School.

Pictured below is the Freshman basketball team: James McCullough, Chad Pequignot, Adam Hittle, Jason Clark, Josh Carder, Brock Fields, Jason Wills, Nick Manson, Heath Brewer, Jon Canan, Doug Brown, and Jason Angle. In front: Brian Rudy and Matt Knouff.
The wrestling team did an excellent job this season. Their dual meet record was a good 14 wins-13 losses. Their overall record was 47-36. We placed second in the League meet, fourth at Northeastern, fourth at Tri-Village, and third at West Liberty Salem. We placed 8 out of 18 at Sectional Tournament. Individually we had four qualify for district: Jason Durbin, Todd Vanderhorst, Brad Crumpler and Corey Turner. Brad Crumpler and Corey Turner placed second at District and Qualified for State. At our awards banquet Brad Crumpler was awarded the Most Valuable Wrestler. Jason Durbin was awarded the Rookie of the Year, Rob Immel was awarded for Most Improved, and Corey Turner and Todd Vanderhorst received the Coach's Award. Brad Crumpler set three new individual records for a season with 123 takedowns, 24 single season pins and 212 single season points. Congratulations to all of the wrestlers on a job well done. Good luck to the seniors, and to all of the rest, get ready for the 1993-94 season.

Coach Schwamberger

Varsity Girl’s Basketball

In their second year of competition in the Cross Country Conference, the Lady Buccs finished third with a 9-2 record.

After struggling early against some tough competition the Lady Buccs were eliminated in the first round of tournament play by Houston, 40-38.

Tori Hartley and Erica Bowman were selected to the CCC All-League Team. Jodi Longendelpher and Natalie Apple received Honorable Mention in the league. Tori Hartley was named to the District Nine Media All Star Team and participated in the District Nine all star game. Team honors went to Tori Hartley, MVP, best free throw percentage, and top rebounder. Jodi Longendelpher was awarded the Lady Bucc Award.

Pictured below is the varsity girl’s basketball team: Tabeth McCullough, Beth Haines, Erica Bowman, Tori Hartley, Natalie Apple, Candi Smith, Kara Long and Jodi Longendelpher.

Pictured in the upper right-hand corner are the seniors: Natalie Apple, Tori Hartley and Jodi Longendelpher on top.
Reserve Girl's Basketball

The 1992-93 girls reserve basketball team finished their season with a 9-9 record and 6-4 in their league. A strong start to the season was very important to this young team. A hard fought Bradford overtime win and another solid win over Minster gave the team confidence and experience. The Lady Bucs were led by sophomores Kara Long and Stephanie Owens. A strong freshman class of Sarah Sommer, Maureen Maniaci, Carly Pickering, and Sara Stoler along with first year sophomore Elizabeth Clark provided a balanced team. Late season victories over Ansonia and a very good National Trail team will hopefully keep things going for next year.

— Coach Stroh

BASEBALL

The baseball team played good basketball after a shakey start. They won three games in one week and had a four game winning streak. They could have easily won two or three more games. The team ended the season 6-9 overall and 5-6 in the league for seventh place.

The individual honors included Rob Jacquemin — 4-year letter; Mike Kendig — 4-year letter; Mike Gray — 4-year letter; Jason Studebaker — Most Improved; and Andy Shaffer — MVP, highest batting average, and most runs batted in.

Thanks to all our fans. I would like to congratulate these young men on a great team effort and wish them much success in the future.

1993 was another record setting year for the Lady Buccs. They earned their first league title in softball in the school's history, two consecutive winning seasons and the most wins in a season with 15. The girls overcame a number of injuries to key people during the season to establish these records. The girls were seeded third in the tournament draw, making 1993 the first year a Covington team ever was awarded a seed. We finished the league 10-1 as Co-Champions in the CCC. Every girl on this year's team played an important role throughout the season. Our team batting average was .360; we stole 104 bases as a team in 1993. This is by far the best defensive team we’ve had in 3 years. Individual awards were: Player of the Year in CCC, Heather Schaffer; All-League: Heather Schaffer, Tabeth McCullough; Honorable Mention All-League: Jenny Swallow, Stephanie Hampton; MVP: Heather Schaffer; Top Defensive Player: Tabeth McCullough; Most Improved: Carrie Weikert; Top Hitter: Stephanie Hampton; Leadership Award: Jenny Swallow; Spirit Award: Tricia Gragg. Congratulations girls. You’re the best fastpitch softball team EVER to play at Covington.

I'd like to say thank you to everyone who helped with the yearbook this year.

Jenny & Connie: Thanks for being there to answer all of my questions and for the great looking senior pages.
Candi: Thanks for doing such a great job with all of the ads without losing your mind.
Carrie & Kara: Thanks for all your help and good luck with next year's book.
Ad Staff: You guys are the reason we made money this year. Thanks for all of your hard work.
Mrs. Brackman: Thanks for all of the understanding and help. I would've gone crazy without it.
Ang: WE DID IT! Need I say more?
Congratulations to the class of 1993 and good luck with life after high school.

Allisyn Negley

A woman is often measured by the things she cannot control. She is measured by the way her body curves or doesn't curve, by the where she is flat or straight or round. She is measured by 36-24-36 and inches and ages and number, by all the outside things that don't ever add up to who she is on the inside. And so if a woman is to be measured, let her be measured by the things she can control, by who she is and who she is trying to become. Because every woman knows, measurements are only statistics. And statistics lie.
As co-editor of the 1992-93 yearbook, I like to take this opportunity to thank all the people that helped to produce this book.

First, I'd like to thank my dear friend and co-editor, Alli, for all the time she has spent and for her patience with me.

I would also like to thank the senior editors, Jenny and Connie, assistant editors, Kara and Carrie, business manager, Candi, and the ad staff. All of your help was greatly appreciated.

I'd like to extend a special thanks to our advisor, Mrs. Brackman, for all her time and support. We couldn't have put this yearbook together without her.

Finally, I am glad to have had the opportunity to be co-editor. The time spent has been truly enjoyable. I hope everyone enjoys the yearbook and will cherish the memories.

Good luck and best wishes to the class of 1993!
Friends do things for one another. They understand. They go a million miles out of their way. They hold your hand. They bring you smiles, when a smile is exactly what you needed. They listen, and they hear what is said in the spaces between the words. They care.

Friends bring sunlight into your life. They warm your life with their presence, whether they are far away or close by your side. A friend is a gift that brings happiness, and a treasure that money can't buy.
