The Little Rascals

If you could design any app for your phone, what would it be?

(Left) Casey Waag's dream app is an app that lets people post pictures of bananas. (Above) Kodie Taylor's million dollar app would be one that would make him good at sports. (Bottom left) Jarret Vanhoose's controversial idea is for an app that destroys iphones. (Bottom right) Jesse Wall's conventional idea for an app is one that is an X-ray camera.

When asked what inanimate object he would be and why, Lance Miller responded with, "A bar of soap...so that I could help people."

Justice Warner was asked to tell us which three people she wanted for her zombie fighting crew, and she immediately said back, "Mr. Tobias, my dog, and my friend Rachel because I think that we will be dominating and be able to beat the zombies."

If you could be any inanimate object, what object would you be?

(Far Left) Savannah Schaurer would be a diamond because of its long life and beauty, but (Left) Nick McVety would much rather be a mountain because they are huge and immovable.

(Right) Jayden Nicely has always wanted to be a microwave so that he can be hot, while (Far Right) Logan Kearns longs to be a pool table because of his love for the sport.

If you were in a world full of brain-eating zombies, which 3 people (1 teacher, 1 animal, and 1 friend) would you have by your side against the horde of zombies?

(Top left) Jenna Hagan would bring Mr. Wise because he's smart, a dragon to breathe fire and fly, and Rachel York because of her *Walking Dead* obsession. (Right) Zane Barnes's crew consists of Mr. Donnan so that he could scare zombies, a pterodactyl because it can fly and is scary, and lastly his "very close friend" Tom Brady. On the other side of things, (Bottom Left) Trevor Miller would bring Mr. Dunn for his smarts, a zombie eating bear, and Lance Miller so that he could wrestle them zombies!

If you were a superhero, what would your power be?

Addison Metz's superpower would be invisibility, while Linsey Hyden would be able to snap her fingers and go anywhere.

If Zach Hitchcock were a superhero, he would have the powers to detect and catch fish, while Waunetta Thompson wants to be able to fly and make clones of herself.

If you could go to a giant arcade with any teacher in the school, which teacher would it be and what game would you guys play?

(Top Left) Natalie Snyder would play laser tag with Mr. Wise so that she could have fun, while (Above) Dakota Zell would play "Battlefield 4" with Mr. Donnan so that he could "beast it up". Meanwhile, (Bottom Left) Jayce Pond is playing Dance Dance Revolution with Mr. Miller.

If you could be any inanimate object, what object would you be?

(1st) Anne Randall would be a pillow because of her love for fluffy things, while (2nd) Luke Grieshop would be a tank to crush everything in his way. Another set of polar opposites are (3rd) Anna Dunn and (4th) Carl Lankford's answers. Anna wants to be a sun and brighten people's days, but Carl wants to be a wall, just to get in people's ways.

Do You Prepare More for Family Vacations Than You Do for College?

Having fun with your family is important. But nothing is more vital than your child's future. That's why at Edward Jones, we can help you put together a strategy to save for college.

Using our education funding tool, we can estimate future expenses at more than 3,000 schools and then recommend a financial strategy based on your unique needs. True, vacations are great. But graduation ceremonies are even better.

For a free, personalized college cost report, call or visit today.

The Goonies

Most Likely to Hit a Parked Car

Most Likely to Brighten Your Day

Above: Sarah Ray and Seth Clark were voted most likely to put a big smile on people's faces every day.

Left: There are quite a few people at CHS that could be considered a tad bit clumsy, or not the greatest behind the wheel, but the king and queen of bad driving and clumsiness are Shianne Fortner and D.J. Jennings.

Most School Spirit

Left:

Of all of the students in the 2014 senior class, it is obvious that Amber Edwards and Dalton Bordelon have the most school spirit superlative on lockdown.

Teacher's Pet

Above: Autumn Darnell and Tyler Clark love to butter up the CHS staff.

Most Likely to Succeed

Above: When the senior class pondered who would be in the greatest shape ten years from now, it was clear the right choices were Lori Romie and Justin Williams.

"But right now they gotta do what's right for them, 'cause it's their time. Their time, up there. Down here it's our time. It's our time down here."

Senior Superlatives

The 2014 Senior class has a lot of variety with a lot of characteristics in certain individuals that stand out, and here are a few of those outstanding characteristics:

Best Smile

Best Dressed

Most Athletic

Top Left: When the senior class walks through the halls of CHS, they all agree that Chance Setters and Amanda Brown easily have the best looking pearly whites. Right: Jackie Siefing and A.J. Quellette blow away the competition in anything involving fitness. Bottom Left: Allison Ingle and Lane White were voted the two best dressed cool cats of the 2014 Senior class.

Most Likely to Serve Our Country

Left: The two seniors of the 2014 class who are most likely to be serving our country are Morgan McReynolds and Dustin Freeman.

"No one should part with their individuality and become that of another." William Ellery Channing

Most Likely to be Playing Video Games at 3AM

Left: For some people the greatest nights are the ones spent clutching the playstation or Xbox Controller, and the two seniors most likely to do that often are Katelyn Phillis and Bailey Yingst.

Biggest Flirt

Most Likely to win the Hunger Games

this or that

Above: Stephani Shane and Tyler Henry are well known for their flirtatious ways

Above: In order to win a contest like the hunger games, you have to be a pretty well-rounded individual, and the most well rounded of this year's senior class are Love Brumbaugh and Andre Benedict.

Most Changed Since Freshman Year

Left: A lot can happen to a person in four years, and the two people that have had the most happen to them over the past four years in this senior class are Jade Rader and Andrew Williams.

Communications 2013-2014

Top Left: Jessica Dammeyer works on her newest yearbook deadline. Right: Sarah Pond happily works on her yearbook page. Bottom Left: Logan Fields and Coleman Ryan take a break from their pages to "smile for the camera".

Right: The Communications class just hanging out. Top to bottom: Jordan Wolfe, Chace Hinnegan, Sarah Pond, Coeman Ryan, Jessica "Judy" Dammeyer, Logan Fields, Alex Gast

Publication Information

The 2013-2014 Buccaneer was printed by Jostens, Inc. with the support of Eric Howard. The Buccaneer had a press run of 120 copies, and was created using Kaleidoscope Online. All interior pages have a trim size of 7.75X10.5. All captions were written, compiled and/or edited by the members of the Communications class. Photos were taken using a Nikon COOLPIX L620 digital camera, or were provided by Ben Robinson of ColorGreen Creative. The Buccaneer is 100% self-supporting through ad and book sales. Thank you to everyone who made this yearbook a success!

Below: Jessica Dammeyer helps Logan Fields come up with a movie title for his yearbook page.

What They Say...

(L-R): Alex Gast says, "It has been a very fun, class and a great experience for me. I wish I could do it again next year." Jordan Wolfe states, "The class this year has taught me a lot of responsibility." Sarah Pond thinks, "this is a very fun class with many opportunities no other class can provide." Coleman Ryan says, "I loved coming to class everyday because I always learned something new."

The image features a dark, textured background with a large, light gray 'X' shape formed by two intersecting diagonal bands. At the bottom of each band, there is a bright, glowing oval light source, resembling a spotlight. The text 'BUCC NATION' is centered within the 'X' in a red, serif font. The word 'BUCC' is on the top line and 'NATION' is on the bottom line. A small, bright white starburst or lens flare is positioned just above the letter 'C' in 'BUCC'.
