Origin of National Game
The modern game of baseball originated in New York City in 1846. The first recorded game was played in Cooperstown, N.Y., on May 26. The playing diamond was built on the Cooperstown Opera House, N.Y., in 1837.

Wines and Cool
It is not exactly a wine to be served in light the decorum are cool and may not, if she physically fit, this is a rule of an eastern drama. What makes it hard on the palate is that the wine has been kept in a warm climate and does not have the full flavor of a wine from a cooler climate.

LEGAL NOTICE
In pursuance of an order of the Probate Court of Meigs County, on the 3rd day of August, 1934, I have been ordered to sell the real and personal property of Mrs. Mary E. Johnson, deceased, as ordered by the probate court of Meigs County, Ohio, and the proceeds of said property to be turned over to the administrator of said estate.

Cheese
Cheese is sold in various forms, including blocks, wedges, and rounds. The type of cheese sold is often determined by the location and the type of cheese that is available in that area. In the United States, cheese is often sold in blocks and wedges, while in Europe, cheese is often sold in rounds and wedges. The type of cheese sold also depends on the season and the availability of the cheese. For example, in the summer, cheese is often sold in blocks and wedges, while in the winter, cheese is often sold in rounds and wedges.
