PHRANK MONNETT CANDIDATE FOR OHIO POST HERE

Former Attorney General Seeking Renomination at August Primary

Frank M. Monnett, former at
torney general of Ohio from The
spot is not the place to make
the Democratic renomination for the
same post, will run again next year in
Dayton Thursday, visiting precinct
offices and meeting with the party's
leaders and organizations in the re-
organization of the campaign.

Mr. Monnett is best known to the
older generation of business as the man who forced the Hand-Whale Meat Sent to
Feed African Natives

In the recent report of the Federal
Inspector of Livestock, Block-
meat after an investigation of the re-
quest of a large number of taxpay-
ers who had complained of disagreeable
dairs, says the cutting of whole flesh
of beef consumption has been cur-
ried by residents of the island of Blake
day. It appears, says the Inspector, that
the Colorado was inaugurated by the
late Lord Leverhulme, of Lever Bros.,
which firm has felling and other in-
terests in many parts of the world.

The Inspector’s report explains that
the work is done at the beefing cur-
ning station at Leverhulme, where
the meat is cut into small pieces, washed
and picked, averaged 10 to 15 pounds
of fabric frame and dried by mechanical
power.

When thoroughly dry the whole
meat is packed under pressure in boxes
ded to the Kongs for feeding
animals working for the Lever
company.
