Big Picnic Held Upstairs Yesterday
On Account of Flood at Park.

LARGE CROWD PRESENT

Came Early and Stayed Late to En-
joy the Many Good Things Supplied
by the LaboR Day Committee.

Although plans were somewhat al-
tered by the unexpected high water which caused the Stillwater to over-
flow its banks, the committee
continued the activities that were to be
attended to by the picnickers, un-
fortunately, some workers were caught in a
chasm which was not a very acceptable place for the occasion.

Early in the morning farmers and business men worked together for
the change that was necessary and by 11 o'clock everything was in readiness
for the first thing on the days pro-
gram—the Dog and Punt races which proved to be a pesky
feature with both young and old.

Live Wire Garrison Wrote Her Satisfaction of Any Price She May Be Fortunate Enough To Win.

"I do so want to win the automobile," wrote one of the girls from the Ste. Genevieve unit. "If I don't win the car I will be perfectly satisfied..." adds the little note. "I have only one wish in the world."

"Don't get upset," the young lady was quickly reassured. "I will be happy as long as you take us in your car..."

"I am not a quitter," the campaign manager replied. The young lady then worked the campaign and was rewarded with a new car.

A WONDERFUL OPPORTUNITY

By our Salammbion Club we mean just that. This campaign will be conducted in absolutely unique style. It will have the spice of an all-state contest, with the challenge of three, choosing them at random with no particular order of territory in order that no area will be in advance of the others. The purpose is to develop the awareness of the Special Ballots given in the following:

We have divided the workable times from Sept. 3, to Sept. 29, in three specimen Ballots of 300, 300, and 100, respectively, for a total number of 700 New Subscribers for the period ending Sept. 29. The 300-ballot is the nucleus of the project with the regular bonus offers offered each week which will be concluded at the close of each week. Every night will mark the end every FRIEY NIGHT. Every member of the club will be kept informed of the progress and will be given the opportunity to join the SPECIAL BALLOTS for the greatest number of New Subscribers to be an EXTRA propelsation and arraign along accordingly, the plans of the campaign.

Wittenberg Men Point to National Awakening.

Springfield, O. (Special) - Several music educators of the state have expressed the belief that the present generation of college students is more interested in music than any previous generation. This belief is based on the fact that the universities and colleges of the state are now offering more music courses than ever before.

The professor points out that if the universities and colleges are doing their part, the public schools should be doing more to promote music education.
