The 1993 Covington Golf Team had their most successful season in many years, finishing with a 15-11 record. The team placed second of nine teams in the Cross Country Conference with a 12-4 record; they also placed eighth of twenty three in the sectional tournament. This year’s team was very well balanced with all of the top five golfers making valuable contributions to the team’s success.

This year’s special awards:
- Josh Wills — Team medalist and honorable mention, Cross Country Conference
- Dan Kendig — First team, Cross Country Conference
- Nick Wintrow — First team, Cross Country Conference

Pictured below is the golf team: (l-r) Coach Schultz, Eric Deeter, Shae Fettters, Nick Wintrow, Bob Supinger, Josh Wills, Dan Kendig, Matt Knouff, and Chad Pequignot.
Cross Country

This year's boys cross-country team had many highlights this past season. They won the Miami County Invitational and the Eaton Invitational. They placed second at the Brookville Invitational and the C.C.C. League Meet. The team was also the Dayton District runner-up and qualified to the Southwest Regionals. They fell just short of their quest of going to the state meet. The boys also broke the single season record for wins with 124.

With only the loss of one senior this year, bigger and better things are expected next year. In closing, I would like to wish our lone senior, Matt Downing, all the success in the world. He is a very nice young man and an asset to our team.

In girl's cross-country we did not have enough girls out to have a full team. Stacy Long and Stacy Torres were the only girls out and both did a fine job this season. Hopefully, next year we will field a team.

The 1993-94 volleyball season produced many memories. The summer found many of the girls participating in Second Season Volleyball, open gyms, and even a sand tournament. We also spent a week at the Covington Legion Pool and the Covington Park for water conditioning and jump training. All of this took place prior to the season beginning. Once the season began, the Lady Buccs set their sights on the Cross County Conference. The early season produced a lackluster record of 5-7, but a new attitude and level of desire took over during the Bradford match. We proceeded to win ten matches in a row. Along the way we were co-champions of the C.C.C., Sectional Champs, District Champs, and Regional participants. In the regionals we lost our first match against eventual State Runner-up Sidney Lehman.

Many team and individual honors were achieved throughout the season, but most of all I feel the young ladies proved to a lot of people that with hard work anything is possible. I would like to thank everyone who contributed to the continued success of Covington volleyball. Go Buccs!

— Coach Lonnie Cain

The 1993-94 junior varsity volleyball team consisted of seven sophomores and seven freshmen. The team ended the season with an overall record of 4-14. Although in many of the games the girls were threatening to the opponent, they had a difficult time clinching the win. Eight of their losses involved either matches with three games or games won by just two points.

The girls consistently showed a positive attitude and good effort throughout the entire season. They never gave up trying to get better. They also learned many fundamentals of the game and played their matches with proper technique.

Overall, they worked with and supported each other well as a team, showing potential to be future strong competitors.

The Covington Band of Bucc Pride once again enjoyed a very successful season. In addition to performing at all of the football games (even in the snow), the band also performed at other community events. These events included the premier of the Fort Rowdy Days Parade and the Halloween parade.

The band also travelled to numerous places to perform in competitions. The events and awards included: Pride of Piqua — First Place Class C; Best Percussion; Ansonia Carnival of Bands; Tipp City — Third Place Class C; Amelia Rhythm in Blue — Second Place Class C; Lockland Band Invitational — Second Place Class C; Stebbins Band Fest — Third Place Class C and Best Field Commander; and Versailles — Fourth Place Class C, Best Field Commander and Best Percussion.

The Covington High School cheerleaders started their year during the summer as both the varsity and reserve squads traveled to Miami University for camp. Both squads performed extremely well as they received spirit awards, superior ribbons, and the trophy for most improved squads. In addition, two members of the varsity squad, Angie Schultz and Katie Larson, were chosen as All American Cheerleaders. This special award earned them the honor of traveling to London, England to perform on New Year's Day. Using some of the dance routines and cheers that they learned at camp, the varsity squad competed at the Bradford Pumpkin Show. After completing an excellent performance the squad was awarded the second place trophy in the cheer-dance division.

Throughout the school year both squads spent a great deal of time practicing, decorating lockers, and making signs for both the school and town. Most importantly, the squads were very successful in building school spirit.

The varsity squad included Steffanie Charles, Katie Larson, Rachel Lewis, Angie Schultz, and Carrie Weikert. The reserve squad consisted of Julie Albright, Chellie Cally, Kelly Cassity, and Jasmine Hartwig.
Covington's varsity boy's team started the year with a 6-0 record. They finished 12-9, losing to eventual state qualifier Botkins in the sectional. A rough January schedule brought the team's record down. All in all, the team played very well throughout the season. Tony Alexander received all-league and all-district honors. Kris Alexander received special mention in the CCC while Josh Wills was honorable mention in the league. Tony Alexander was team MVP. Josh Wills led the team in free throw percentage while Kris Alexander was leading rebounder and was awarded the "Black and White" award.

