Homecoming Court
A [Festive] View

Mrs. Marti Cain and the CHS Student Council put together many homecoming activities for the students at CHS. On Wednesday, September 20, 2017, Caleb Brooks was crowned the 2017 Homecoming King. The community watched the parade on Friday, September 22, 2017, which included the Homecoming Court, the CHS class floats, and more! Following the parade, many gathered at Smith Field to watch Aliya Weer receive the 2017 Homecoming Queen crown.

Fall Academics
A [Student's] View

The students of Covington participated in their favorite school subjects, activities, and clubs for the 2017 Fall Academics. Whether it be a unique art project, or a chemical combination in Advanced Science, students worked very hard to achieve success. The students achieved this success at our school, or choose to learn at the UVCC, or at Edison.

Coach Josh Long states "The girls cross country team showed continuous improvement throughout the season, fighting some lingering injuries along the way. The six girls that returned from the 2016 state team led the Buccaneers throughout the season. (Paige Boehringer, Ashlyn Plessinger, Danielle Alexander, Kelsey Dysinger, Chelsea Ford, and Emma Dammeyer) The girls won their third straight CCC league title, finished district runner-up, and finished one place shy at regionals from qualifying for state the third year in a row. Ashlyn Plessinger earned All-League honors and was our second runner most of the year. Paige was one of the top runners in the area all season, earning All-League honor, First Team All-County, and qualifying for the State meet as an individual."

Below: Freshmen, Kayla Mitchell and Sydney Houge, run side by side and encourage each other to finish.

Above: Senior, Danielle Alexander warming up for a big race, smiling because she can't wait to run.
Left: Sophomore, Alexis Meyer leading her team to the starting line to begin an amazing race.

Senior Emma Dammeyer pushes through the pain of running to make it to the finish line. For all Emma's work and improvement she got injured, but she overcame it and her times improved, Emma is very happy and impressed with the teams efforts. This year, was good for the Covington lady Buccs Cross Country Team.
SEASON IN REVIEW:
The Boys' Cross Country team encounters yet another pattern of personal records for the 2017 season. But as Districts creep up, fatigue from the season causes sometimes to falter and the boys are unable to qualify for regionals. The boys however put in tremendous amounts of effort and come away with more times to be proud of and with fantastic teamwork.

Above: Senior Spencer Hogue with freshmen Andrew Rose and Avery Rench cheer on the girls' cross country team in the West Milton woods during League. Left: Senior Ryan Gengler accelerates as he encounters the steep hill before finishing with a time of 21:51.9 at the Covington Invitational.

Above: Junior Fletcher Metz and senior Hunter Brumbaugh line up at the starting line before the race begins at League in West Milton. Left: The high school seniors come together for one last team photo in Sidney before the end of their last season.
Top to Bottom: Junior Ashby Rench, freshman Bennett Welborn, and junior Ian Benedict stride down the steep hill where they are met with the cheering crowd of Buccaneers at the Covington Invitational.

Above: Senior Dylan Kelly runs the last stretch of the hilly course at the Covington Invitational with a time of 18:30.60. The boys get 4th place out of 11 teams at this course, beating Miami East on this cool, September morning. Overall, the runners do exceedingly well on their own turf this year.

Above: Senior Nathan Lyle approaches the end of the Bob Schul race where he runs a 18:33.80, helping to lead the team. Nathan runs a good race with this being one of his best of the season, contributing to the excitement as the cross country season begins.
The season was indeed a good one, even with only five girls. There were no Seniors this year, unfortunately, but the Juniors really seemed to do a good job of taking on that huge responsibility of becoming the underclassmen's leaders and role models. The team actually had a new golfer that just happens to be an upperclassman, but with the help of her teammates, she was able to fit right in.
Above: Junior, Emily Thompson waits for her turn at the first hole at a home meet on a cloudy day.

Below: Junior, Emily Hedrick, puts the ball down on top of her tee, then she hits it into the hole near the sand.

Above: Freshman, Katie Hembree, hits the ball really hard towards the trees, but she comes back though and ends up doing well.

Left: Junior, Emily Hedrick, looks ahead from the green in order to determine how hard she has to hit the ball.

Above: Freshman, Katie Hembree, looks ahead from the green in order to determine how hard she has to hit the ball.

Above: Junior Morgan Lowe laughs as the wind blows her hair at the meet in Piqua, while she waits for the other girls to catch up. This is Morgan's first year of golfing and she claims that in Junior High she wanted to try every sport in High School, which golf is something she ended up liking. Her PR in a 9 hole is a 53 and her favorite thing about golf is the cool nickname her teammates gave her. Morgan states that "at first it was hard to adjust with not ever playing before, but after the first couple of weeks it wasn't bad. Then towards the end of the year we became family." Finally Morgan thinks that everyone should golf or at least try it because it's not only fun, but Morgan says "you get to meet so many new people".
SEASON IN REVIEW:

The golf team finishes 12-12 in the league. All golfers did improve throughout the season, as indicated by each player's improving score average from early season to late in the season. Being a young team, with only one senior, the new golfers had to step up and work towards leading the team to a victory each match.

