Gym Floor Renovation

Before

During

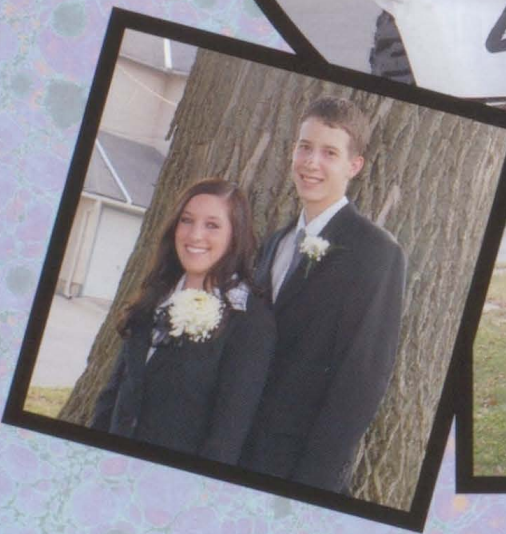

Due to prolonged water damage, the gym floor had to be renovated. The process included the complete stripping of all varnish and paint, removal of the damaged planks, and repainting and varnishing. This is the first time this process has been done in years. As a result, for the first time in decades, graduation was held off-campus.

The 2007-2008 BUCCANEER was printed by Jostens, Inc. in Clarksville, TN with the help of Jostens rep. Tillie Billheimer and in-plant consultant Tim Ross. The Buccaneer had a press run of 150 copies, with 124 pages, and was created using Yeartech Online. The cover is a lithograph design with white embossing. Special fonts used were Austere, Abyss, Compact, and Speaking Style. All interior pages have a trim size of 7.75X10.5. All copy and captions were written, compiled, and/or edited by the staff. The staff are part of a three year training program beginning sophomore year. Photos for the Buccaneer were taken using a Kodak Z7 12 digital camera, or provided by Ben Robinson of Color Green Creative, or Joann Bitner of Treasured Images. The Buccaneer is sold through in-school sales during lunch. The cost was \$55 or \$60 with personalization. The Buccaneer is 100% self-supporting through book and ad sales. Thank you to everyone who supports the yearbook staff!