— Coach Fisher

The boy's reserve basketball team finished their season with a 11-9 record. In Cross County Conference action the team posted a 8-3 mark. The reserve team played an exciting brand of basketball and improved as the season passed. These players will keep Bucc basketball moving in the right direction.

— Coach Craft

This year's freshman basketball team was a very enjoyable team to coach. After a slow start, they came on at the end of the season, to get to the finals of the C.C.C. Freshman Tournament. Even though they were beaten by Arcanum, they are to be commended for sticking together and becoming a good basketball team at the end of the season.

— Coach Foster

Pictured below is the freshman team. Bottom: David Brandenburg, Chuck Gibson, Jeremy Gade, Justin Huffman, Colin Foster, Bryan Barbee, Scott Householder, Dale Morrow, Mike Laub. The Covington High School wrestling team had a great season. Our overall record was 66-40. We had seven district qualifiers, one state qualifier, five league champs, and seven second place finishers. We were eighth out of eighteen at sectionals and ninth out of thirty-eight at district. We did well in other tournaments also.

This year's team was made up of five seniors, three juniors, five sophomores, and four freshmen. The wrestling team worked hard and needs to be commended. The attitude and teamwork of this team was great. Congratulations to all the seniors and good luck in the future. To the rest of the team, be ready to come back next year and work hard for even greater Bucc wrestling success.

Congratulations to all of the wrestlers, fans, parents, and administration who supported and cared about Covington wrestling.

— Coach Schwamberger

It was a banner season for the Lady Buccs as they captured their first league title in ten years by going 11-0 in Cross County Conference play. They finished the year with a 19-3 mark. That is the highest winning percentage in the history of the program. The season was filled with many exciting moments including a come from behind victory against league foe Mississinawa. The team established some new records including most consecutive wins at fourteen. They also set a new mark for free throw percentage by shooting 61.1% from the line as a team. A new field goal percentage record was achieved as the girls hit on 40.3% from the field. In tournament play the Lady Buccs reached the sectional finals before losing a strongly contested ball game to the Russia Raiders, 49 to 43. The girls were unbeaten at home which extends the program's home winning streak to fifteen games.

The team's success was highlighted by numerous individual awards. Sophomore Erica Bowman was named the Cross County Conference Player of the Year. She was joined on the All Conference team by sophomores Staci Short and Tina Hall. Senior Erin Tobias was selected to the CCC Special Mention team and senior Tabeth McCullough received Honorable Mention in the CCC. Erica was also named to the District Nine Media All-Star Team and was named second team All-Southwest District.

Team Awards went to Erica Bowman for MVP and leading rebounder; Tina Hall earned the free throw shooting trophy by shooting 76% from the line. The Lady Bucc Award was presented to senior Tabeth McCullough, and senior Beth Haines was the recipient of the Sportsmanship Award.

The Covington Lady Buccs J.V. Basketball team finished their 1993-94 season with a fine record of 13-6 (10-0 at home and winners of 10 of their last 12). The Lady Buccs possessed a never quit attitude that enabled them to be in all 19 games and to come back from a deficit on numerous occasions. The opening game set the stage for an exciting season when the Buccs came from 14 points behind to take the lead before eventually losing to Houston. The biggest wins included overtime wins against Bradford, Bethel, and Miami East along with an excellent game against Fairlawn.

The Lady Buccs had a perfect mix of experienced sophomores and eager to win freshmen. While some will definitely be a part of the varsity squad next year, those that remain will be a solid nucleus for next year’s J.V. team. Congratulations on an outstanding season.

The 1994 baseball season ended earlier than we planned. Though the 5-14 record seems dismal, many of our athletes had personal boosts. With the help of our three seniors, the coaching staff feels we've turned the corner in bringing pride and a winning attitude to the program.

As co-editor of the yearbook, I would like to thank everyone who helped put the book together.

Angie and Allisyn: Thanks for all the help and effort. You’ll be missed a lot.

Christian and Mike: Thanks for doing the ad pages. You guys did a great job.

Carly and Maureen: Thanks for all of your help. Good luck next year. Start early.

Ad Staff: Thanks for raising money for the yearbook.

Mrs. Brackman: Thanks for your help. Sorry for all of the stress.

Carrie: We finally finished it!

Congratulations and good luck Class of 1994!
As you look through the 1994 Buccaneer, I hope that it brings back many memorable moments.

Thank you to Mrs. Brackman and to the yearbook staff for all of your hard work and helpful input. Also, thanks to my classmates for making my years at CHS very special — let’s make our senior year even better.

Finally, congratulations and good luck to the class of 1994!
The staff of the *Buccaneer* would like to dedicate the 1994 edition of the annual to Mrs. Marjorie Tisdale, who retired this year after 26 years of teaching at Covington High School. It is easy to see why she was a favorite of students and faculty alike. Her years of guidance are very much appreciated and we wish her luck after retirement.