Above: Sophomore Dylan Lucas, focuses as he gets ready to hit the ball. Left: Freshman, Randy Anthony, picks up his ball from the previous hit on September 7th.

Below: The golf team on their way to the next hole. Left: Senior Andrew Slusher, prepares to launch the ball off the tee at a home meet against Bradford September 7th. Even with the windy weather, Andrew was still a success.
Above: Freshman, Grant Humphrey, brings his "A" game during his first year of golf on September 7th. Below: Freshman, Randy Anthony, searches for his ball that he hit near the pond.

Above: Senior, Andrew Slusher, is the runner-up for player-of-the-year. Being the only senior this year, he made it to districts for the third time. Andrew also became the best boys golfer in school history. He has the lowest nine hole scoring average and helps out with the inexperienced golfers. Left: Randy Anthony places his tee before warming up his swings.

Junior Thomas Kuether reviews back to his golf season, "We had a good year, finishing middle in the league. Everyone improved their game." Tom looks happy after hitting his ball at the home meet.
SEASON IN REVIEW:
The Covington Lady Buccs volleyball team finished 9-3 in the CCC. With three seniors, three juniors, seven sophomores, and eight freshman, the team had a great season full of laughs and many bonding experiences. Senior Lindsey Kimmel said, "I wouldn't have wanted to go through this season with any other girls!"

THE VIEW FROM THE FIELD

SEASON IN REVIEW:
"This season was a season of maturity. We played a very difficult schedule with a young, immature team. We lost three close games that made morale low but our kids played with Covington effort which is maximum effort. We made too many mistakes that prevented us from reaching our goals of winning our conference, making the playoffs, and winning state. We need to learn from this year to play better in the future. Myself and the coaches will miss the seniors and appreciate their efforts as we wish them luck in their futures." - Coach Ty Cates.

Above: Head Coach Ty Cates talks to the team with a big smile on his face after a very well played football game against his old football team, Twin-Valley South.
SEASON IN REVIEW:
Covington High School's Cheerleading squad attends every game and pumps up the crowd. The girls work on having tight motions and yelling loud. During the season they show their support for the Buccs by creating signs, decorating lockers and locker rooms. Together, they make up cheers to perform during quarters of the games. The squad consists of twelve girls who are under the direction of Gretchen Schmidt and Lindsay Fraley.
Above: Freshman Ella Warner prepares to throw a mini football to whoever cheers the loudest at the community homecoming pep rally.

Below: Freshman Kayla Mitchell (left) and Sophomore Alexis Meyer (right) warm up their tumbling skills before performing at the pep rally.

Sophomore Hailey Weer, Junior Anna Winn, and Seniors Danielle Rose, Legend Patty, and Breanna Kimmel all clap along to the fight song during the Homecoming Pep Rally. Each year the squad makes up a skit to perform with the football players. In this year's skit, the football boys dressed up as cheerleaders and the cheerleaders dressed up as players.
SEASON IN REVIEW:
The Covington Band of Bucc Pride had a total of 31 Band members who were present at every game. They worked together at each game to blend the sounds of their instruments and put on a spectacular halftime performance. The Band’s 2017 show theme, "All that Jazz", featured the songs: Caravan, Killer Joe, Big Noise from Winnetka, and All that Jazz. The band has had a very successful season, receiving a total of 2 superior ratings at 4 competitions, qualifying the Band of Bucc Pride for State. Unfortunately due to inclement weather, the band was unable to perform at the OMEA State Finals.
Above: The band stands in a line as they perform their halftime show for the Buccaneer crowd on the Smith Field.
Below: Freshmen Benjamen Romie and Elizabeth Hedges hold up their flutes and play the song Handclap with the rest of the band at the Community Pep Rally.

Above: Junior Sam Hutchinson marches along as he plays his saxophone with pride during the Homecoming parade to create harmony with the rest of the band.
Left: The members of the Band watch their director, Mrs. Moore, as she comments on their performance during the halftime show at a Friday night football game.

Sophomore Josie Schaurer smiles with excitement as she walks to the front of the parade line. Josie says that the band members "dare to be the best multi-taskers." When performing, Josie explains that they have to be "thinking about style, technique, notes, rhythms, their spots on the field, posture, dynamics, and so much more."

SEASON IN REVIEW:

Sports in High School are all about having fun, making memories, and challenging yourself to make you and your team better. The 2017-2018 Lady Buccs have done a great job of achieving goals they’ve set as a team and goals they’ve set as individuals. Junior Sammi Whiteman scores her 1000th point, after hitting a three-pointer with 3:08 left in the third quarter on January 11th, 2018 against Ansonia. Sammi finishes the game with a total of 27 points, and is the 8th girls basketball player in school history to hit their 1000th point. Sammi claims that "it takes a whole team to accomplish something like that." Growing up, she would always be at the courts, and she was mesmerized by the "big kids," and she wants to be a role model for younger kids. Not a short period of time later, Sammi breaks the school record of scoring 41 points in one game, against Bethel High School, on January 30th. 2018. "I've been blessed with amazing teammates, coaches, and family support which made getting there so much easier." Sammi plans on furthuring her career in college basketball after High School.

