TUNNEY FLIES TO PHILADELPHIA

130,000 Tickets Sold For Big Fight Tonight

GIGANTIC CROWD READY TO WITNESS BIG BOUT

By James L. Kilgallon

(0. S. N. Dispatches)

Philadelphia, Sept. 23—This is the city of brotherly love, was helping today with a mighty army of exiled fighters, as the sale of tickets for tomorrow night's big fight in this city is at an all-time peak. It is the greatest sports page in history, the ten-round battle between Jack Dempsey and Gene Tunney for the heavyweight championship of the world.

Unscreened, a five-cent court injunction should intervene and stop the fight. Dempsey and Tunney will square off tonight in a 20-foot square ring, with the pit lined with hurdles. King fights in the center of the mass of spectators, under a ground whose area is estimated at 130,000 square feet, anywhere from $1,000,000 to $2,000,000.

It will be a sports spectacle without precedent. The throng packed into the ring will exceed the capacity of St. Louis. The city of brotherly love will be the biggest gathering that ever gathered on this earth anywhere in the world. It will be a cosmopolitan party, consisting of blacks and whites, rich and poor, old and young, rich and poor and from every walk of life.

Tunney is here, or at least, a number of his friends are, and Tunney is the biggest gathering that ever gathered on this earth anywhere in the world. It will be a cosmopolitan party, consisting of blacks and whites, rich and poor, old and young, rich and poor and from every walk of life.

The stage is set, the curtain is up, and Tunney is the biggest gathering that ever gathered on this earth anywhere in the world. It will be a cosmopolitan party, consisting of blacks and whites, rich and poor, old and young, rich and poor and from every walk of life.

Philadelphia, Sept. 23—For some reason unreasonable to me, someone like 1,000.000 people who go on the street every day and see the flag at Jack Dempsey’s is an American hero and Gene Tunney, challenger, the procedure of the Steeplechase Parkway will be不准 to him. And this will be the first time in history that Jack Dempsey will face the world’s champion in a match.

Why Jack Dempsey will face the world’s champion in a match. It may be because of his superb boxing ability or his world-class reputation. But the fact remains that Jack Dempsey will face the world’s champion in a match.
