JURY IS 3 TO 9 IN HALL-MILLS CASE

LET'S BUY IN COVINGTON THIS CHRISTMAS

Help to Make Our Town Bigger and Better By Buying At Home

Now, all together. Let’s start a new cheer, and let everybody man and woman and小孩 join in—

"...I am going to do My Christ-
mas shopping at my own store. Let this be the sentiment in this room. Let the Christmas cheer rise up and fill your own home, your town, and your local neighborhood.

Already Covington stores have taken on a holiday air. Hundreds of useful gifts are ready and waiting—enough to meet your every want.

People travel for miles to get a bargain from the store. They bring their children with them. They carry their groceries and their Christmas presents.

Let’s all do our part to help Covington. Let your friends do the same. Help to make Covington bigger and better.

We need the support of all our citizens. If we don’t buy locally, we lose money for our own stores. If we do buy locally, we help to support our own businesses.

We need to keep Covington thriving. Let’s do our part to help it.