Tori finishes the game with 10 points, as Jordan contributes with 14. Tori and Jordan have been playing the last 6 years together. Jordan claims that she’ll always remember the time when her and Tori played on an AAU team together and would always get cookie dough blizzards from Dairy Queen on the way home from practices.

Above: The Covington Lady Bucs Girls Basketball team faces the fans while smiling for the camera after being announced as the 2018 District Champions on March 3rd, 2018, against Legacy Christian. Each player got to cut a piece of the net down to keep for themselves, which was very special. Junior Sammi Whiteman states to a reporter after the game that “Jordan who was injured and didn’t play in the title game last year talked about it all of the time, and getting up and cutting down that net was definitely a big goal.” Senior Jordan Crowell claims that she couldn’t be more proud of her team for all of what they’ve accomplished and what her teammates will continue to accomplish, without her unfortunately. Jordan plans to continue her basketball career at Bethel College in Indiana. The Lady Bucs finishes the season with 20-7, due to a loss against Fort Loramie in the Regional Semi-finals at Vandalia Butler High School.
The boys basketball team finished 7-5 in the CCC and 11-10 in the Piqua Holiday Tournament. About the 2017-2018 season, Coach Pond said, "My greatest memories so far this season is our team's ability to hit the big shot... last second wins vs Arcanum and Lehman. Our overall team chemistry is also a great memory. These kids are awesome teammates and very supportive of each other... that's probably what I am most proud of. Unfortunately we have had to deal with some major injuries. This has probably caused some inconsistency in our play, but thankfully we have great kids and they continued to work extremely hard. Having seven seniors is pretty unusual. In our case, I am very thankful and blessed. This group has great character and leadership! They each provide something special to our entire program. This team has been a blast to coach! Our coaching staff appreciates all the time and effort they have committed to this season."

"We entered this season as a relatively young team and exceeded expectations with strong performances throughout the year. Each member of the team made key contributions throughout the year, culminating in a 26-5 dual meet record with exciting victories over Coldwater, Eaton, Milton-Union, Brookville and an upset victory over heavily favored Miami East for the Covington Duals Championship and unofficial CCC title. The team also finished as dual-meet Regional Semi-Finalists. Individually, our wrestlers achieved many successes. We finished 3rd out of 14 teams at Sectionals and 5th out of 62 teams at Districts. Nine wrestlers qualified for Districts: Kellan Anderson, Cael Vanderhorst, Austin Flick, Keringten Martin, Duncan Cooper, Trentin Alexander, Gavin McReynolds, Gage Kerrigan and Bryce Keiser. The team qualified 4 wrestlers to the state tournament for just the 4th time in school history – Kellan Anderson, Cael Vanderhorst, Keringten Martin and Gage Kerrigan. Kellan and Cael finished on the podium, finishing in 6th and 8th place. Fun season!" -Coach Eric Vanderhorst

Mrs. Cain began teaching at Covington in 1995. She coached volleyball, basketball, softball, and track. She has been a Student Council Class Advisor, and Buccanews Advisor. Mrs. Cain has five teaching certifications including physical education, health, typing, and technology.

Mrs. Cain says her favorite thing about working at Covington is “working in a small school district, because the class sizes are small and I am able to work with each and every student.”

Mr. Dunn’s favorite thing about teaching here was how good the students are, he says that he would not have wanted to teach anywhere else.

Mrs. Cain has a love for volleyball and has coached it for many years. She coached 5th and 6th intramurals, 7th and 8th grade volleyball, JV, and varsity volleyball.

When asked what she would miss most, Mrs. Cain responds: “I will miss the special friendships I have made with my fellow colleagues. Over the years, we have shared many experiences with students, athletes, and parents. I have many great memories; thank you, Covington!”

When asked what he would miss most, Mr. Dunn replied, “I will miss seeing a student understand a hard concept. Something that makes them proud for accomplishing something extraordinary.”

Mr. Dunn poses with Mr. Long on his lap who was voted “teachers pet.”

The 2017-2018 Buccaneer was printed by Entourage Yearbooks with the help of Ellen Sillery, and is advised by Mrs. Kerber. The Buccaneer had a press run of 140 copies, and was created using EDonline. All interior pages have a trim size of 7.75x10.5. All captions were written, compiled and/or edited by the members of the Yearbook class. Photos were taken using a Nikon COOLPIX L620 digital camera, or were provided by Ben Robinson of ColorGreen Creative, or JoAnn Bitner of Treasured Images. The Buccaneer is 100% self-supporting through ad and book sales. Thank you to all that made this yearbook a success!

The Yearbook Staff works very diligently from the beginning of the year to the very last day of school to create the yearbook. On top of creating this amazing memory book, they also market the book and promote advertisements. The class may not be very big, but together they make an awesome book for Covington High School students and graduates.
