## Covington XC

The cross country team had a very trying season this year. Battling intense colds and extreme heat made each race more difficult than the next. The boys team was bigger this year and was able to hold its own at some of the meets. The girls team, on the other hand, was cut in half [down to 3 girls] at the Troy invitational due to injuries. In spite of this, at the end of the season most runners were hitting personal records. Coaches Libby and Josh Long were very cool and allowed for some minor goofing off. Their coaching was highly appreciated. Most runners agree that they are looking forward to next year's XC season, but will miss the seniors greatly.

## COMPREHENSIVE FINANCIAL PLANNING

Jeff Brumbaugh, JD, Certified Financial Planner® licensee

### DO YOU WANT TO:

**Make more money?**

**Pay less in taxes?**

**Save the right way for that new car or new house?**

**Start your own company?**

Jeff Brumbaugh, JD, CFP® is the owner of Troy Financial Group, Inc. and heads the Financial Planning Division. As one of only a few independent Certified Financial Planner® licensees in Miami County, he offers extensive experience in helping people reach their financial goals.

To accomplish this, the first step is to really understand the client and what they want to accomplish for themselves and their family. The second step is to review existing strategies, develop appropriate options, and implement a comprehensive plan that is consistent with their goals. Finally, it is imperative that any plan be constantly monitored and reviewed as life changes occur.

No particular products are pushed, rather Jeff has spent years refining the independent options that are available in the marketplace. With an emphasis on asset allocation and an affiliation with ING, one of the worlds largest financial services companies, Jeff offers the following as part of the financial planning process:

- ING Direct a Federal Savings bank offering FDIC-insured saving accounts, CDs, mortgage and home equity products. The current savings account rate as of October 29, 2006 is **4.50%** with no fees and no minimum balances.\*
- Investments with little or no market volatility paying 6-6.5% dividends.\*\*
- Stocks, bonds, mutual funds, tax credit investments, IRAs and IRA rollovers, §1031 exchanges, and much more.\*\*

**Often times, knowing who to turn to in a time of need is the most difficult, but most important, decision you may make.**

When it comes to the area of nursing home planning, Medicaid Regulations and a thorough understanding of the Internal Revenue Code, the decision can quickly become overwhelming and making the wrong choice can cost you dearly.

Attorneys have become very much like doctors in their areas of practice. Many attorneys would be considered general practitioners, while others concentrate their knowledge and experience in very specific areas.

Jeff Brumbaugh, of Brumbaugh Law Firm, LPA, Inc. in Troy is an attorney who limits his practice to helping families protect assets and make tough decisions about nursing home issues and with estate and tax planning.

He has dedicated his work to the families of Miami County and many of his clients are referrals from local nursing homes.

*Top row L to R: Sarah Ciriégio, Derek Brumbaugh, Matthan Sink, Curtis Dysinger, Zack Gibson, Paige Stender. Bottom Row L to R: Elena Bohlander, Michelle Barhorst, Ashley Johnson, LauriKate Bayman, Bethany Wages, Katie Hay. Laying L to R: Ashley Hoblit, Erin Christian.*

