If I could bring someone famous back to life, it would be Martin Luther King Jr. because he is an inspiration.

Brittany Diltz

If I could go back to any period of time in history, I would travel to the 80’s so that I could see everyone’s big hair!

Caesie Ingle

If I could have any pet, I would have a monkey because they are so cute!

Jessie Shilt

I would carry a bookbag around school if I could, so that way I would not have to mess with the locker bay in between class periods.

Ryan Craft

If I could travel back in history, I would go to the 1700’s because I would love to wear one of those giant dresses.

Jenna Rindler

I would not want to carry a bookbag during the school day because it would just get in the way.

-Kyrstyn Boyer
My favorite food is the school's taco pizza because it is a mix of two good foods.

My position on the cell-phone policy at lunch is that it gives us a chance to text when we actually are allowed.

Tara Snipes

If I could have any animal as a pet I would have a koala bear because they are really cute.

Taylor Angle

If I could travel back to any period in history, I would go back to when I bombed the Biology Test. I think you can figure out why.

If I could drive any model of car, I would drive a Range Rover because I like the way that they look.

Trent Tobias

If I could drive any model of car in the world, I would drive a mustang because they are cool.

Hey!! You may see me running around with a camera in my hand or a laptop on my shoulder. This is because I'm into photography and also am lovin' the communications class tasks we partake in. Being a yearbook editor for two years has been a blast thanks to Chloe Shell and Mrs. Kerber. Being an editor has pushed me into going into the field of photography and work on going to college to be one. Not only do my teacher's support it, my parents do as well.

Good luck class of 2010 & good luck underclassmen.

Who You'd Be Today
-Kenny Chesney

Sunny days seem to hurt the most.
I wear the pain like a heavy coat.
    I feel you everywhere I go.
I see your smile, I see your face,
I hear you laughin' in the rain.
I still can't believe you're gone.

It ain't fair: you died too young,
Like the story that had just begun,
But death tore the pages all away.
God knows how I miss you,
All the hell that I've been through,
Just knowin' no-one could take your place.
An' sometimes I wonder,
Who'd you be today?

Would you see the world? Would you chase your dreams?
Settle down with a family,
I wonder what would you name your babies?
Some days the sky's so blue,
    I feel like I can talk to you,
An' I know it might sound crazy.

It ain't fair: you died too young,
Like the story that had just begun,
But death tore the pages all away.
God knows how I miss you,
All the hell that I've been through,
Just knowin' no-one could take your place.
An' sometimes I wonder,
Who you'd be today?
The 2009-2010 Buccaneer was printed by Jostens, Inc with the help of Eric Howard. The Buccaneer had a press run of 125 copies, and was created using Kaleidoscope Online. All interior pages have a trim size of 7.75x10.3. All captions and copy were written, compiled, and or edited by the members of the Communications class. Photos for the Buccaneer were taken using a Kodak D712 digital camera or provided by Bri Robison, Mark Elder, Creative, or JoAnn Rhiner of Treasured Images. The Buccaneer is 100% self-supporting through book and ad sales. Thank you to everyone who made the yearbook a success!
