TRAMS SHARE HONORS
Last Friday night Newton High
split two fast games with Butler
High. On sharing the home game
with Butler boys.

Newton girls under Captain Wash-
ler far outplayed Butler in every
phase, winning the game easily, New-
ton 35 and Butler 6.

Lanley and Nepsley starred for New-
ton, while Braumis did his best but
Butler.

Newton boys were pretty evenly
matched by Butlers team which was
heavier than Newton.

Inability to make fouls together
with several bad passes and fumbles
caused Newton to lose by the final
score of 21 to 22. Morton and Hols-

With a sketch of the original song. A novel of the season. Written and illustrated by the author. It is the best gift for Christmas.

Twice as Much for One Dollar

The Lonely Old Lady in Christmas Valentine

THE LONELY OLD LADY in the twilight, as the evening cooking began, she looked out through the window and wondered why she had stayed to eat. The stars were brilliant, but the snow had made the world look so soft, and the lonely old lady was talked about in the street. She lived by herself in a small house, and her life was a lonely one. She made the day pass with the help of the stars and the moon, but she was lonely, and she wished she had someone to talk to.

**This Thrifty Home Brings Joy to the Rent-Weary**

When the waiter brought the menu to Mrs. Blanche Byrnes and her husband, they found themselves at a loss to decide what they would buy. The prices were high, much higher than they had been accustomed to at home, and they were not sure that they could afford it. Mrs. Byrnes sighed as she looked at the prices and said, "I wonder if we can afford this?"

"Why not?" her husband replied. "We have saved enough money to pay for this."

"But what will we do with the rest of our savings?"

"We can invest in stocks and bonds," he suggested. "That way we can earn more money and be able to afford more expensive meals in the future."

"I suppose you're right," she conceded. "I just didn't think it through before."

"Don't worry," he said. "We've done our research and we know that stocks and bonds are a good investment."

"I hope you're right," she said. "I don't want to see our hard-earned savings go to waste."
WHY THE CHIMES RANG

The Christian Church is planning to give a Christmas play. "Why the Bells Rang," and they are probably the best entertained of all the children of the chorister, this Christmas season.

Special stage setting and costumes will be a feature of the production. It will take part in this most wonderful Sunday evening, December 20th, at 7:30 o'clock. Children will be present and an audience be assembled.

In the spirit of giving, the members of the Church are invited to attend.

SCHOOL COUNCIL

The members of the School Council, who are in charge of the Christmas pageant, have selected the plays that will be performed. The students will be equal in their selection, although some plays will be selected by the members of the School Council, who believe in giving each student a chance to perform.

Rev. W. A. Freeman then gave a very enthusiastic talk on the subject of "Christmas," explaining the history and origin of the holiday, and the different customs associated with it.

Thus a very helpful message was received by the students and their parents.

Direct business according to the School Council's instructions was given by Sup. Baker and Dr. Thomas being discussed by the members and important action taken.

1. "HURTS AND ROOMS"

Rev. C. F. McHenry, a more excellent sermon, Sunday evening, upon the topic: "Hurt and Room," was well received by the members of the Church, although some plays will be selected by the students who believe in giving each student a chance to perform.

Rev. Baker speaks of the Church as a whole, the need for the Peace of Jesus as well as the individual heart. After the long waiting of the children, the "Jesus" was welcomed by the Heavenly guests; born that night which the children were waiting for, to a loving and caring home in the heart of the church. This is the time when our hopes should be realized and all among his waiting people and to follow up in his steps.
