AMIEE TELLS STORY OF HER LIFE
16-Year-Old Youth Now Denies That He Committed Crime

Washington Audience Prefers "Life's" Amiee over Another Bride

Crawford Seems Taking More Interest
in Amiee's Queenhood Than Fanaticism
That She Prefers to Romance

WASHINGTON, D.C., Jan. 17.-The National capital aids the "four down" on the Amiee McPherson case.

It was a last night straight from Amiee herself to the leg Washington audience where 12,000 persons jammed into the 7,000-seat arena. "What will it be, my friends," said the evangelist, "the story of my love life, or the story of the second coming of the Lord Jesus?"

By a vote of 1,000 to 3, the audience voted for the story of Amiee's life. They were willing to wait or drop everything entirely the other. So Amiee said yes.

"A modern tower of Babel," she said, "with a very foundation was begun by the devil through statements made by a misguided woman. God bless her. Stones by stone the tower was erected until it pleased every newspaper in the world. God heard about this tower that man had built, and he came down to see about it, just as he came down in the Bible. He was said to have been everywhere until not one of the accusers could tell the same story twice when God gave a flip of his little finger and down crashed the tower, carrying with it the dreadfully charged engine against an innocent woman."

That's the story of "the McPherson case," as Amiee related it to the Capital.

MICKIE SAYS—"THO GOD SEEKS HE KNOWS NOT WHAT TO HALL A STATEMENT WHICH JESUS NEVER MADE THAT A MAN IS A EUROPEAN OR AN ASIAN, BUT HOW ME KNOWS NOT WHAT TO HALL A STATEMENT WHICH JOSIAH HODGINS KNEW—FULLY IN THE SENSE WHICH HE MEANT IT"

Pure Iron from Scrap
Soda iron from scrap is one of the ways into which the world can point at pleasure of pieces. Hereafter there has been one process analo-
gous enough to be applied to the making of iron from the scrap iron. Now, however, a process has found a way to do it economically. They have made a commercial application near Niagara Falls, N. Y., using Niagara scrap.

L'Alpin Death Mask
The world has grown more familiar with the less idealized pictures of that pathetic figure of the Na-
ivepe on the identity of the Indian. Now, for the first time, there is an opportunity to see the true face of this noble race.

Worn in the great snows of the mount-
ains, this mask is a symbol of the courage and devotion of the mountain men. It is worn by the
