Big Time in Store Labor Day

Farmers Picnic to Be Big Event at Community Park

Buses Line Preparing to Handle Big Crowd

- Ohio motor bus companies are preparing to handle record-breaking crowds in the vicinity this Labor Day weekend. They are getting all their equipment in order and are providing extra buses to the district terminals in order to handle the big influx of passengers. The lines into Columbus make connections with more than 1600 towns and villages in the state. Because of the congestion on the highways and the difficulty of parking large buses, many people have decided to leave their own automobiles at home and ride the motor buses. Thus they will have the pleasure of riding of rubber, without endangering their own or others' safety.

STATE FAIR NOTES
Columbus, Ohio—This city, the capital of the state government, is ready for its biggest event—the Ohio State Fair.

With the assistance of the Columbus Chamber of Commerce, Director of Agriculture-Trust has been able to work out details that will insure the maximum of comfort to the thousands of State Fair visitors. Municipal authorities have cooperated to the utmost degree in designing a traffic system that will reduce to the least degree as possible the congestion resulting from enormous crowds.

State visitors next week will find the streets of the city in gala attire.

Downtown thoroughfares will be decorated with the American flag and the customary light standards will fling early sunshine to welcome the out-town folk. At the main thoroughfare entrance to the city, streamers will be strung that will suggest a festival mood.

This city will be as pretty much of a holiday Monday. That is Columbus Day. On direction of the Chamber of Commerce, a series of local observances will be followed at the State Fair grounds and it is expected that the first day of the great event will be of the most happy. That day thousands of Ohio people, those who have joined the group that has been patriotically dedicated, will be there.

Worse Than Triangle

The triangle probably causes fewer indigestion than the "Gambler's" disease or the hexagonal loop, but it is a much less common type of evil than any of these qualities. Right.

Dress to Suit Your味

A dress that will flatter you and best suit your taste will make you look your best and give you more comfort and less worry.

Mystery Tint

The color that is most becoming to you will give you a lift and a glow. At the right price and from the right store, it is a beautiful thing for a young woman to have a dress that is in the colors that are right for her complexion and figure.

UNION SERVICES AT CHAL- TAQUA TENT SUNDAY

The regular Sunday Schools will be held at the Churches, Sunday evening, August 28th, at the regular hour. The Churches will be filled to capacity at the big tent in Community Park. This will be in charge of Rev. B. E. Buehs, who has been invited to deliver the message. The hour will be 10:30 a.m., a big tent.

All are cordially invited to join in the union service at Community Park. Special Music will also be given.

BATHING BEAUTY CONTEST

Without doubt the outstanding event of the year in out door events will take place at Edgewater Park, Celina Ohio, Sept. 5th and 6th. When Edgewater Park will play host to the Ohio Bathing Beauty Contest, the event is open to any young lady between the ages of 18 and 24 in residence of Ohio. To the contestants is given the honor of a trip to the Sing-Song-Centennial Exposition at Philadelphia.

What City or Town will be the winner? That is a question for the Judges, who will render their de- cision on Sept. 6. However, whoever she may be, she will be an Ohio Girl, who will be presented at Bathing Beaux and be the perfect de Niro Type. Already the event is creating widespread interest throughout the state, and much speculation is heard as to who will be Miss Ohio. Elimination contest are being conducted in fifty cities and towns in thirteen counties for the representatives for the Ohio Bathing Beauty Pageant at Edgewater Park. Orleans, Manufacturers and manufacturers are taking an active interest and sponsoring contests for the honor, and already a large number of entries have been received.

Famous People in the Fair

Upon the initial days of the fair, Mrs. Dora, president of the Christian Mother association of Boston, Aiken of the women of the city underwrite the rolling funds for the peace movement, "Christ of the Alps," and had the statue made.

Humming Birds

There are sold to be not 500 spe- cies of humming birds, which have their nesting places in the Alleghany and Mississippi valleys. The birds are entirely American, and the males, the most as early as the southern portions of Alaska.

PUBLIC SALE OF CORWIN HOUSEHOLD GOODS

The Corwin household goods formerly advertised in the News will be sold at Public Sale, instead of private sale, Saturday, August 30th, at the residence of Mr. Ben Cal., N. Blck., directly after his sale is over.

Mr. Sherman Corwin arrived this morning from Corvona, and will be in charge of the sale. D. R. Long- maker, auctioneer.
