12, Slays Man

New York—Three persons were burned to death in a fire which swept a five-story tenement.

London—A rebellion behind the lines of the northern allies is rumored in Berlin, which might break the heart of the central European governments.

Washington—The student arrested last night for attempting to blow up the White House, was identified as Herbert Willett, 17, killed himself in the street by shooting himself in the head this morning.

New York—George Goldstein, 17, of the South, a prominent Negro student, was shot to death by a medley of white people, all of whom left the scene of the crime with their guns still in their hands.

Several type writer operators were burned to death in a fire which swept a five-story tenement.

The police have been on the lookout for the man since the man was last seen outside the hospital and when McDermott was found, he was dead, his body covered with several wounds. McDermott was taken to the morgue where his body was examined, but no preliminary investigation was made.

Police have arrested the man who shot the man in the South. The man was taken to the hospital and his wounds were attended to. McDermott's family will be notified of the death.

Proctor and Murphy, the men under investigation, were taken into custody.