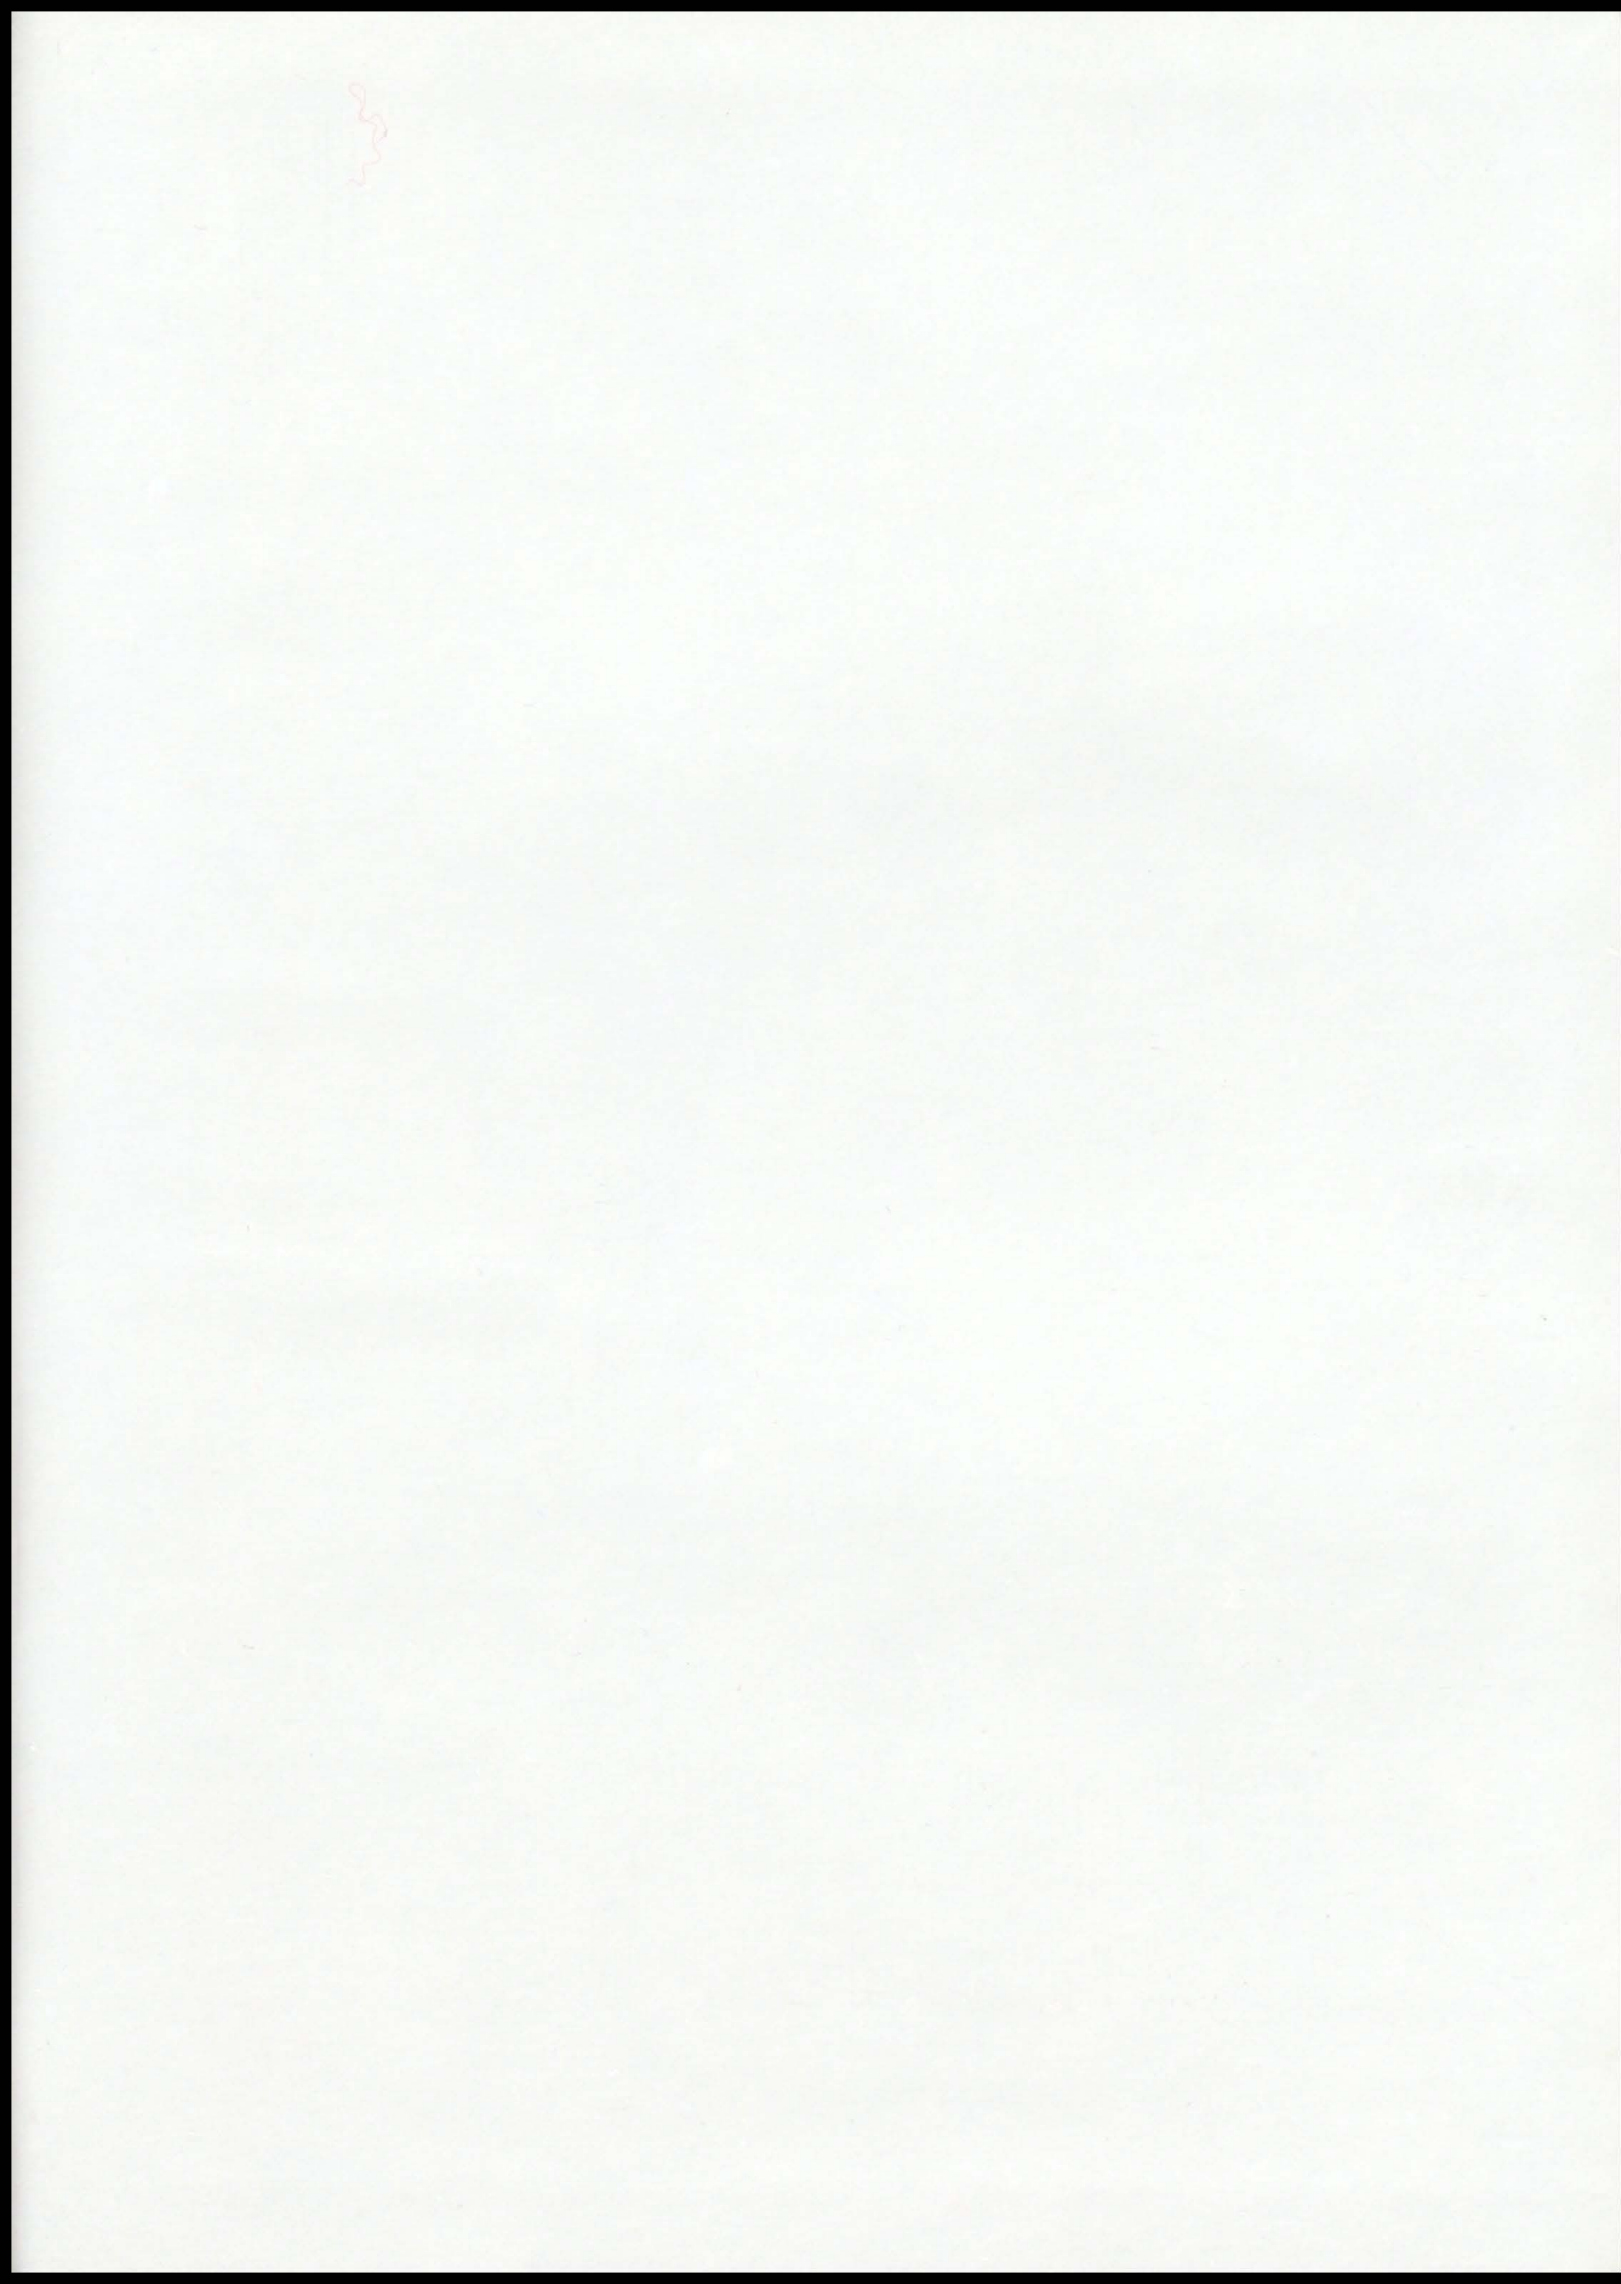

*This year, the theme carried on in the yearbook was 'Where's The Buccaneer In You?'. Throughout this book you may have noticed a few buccaneer heads hiding deceitfully amongst the pages. Do you think you know how many there are?*

*Astonishingly there are **153** bucc heads all through this book. This does NOT include ad pages. Don't believe us? Count again. We hope you enjoyed your 2006-2007 yearbook!*
